Global Ecovillage Network of Europe
leading network of sustainable communities in Europe

GEN EUROPE
GLOBAL
ECOVILLAGE
NETWORK

Active EU portfolio:

- RUDI (Horizon RIA) - DEC WP lead
- SOILSTICE (Horizon CSA) - Task lead capacity building and inclusion
- CHOICE (CERV) - Coordinator
- NEB.CONNECT (Creative Europe) - DEC WP lead
- Ecoprise (Erasmus+ Alliances for Innovation) - Task lead capacity building

Many member communities adopt the Living Lab method on topics like regenerative agriculture, soil regeneration, rural depopulation, community water management, and participatory governance

Experience and Contribution

GEN EUROPE
GLOBAL
ECOVILLAGE
NETWORK

OUR INTEREST

- Translocal embedding and scaling of community governance practice

OUR CONTRIBUTION

- Real-world co-governance and behaviour-change evidence from our network

PREFERRED ROLE

- Embedding and scaling partner

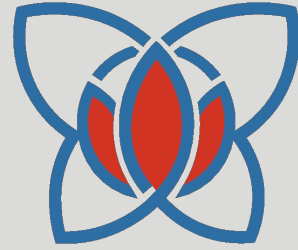

WE ARE LOOKING FOR

- A coordinator with a track record in the transformative-change biodiversity cluster
- A science-heavy ecological partner
