AI-Powered Board Game Platform

Platform boardgamebot.ai is the future of board game databases, offering to the game fans community the following benefits:

Value For Backers & Publishers

1

Rich Information & Effective Game Search

2

Acceleration of Game Learning

3

Board Game Releases Monitoring

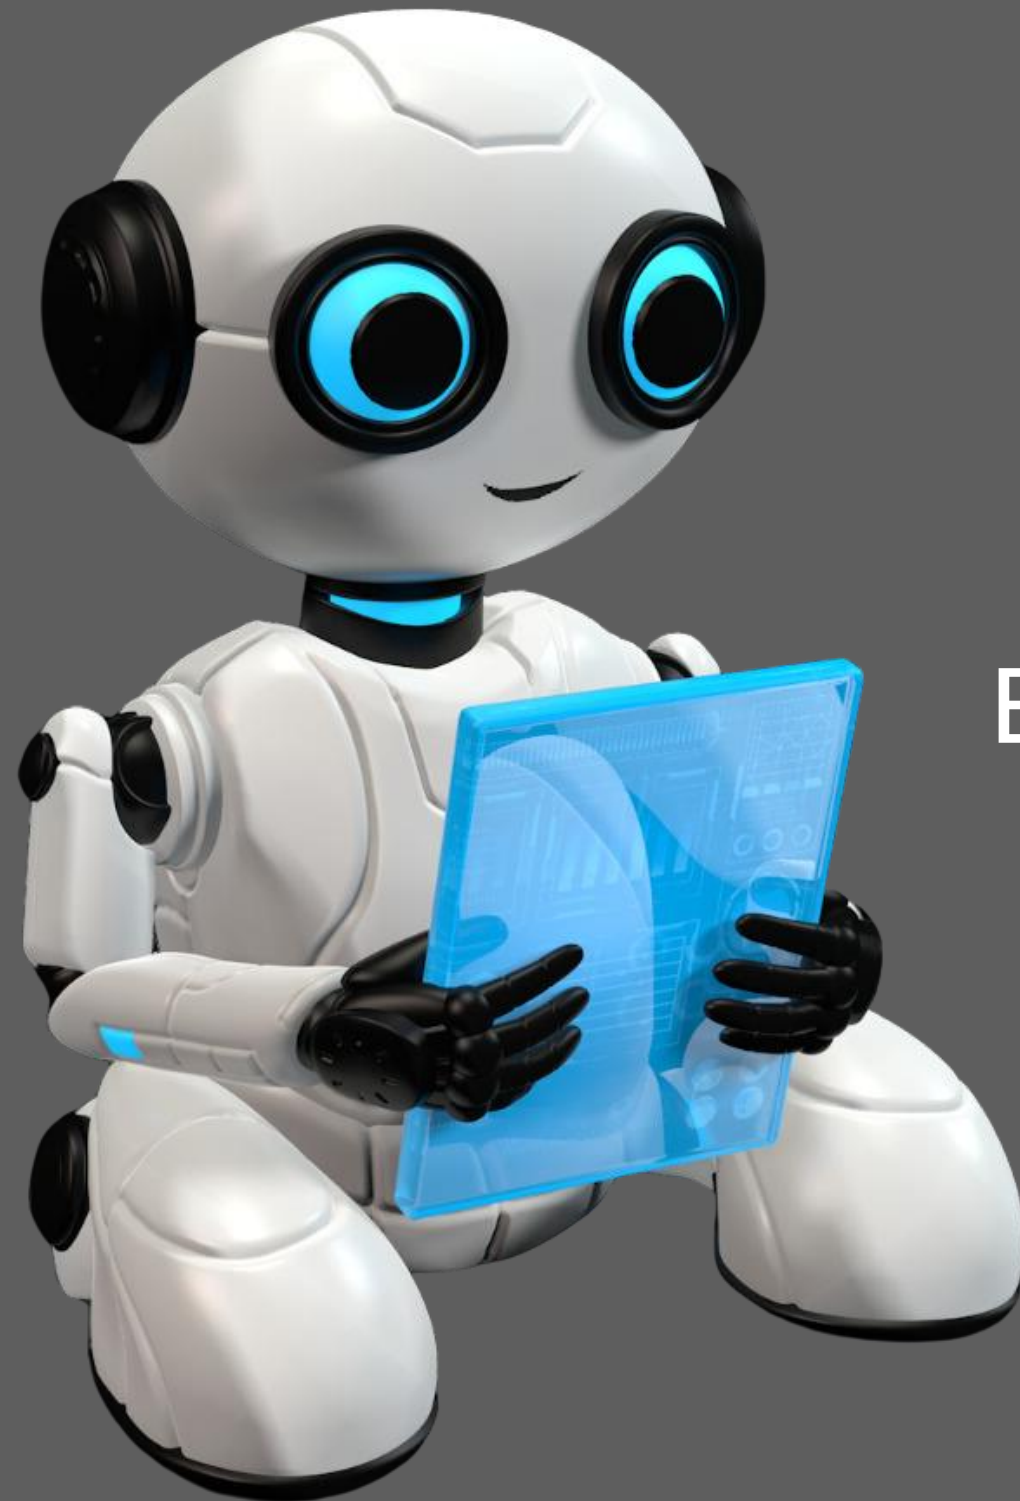

4

