# REVIVE WARRIOR SPEC SHEET

## Revive Warrior

As the Revive's first *new* unit, the Revive Warrior epitomises durable craftsmanship focused on longevity rather than upfront cost savings. Embodying uncompromising build integrity, this unit transcends the current market. The 'Warrior' has been engineered and assembled to withstand the rigours of intensive operation year after year in line with the Revive Group's commitment to sustainability.

This unit will also flow seamlessly into our Revive Program at the end of its life-cycle. Providing unparalleled longevity to our partners.

Revive

WARRIOR 12-3
