NEB Facility Roadmap – R&I workstreams

Destination 1: Connecting the green transformation, social inclusion and local democracy

- The social impacts of the built environment
- The transformative potential of participatory practices and governance models
- Ownership and acceptability of change
- Social connections, sense of belonging and local democracy

Destination 2: Circular and regenerative approaches for the built environment

1. Materials and products
2. Sustainable designs, construction and renovation
3. Standardisation
4. Assessing the impact: metrics and evidence

Destination 3: Innovative funding and new business models for the transformation of neighbourhoods

1. New business models integrating sustainability, inclusion and beauty
2. Innovative circular supply chains
3. Market dynamics and conditions
4. Innovative funding models
