A family of winegrowers who, with **foresight** and **passion**, have been able to revive the tradition and history of Ossola's wines, lifting them from the crisis that struck in the early 20th century when, due to phylloxera and other factors, farmers abandoned viticulture and the land.

Valli Ossolane

Since 1920, we have been the custodians
of the winemaking heritage of this territory.

We have always cultivated our vineyards using **environmentally respectful methods**, and within our wines are captured small fragments of our history, true expressions of a **unique territory**.

**2022 Nebbiolo Superiore Valli Ossolane
Prüment Vigna Fornace**

“The 2022 Nebbiolo Superiore Valli Ossolane Prüment Vigna Fornace is a new wine in this range. A powerful, youthfully tannic wine, the Vigna Fornace is going to need a few years in bottle to come together. It offers the aromatic lift of Valli Ossolane but with serious structure to back it up. I admire the wine’s textural depth and classic frame, qualities that are apparent with time in the glass.”

**2021 Nebbiolo Superiore Valli Ossolane
Prüment Diecibrente**

“The 2021 Nebbiolo Superiore Valli Ossolane Prüment Diecibrente is a powerful, dense wine. It deftly marries textural intensity and classic structure, a combination that is so appealing. Old vines confer gravitas and mid-palate texture. Dark red fruit. Cedar, sweet pipe tobacco, dried autumn leaves and incense build through to the finish.”

**2023 Nebbiolo Superiore Valli Ossolane
Prüment Vigna Fornace**

“The 2023 Nebbiolo Superiore Valli Ossolane Prüment Vigna Fornace is a gorgeous single-vineyard offering. It unfurls in the glass with beautiful dark-toned fruit, leather, licorice, menthol and sage. This potent Nebbiolo has a lot to offer. It’s decidedly on the more virile side of things. Brisk acids and potent tannins give this serious Nebbiolo tons of character. The Fornace delivers more fruit impact than the straight Prüment bottling, and maybe just a bit less finesse.”

**2023 Nebbiolo Superiore Valli Ossolane
Prüment**

“Deceptively understated, the 2023 Nebbiolo Superiore Valli Ossolane Prüment has a lot to offer. Macerated cherry, dried herbs, rose petal and mint give the 2023 its distinctive savory, earthy profile. This mid-weight Nebbiolo is typical of the nuanced style found in Domodossola. The expansive finish is quite attractive. This is a terrific showing.”
