Dr. Uttam Siinghal is a young, dynamic, and distinguished business leader from India. He is the Group Managing Director of the TWI Group of Companies, Honorary Indian Consul to Georgia, BCAGC, India Ambassador for World Peace Nominee, KB Georgia, and a Brazil B20 Task Force Member for policy recommendations on Trade & Investment and Sustainable Agriculture. He was a Government of India Delegate for the 2023 G20-B20/S20/C20/T20. Additionally, he serves as a Delegate for India/Brazil 2024 G20-B20/S20/C20, a Speaker on National Logistic Policy, and an Independent Consultant with Government and allied agencies.

With a wealth of expertise in International Trade, Supply Chain Management, Transparency, and Logistics with Single Window Solutions, Dr. Siinghal brings his extensive knowledge to the forefront of his business ventures. Under his leadership, he oversees a diverse range of companies spanning Domestic and International Logistics, Freight Forwarding, Logistics Consulting, Trading & Sourcing, Venture Capitalism, Software Development, Hotels & Resorts, EV Manufacturing, and Stakeholding in various companies. He provides transparent and digital solutions to the entire supply chain through a single window.

Dr. Siinghal's journey began within a family business, Transport Wings (Cal) Pvt. Ltd, established in 1956. He has spearheaded numerous projects and initiatives contributing to his success in business. With the TWI Group of Companies, he has developed a sustainable and green business model, leveraging global networks, business acumen, and diversification strategies.
