Our Story

At Conditus, we whip up delicious delicacies to sweeten your life! Founded in 2009 at the former restaurant near the Karawanks tunnel, we started our journey with the authentic Bled Cream Cake, a proud symbol of Bled cuisine for over 50 years. Every day, our team begins bright and early at 4:00 AM, preparing fresh Bled Cream Cakes to reach grocery shelves by the next morning. Each dessert is handmade and preservative-free, delivering pure, delicious goodness.

Treat yourself to a little sweetness today!
