

Who we are

EAPC is Europe's leading professional membership organisation promoting accessible, high-quality palliative care wherever and whenever people need it.

What we are working on

We integrate palliative care into person-centred cancer care from diagnosis through research, policy, education, projects, expert groups and professional collaboration.

What's the one thing we need next

We need stronger national and global connections to advance innovation and deliver timely, effective palliative care for people living with cancer.

**5 years Mission Cancer:
Stronger Through Connection**

BRUSSELS

29 SEPTEMBER – 01 OCTOBER