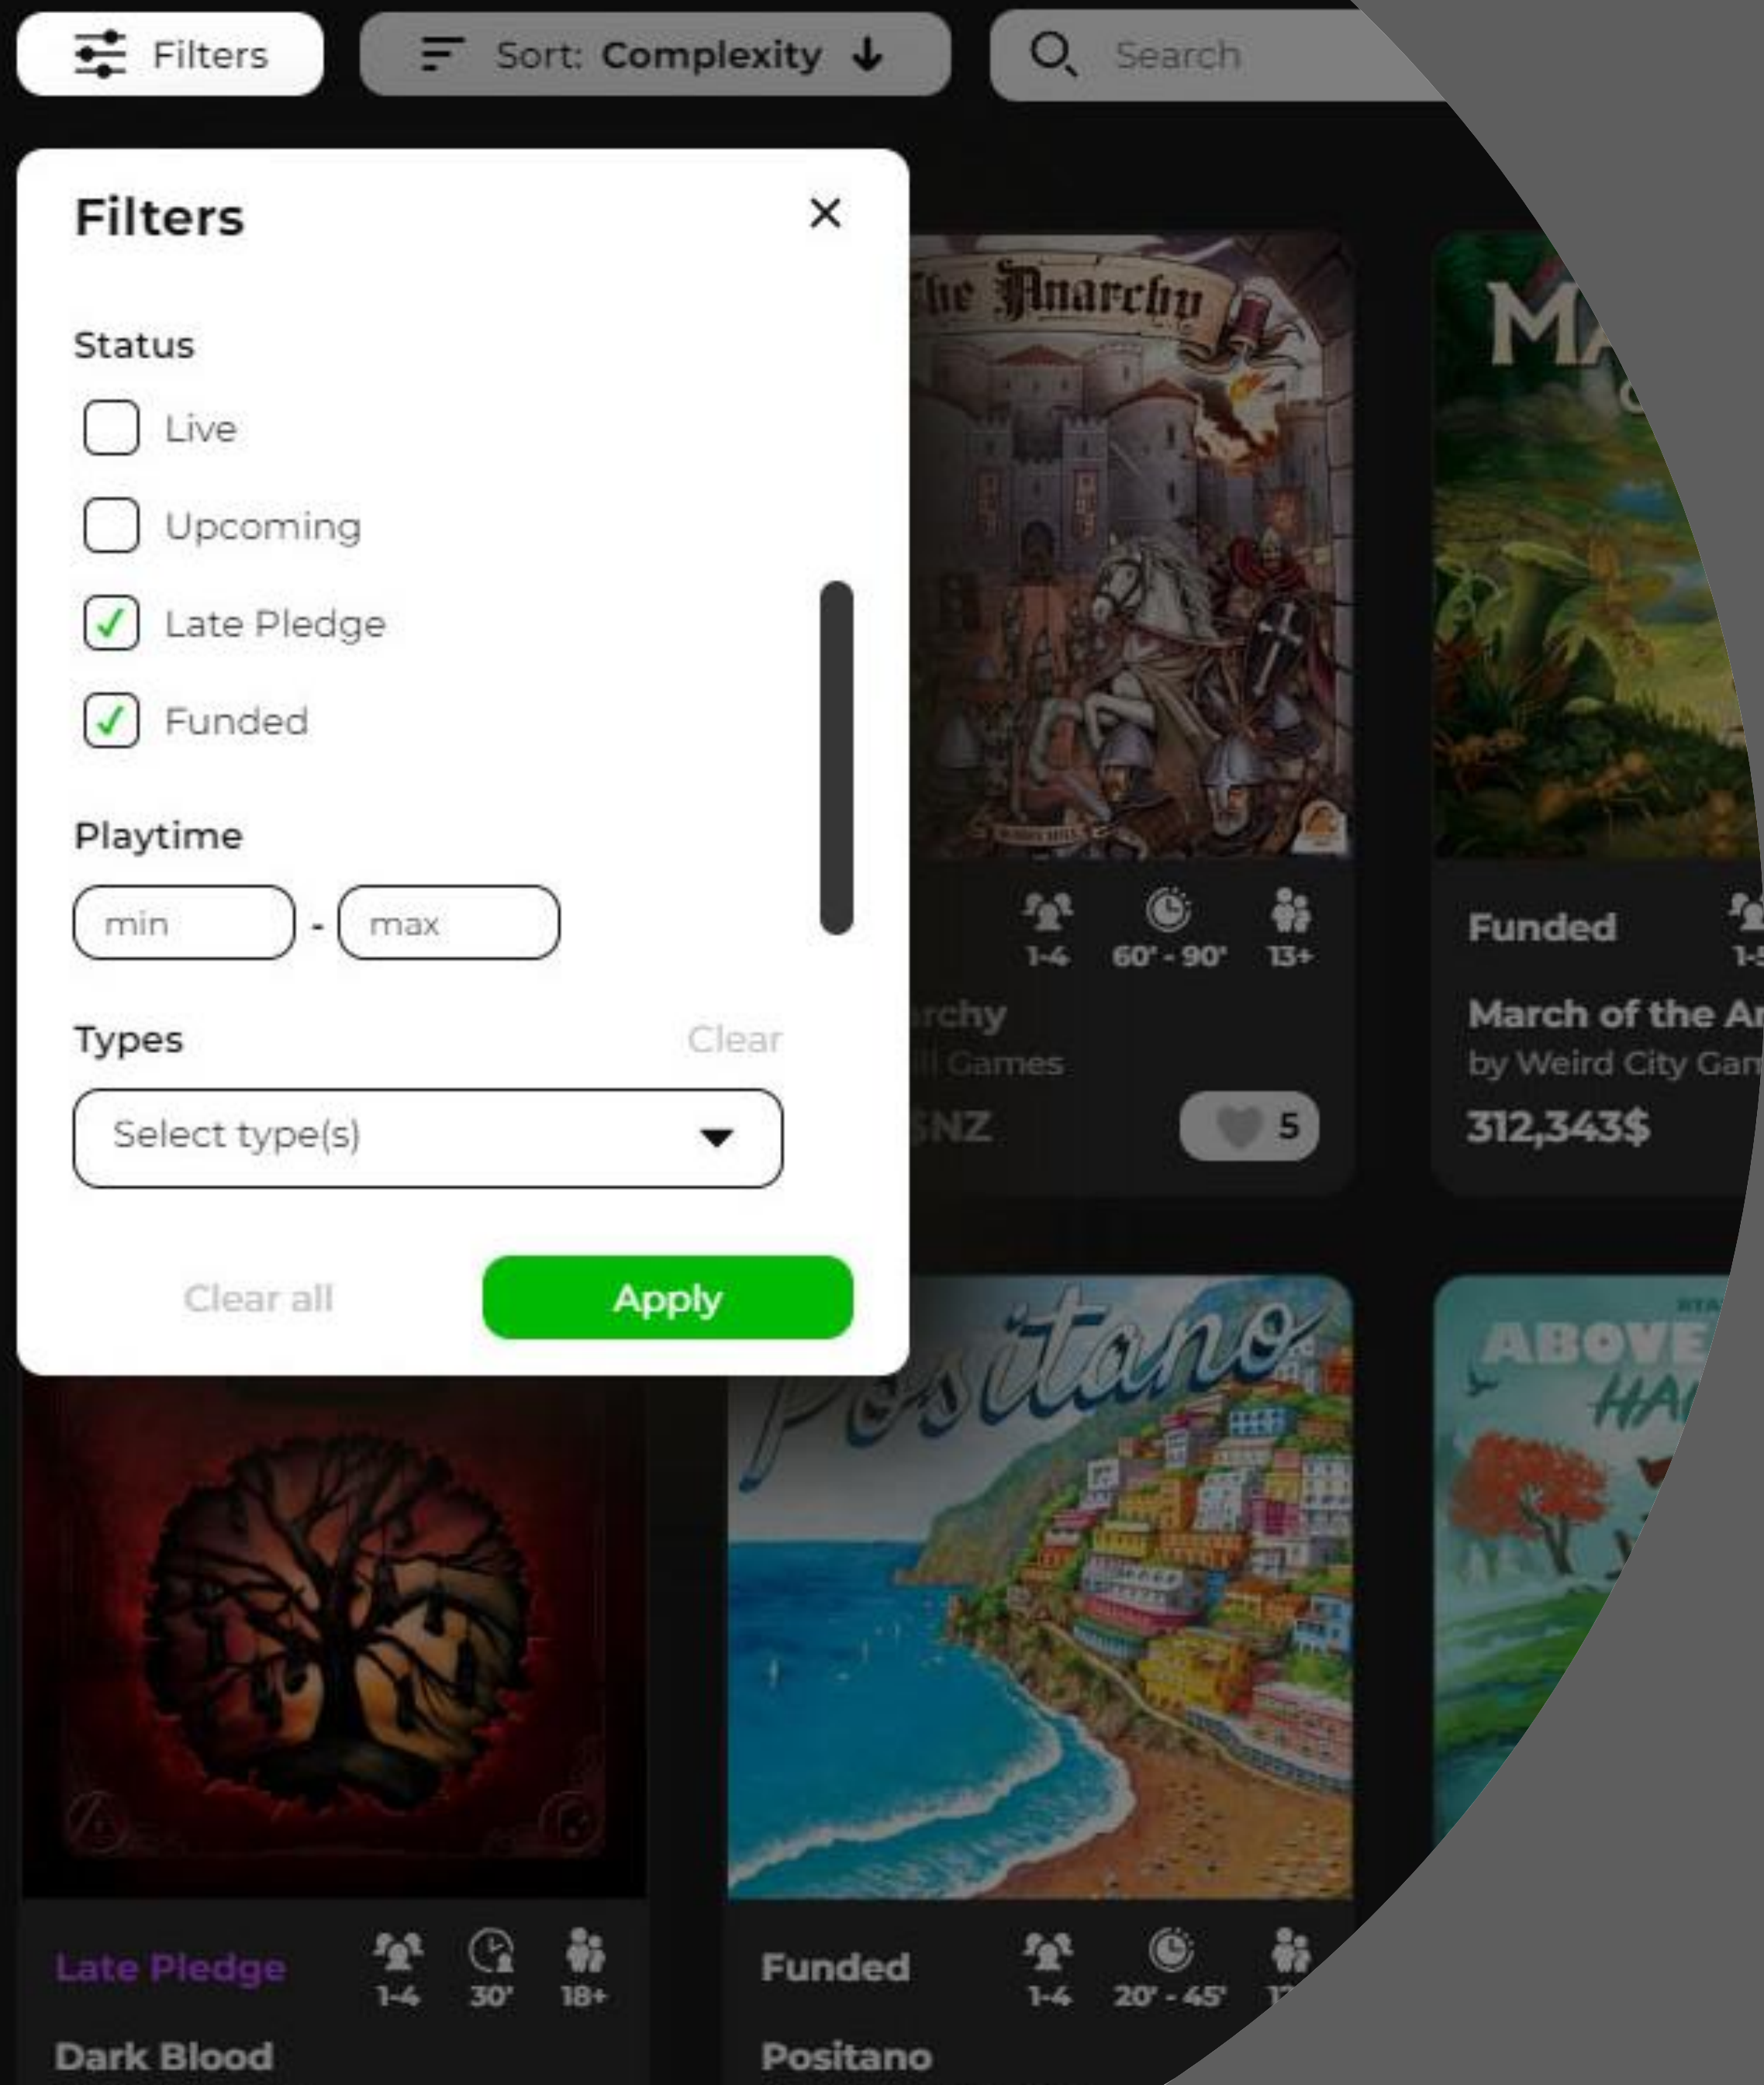

Giveaways

5

Self-managed Game Publishing

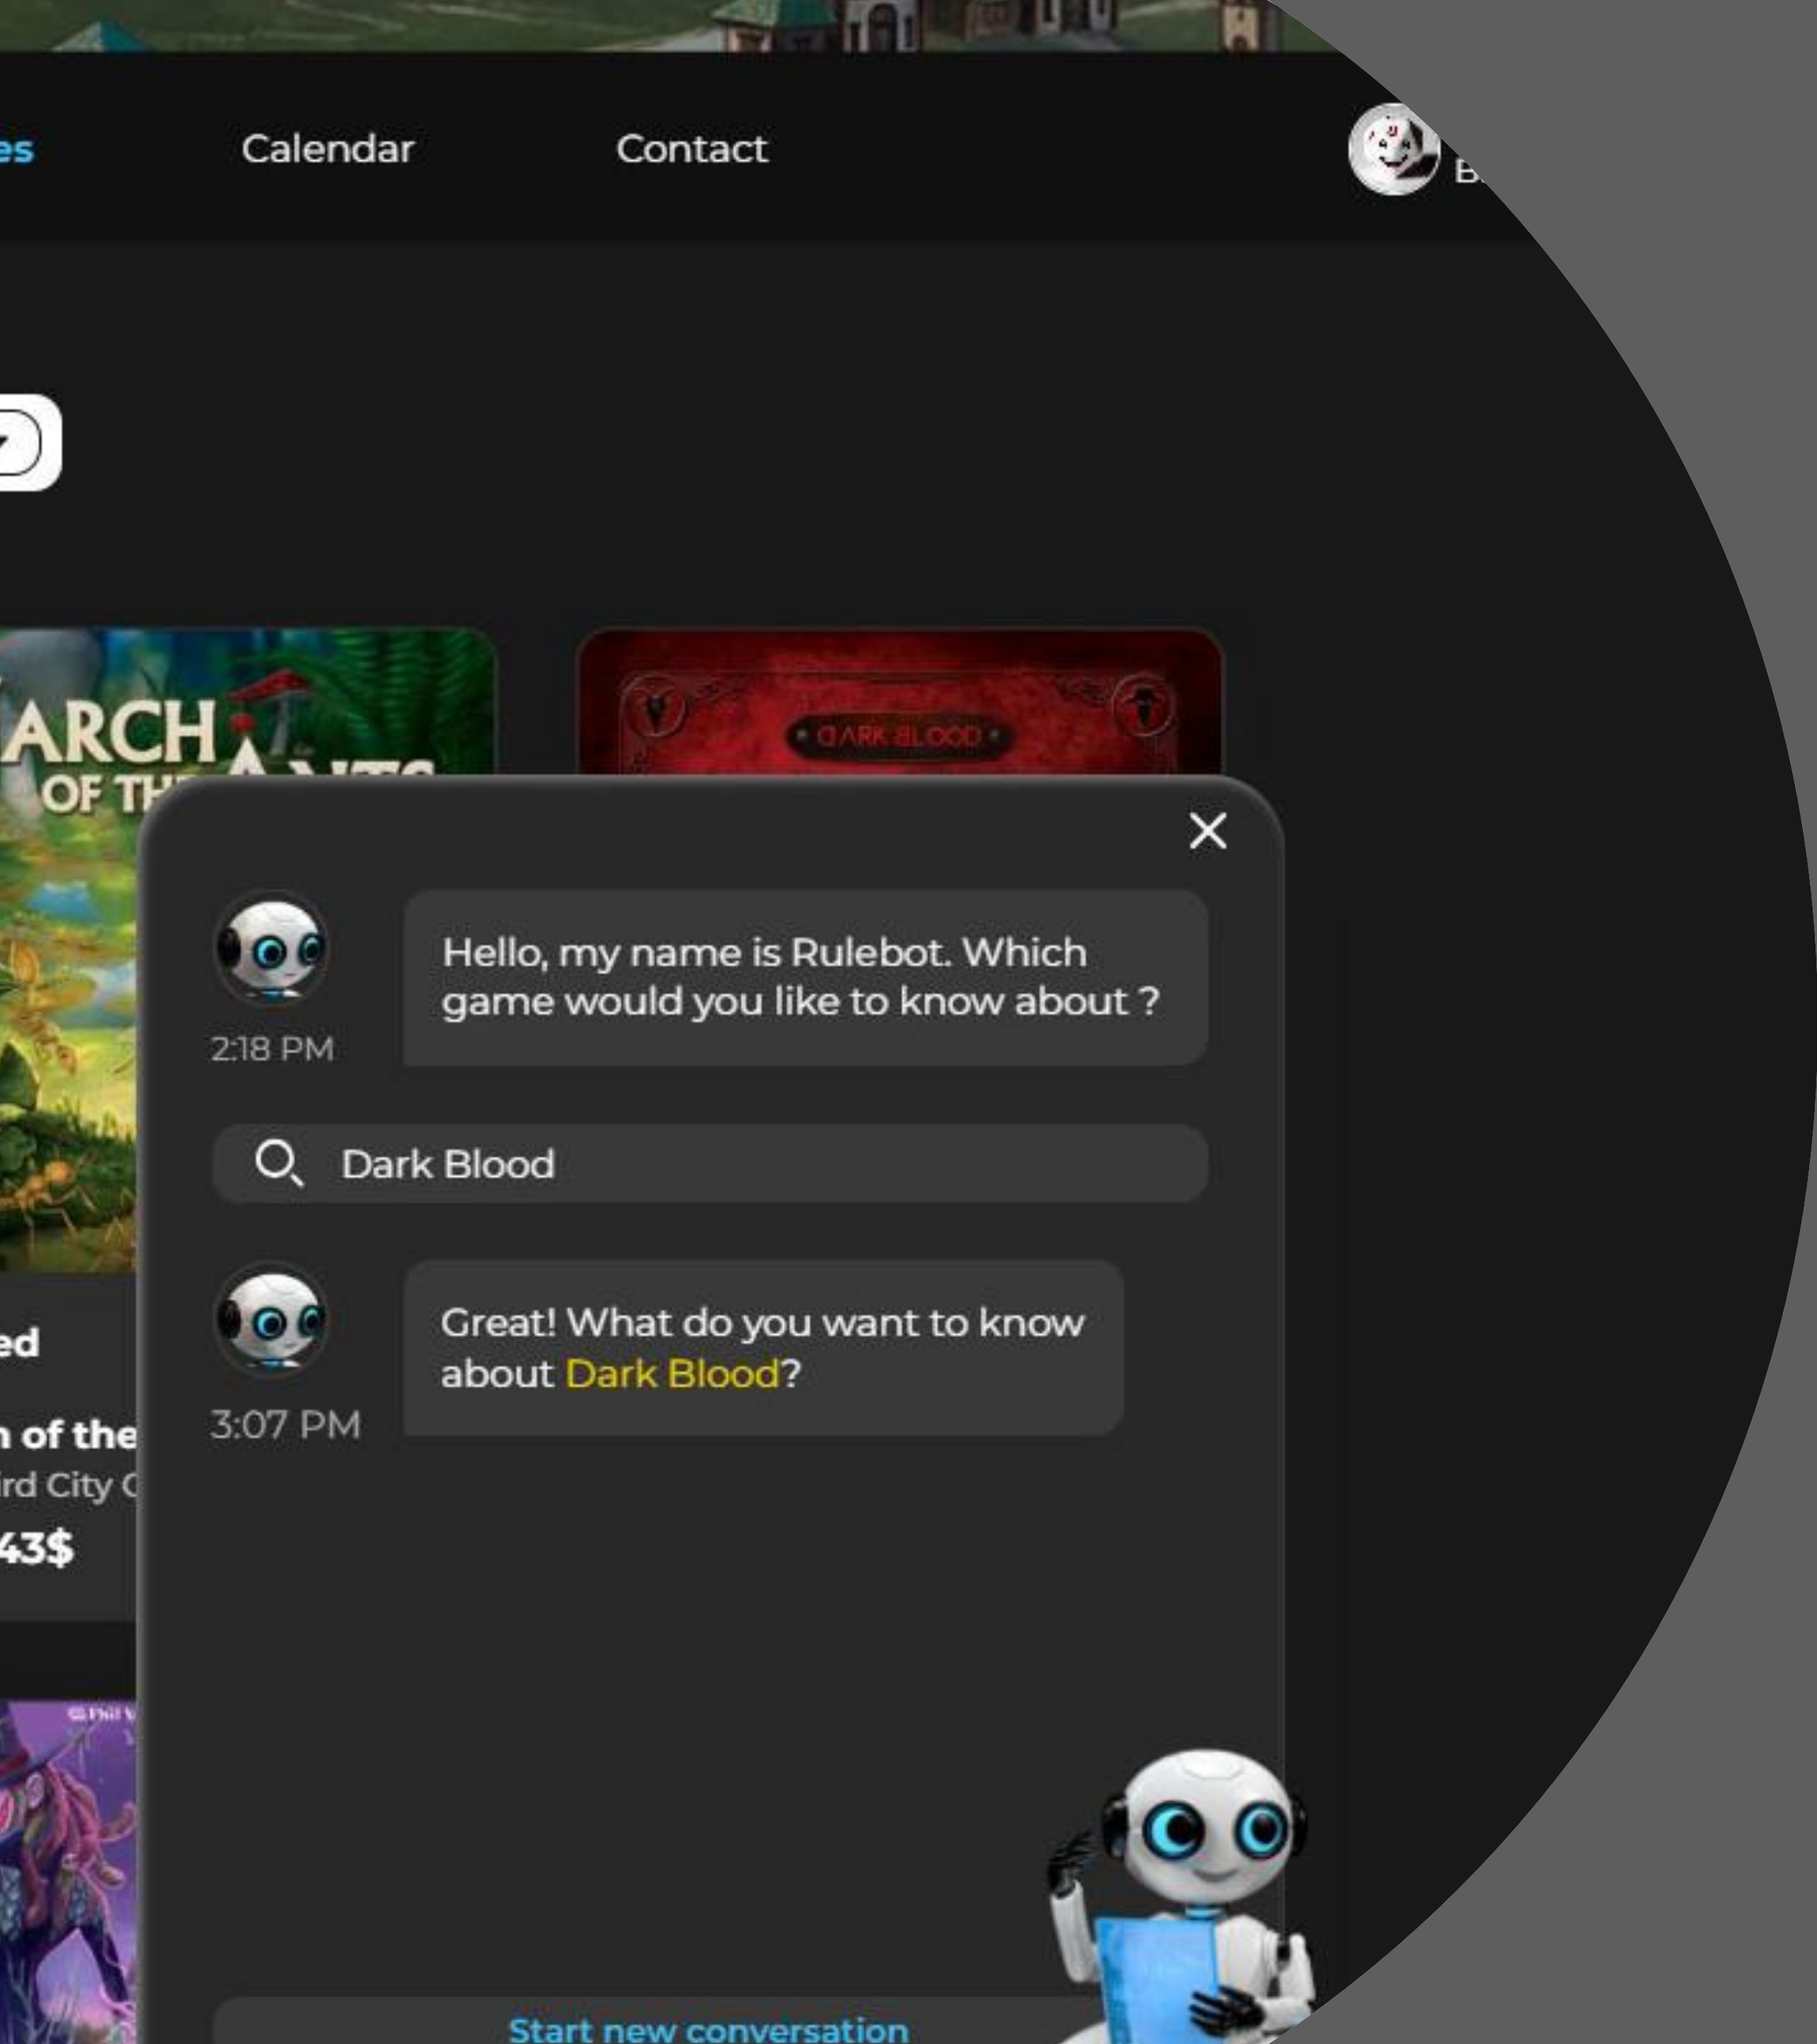

BENEFITS

Rich Information & Effective Game Search

Users can search for their ideal board game using **combined search filters** and **multiple sorting criteria**.

