

# EyeROV

Providing safer and efficient  
Inspections using Robotics and AI

## ■ ABOUT US

EyeROV focuses on providing safer, more efficient inspections using robotics and AI. Our Remotely Operated Vehicle (ROV), and Unmanned Surface Vehicles (USV) are highly effective tools that can be used in marine and surface applications. EyeROV is an ISO 9001, 14001 and 45001 certified company.

From a short  
span of 6 years  
We have achieved

**50+** Completed projects  
**350+** Field days  
**2000+** ROV Inspection Hours  
**12+** States projects
