

CALIPRI MEASURING SOLUTION & WORKFLOW OPTIMIZATION for Rolling Stock and Infrastruktur

TODAY'S CHALLENGES

- Optimization of maintenance cycles
- Prediction of wear behavior
- Material & tools optimization
- Highest accuracy required
- Traceability & Smart data handling (ECM)

THE CALIPRI SOLUTION

IN ACTION

CALIPRI C42

MULTI PURPOSE MEASUREMENT SOLUTION

THE CALIPRI SOLUTION

SOLVING THE PROBLEM

- + Reliable data → all users obtain same results
- + One instrument for all wheelset dimensions
- + No transcription errors
- + Digitalization of measurements
- + Automatic report creation
- + Automatic transmission data to database

Meet your
**MEASUREMENT
STANDARDS**

Increases
**DATA
RELIABILITY**

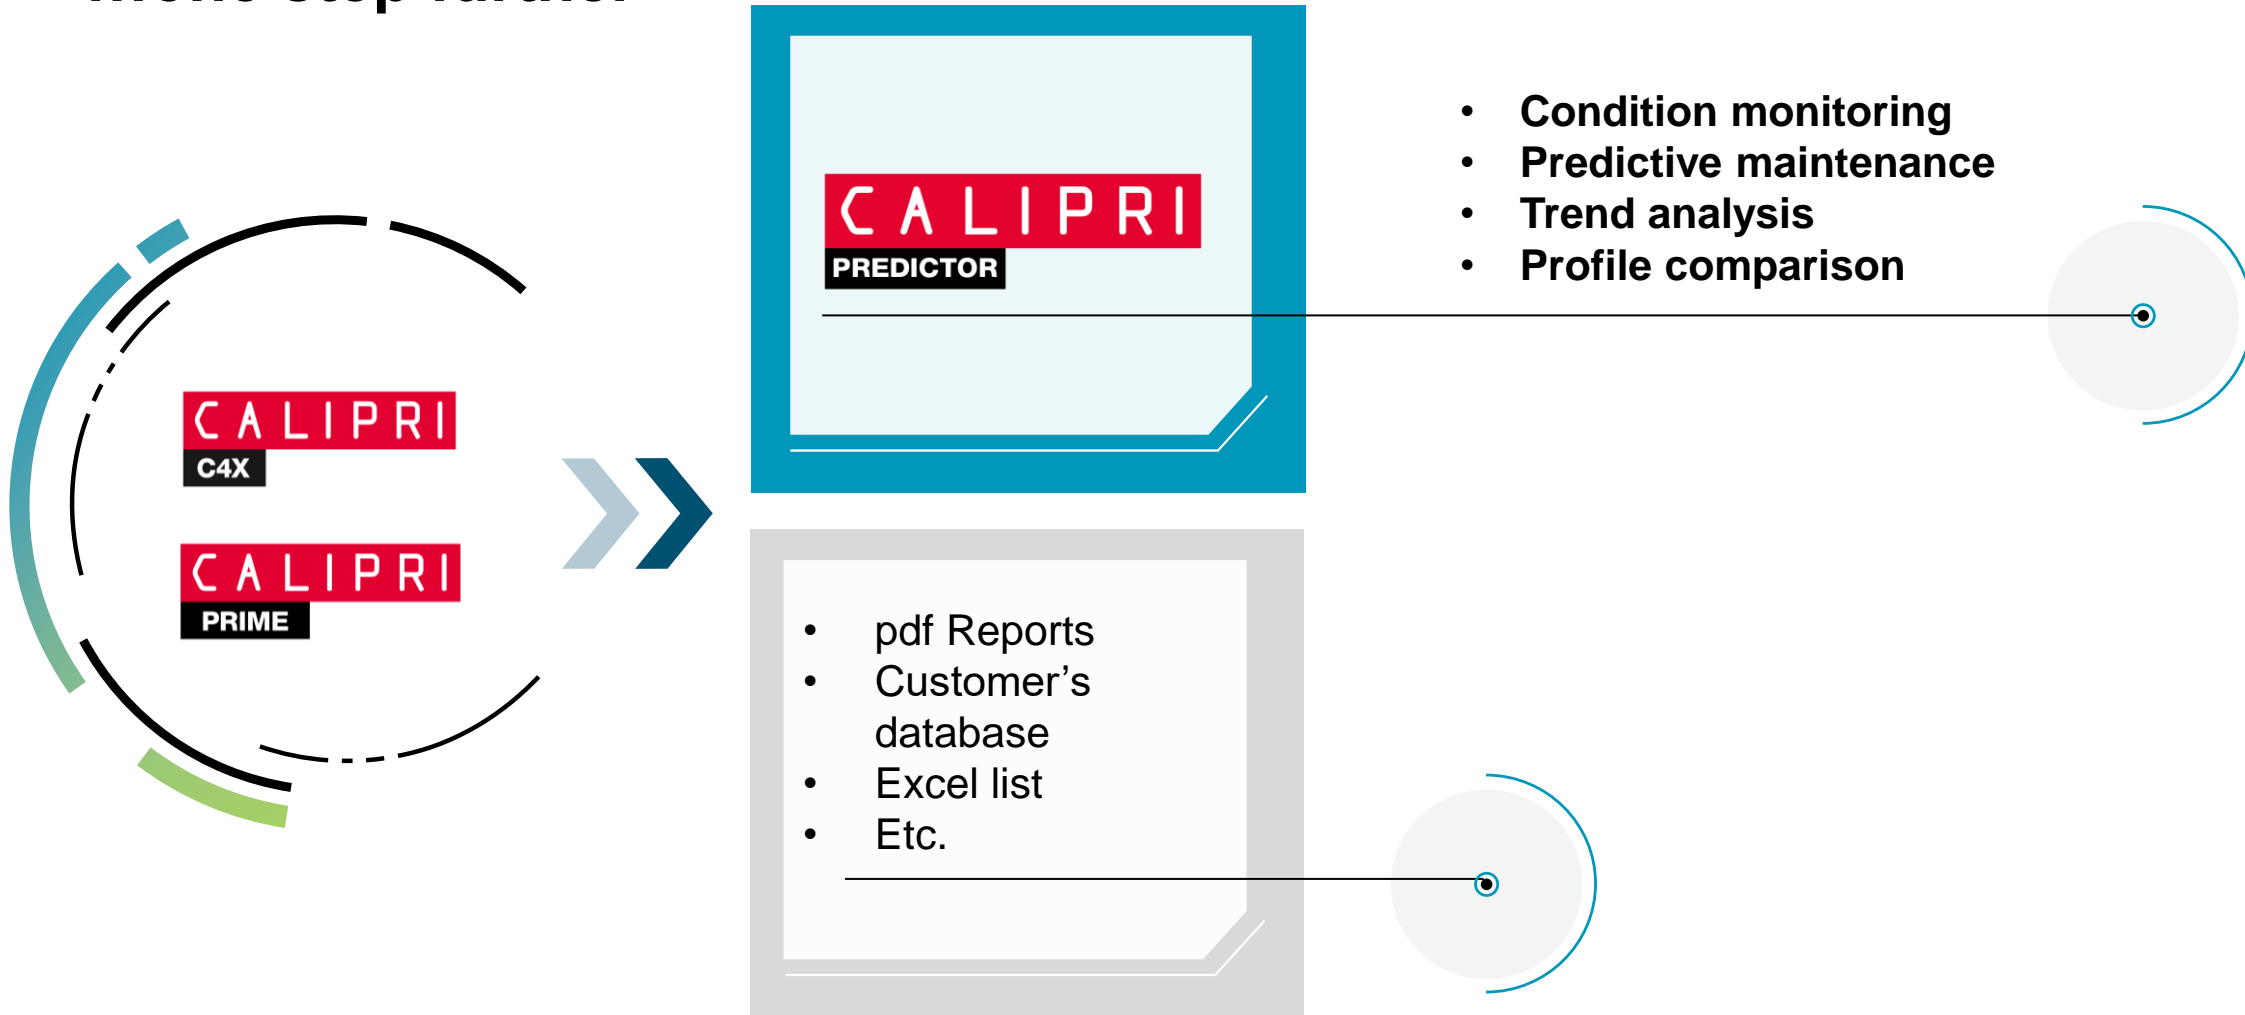

Increases
USER INDEPENDENCY

Saves
TIME & MONEY

OPTIMIZE YOUR DATA MANAGEMENT

...one step further
