## CULTURAL MEDIATION: KEY PRINCIPLES

- Use of social research tools and participatory processes
- Fostering a just and sustainable future for communities by addressing socio-economic and environmental challenges ensuring the inclusion and empowerment of all voices, especially vulnerable groups.
- The support of initiatives that champion access to cultural rights, sustainability and inclusiveness will strengthen our communities.

### Our Philosophy and Strategic Pillars

- **Challenging Territory** as a space of exclusion through cultural interventions as a way to guarantee cultural rights and stimulate movement between city centers and peripheries.
- **Fostering Self-Representation** through creation of alternative representations and narratives that empower local residents to tell their stories.
- **Promoting Participation** of the community results into access to decision-making spaces that directly affect notions of citizenship.
- **Boosting Artistic Creation** as a capacity-building catalyst by activating the exercise people's cultural rights, offering pathways for personal and collective development.