Search results are presented in rich information cards, enabling quick and easy evaluation of the search, based on the user's personal desires.

BENEFITS

Acceleration of Game Learning

Users can get **instant answers** to any:

- o rules,
- o strategy,
- o or gameplay questions

straight from **Rulebot**.

BENEFITS

Board Game Releases Monitoring

Each user has access to their **personalized crowdfunding calendar** to track both new and past releases.

by boardgamebot.ai

BENEFITS

Giveaways

The platform hosts a plethora of exciting
board game giveaways!

BENEFITS

Self-managed Game Publishing

Publishers can **easily manage the entire content** of their own entries and showcase their games the way they desire.

Become a Publisher

Here is what you need to host your game in boardgamebot.ai, **free of charge**.

A large, white, stylized robot head with large blue eyes and a blue book, positioned on the left side of the slide, partially overlapping the first step.

Rulebook

Submit your rulebook to **train the Rulebot**, along with any available strategy and errata guides.

1

Campaign

Enter a **link to your crowdfunding campaign**.
Choose between Gamefound and Kickstarter.

2

E-Shop

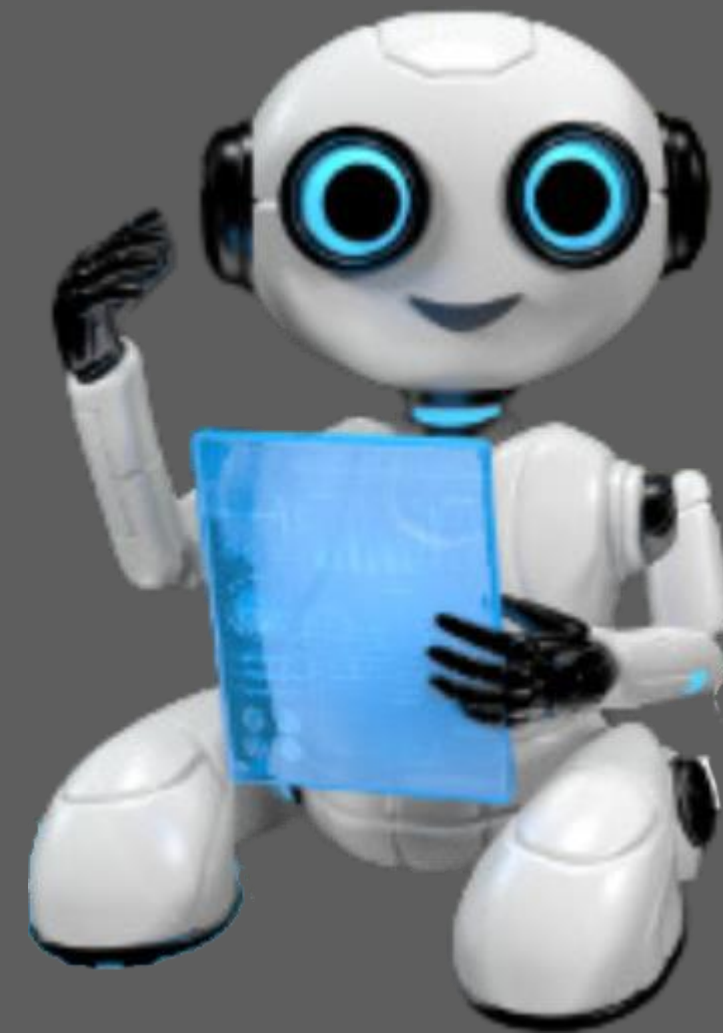

Include a **link to your e-shop** to get your game featured on boardgamebot.ai and drive high targeted traffic.

3

Early Adopters

- Send us NOW your **rulebook**, **guides** and **links** to your campaign and e-shop to info@boardgamebot.ai to become an early adopter!
