# OUR MISSION

**We help businesses worldwide grow implementing the best IT-solution**

# OUR VALUES

1

We are a fast IT helpdesk dedicated to your success and results.

2

Trust and security are a right, not a privilege.

3

Every client is valuable, heard, respected, and understood.

4

Our team works efficiently and attentively to address your needs.

5

We support young professionals as an employer

# ABOUT COMPANY

Taurus Quadra is a software development company specializing in the planning, design, implementation, and migration of SharePoint, Microsoft 365, Dynamics 365, MS Project, Azure, and Power Platform solutions.

The company was founded on April 14, 2011.

Taurus Quadra has evolved from a local IT service provider to an international company with offices in several countries, actively supporting young professionals and fostering their professional growth.

With over 14 years of experience and more than 235 projects completed across the US, Europe, and Ukraine, we bring deep expertise in corporate portals and business app development.

# OUR SERVICES

## MICROSOFT 365 DEVELOPMENT

Streamline workflows and optimize business processes using tools like SharePoint, Power Automate, Power Apps, Teams, Azure, and Microsoft Dynamics 365.

Focus on innovation while automating repetitive tasks and simplifying document management.

## SHAREPOINT MIGRATION SERVICES

- **Online Migration:** Seamlessly transition SharePoint solutions to the cloud without interruptions.
- **On-premises Migration:** Ensure a smooth, secure migration with our experienced team.
- **Upgrades to Latest Versions:** Enjoy hassle-free upgrades with optimized performance.
- **Hybrid SharePoint Migration:** Combine on-premises and cloud deployments for maximum flexibility.

## POWER APPS AND POWER AUTOMATE

- **Custom Development:** Build solutions tailored to your business workflows.
- **Integration Processes:** Link apps with data sources and convert legacy formats to Office 365-compatible ones.
- **Reliable Support:** Get post-implementation support and assistance for smooth adoption

# WHY CHOOSE US?

## TRUST

Clients trust us because we are reliable, understanding, and prioritize their needs. Being a safe and responsible partner is our top priority.

## COST-EFFICIENCY

Save time and money with experienced, multitasking specialists or entire teams. Our American company blends Ukrainian roots with European expertise.

## SIMPLICITY

Easy and quick negotiations allow you to focus on your project, not lengthy discussions.

# OUR TARGET MARKET

## Ideal Client

- Age: 30–55 years, C-level executives, IT directors.
- Location: USA, Europe (Lithuania, UK), Ukraine.
- Business Size: Small and medium enterprises (50–500 employees).
- Needs: Business process automation, implementation of Microsoft solutions (SharePoint, Dynamics 365, Azure).

## Market

- Size: \$530 billion (IT outsourcing), \$5.2 billion (SharePoint).
- Growth: ~10% annually (through 2030).

## Potential Clients

- Businesses adopting cloud technologies.
- Companies requiring customization and integration of Microsoft solutions.
- Organizations aiming to optimize costs through outsourcing.

# OPERATIONAL APPROACH

**Supply Chain:** Qualified specialists from Ukraine, the USA, and Europe, utilizing Microsoft solutions (SharePoint, Dynamics 365, Azure).

**Service Delivery Process:**

- Business needs analysis.
- Design of tailored solutions.
- Development, implementation, and support.
- Flexibility through Agile methodology.

**Quality:**

- Regular certification of employees.
- Multi-level testing.
- Implementation of European standards.
- Continuous feedback from clients.

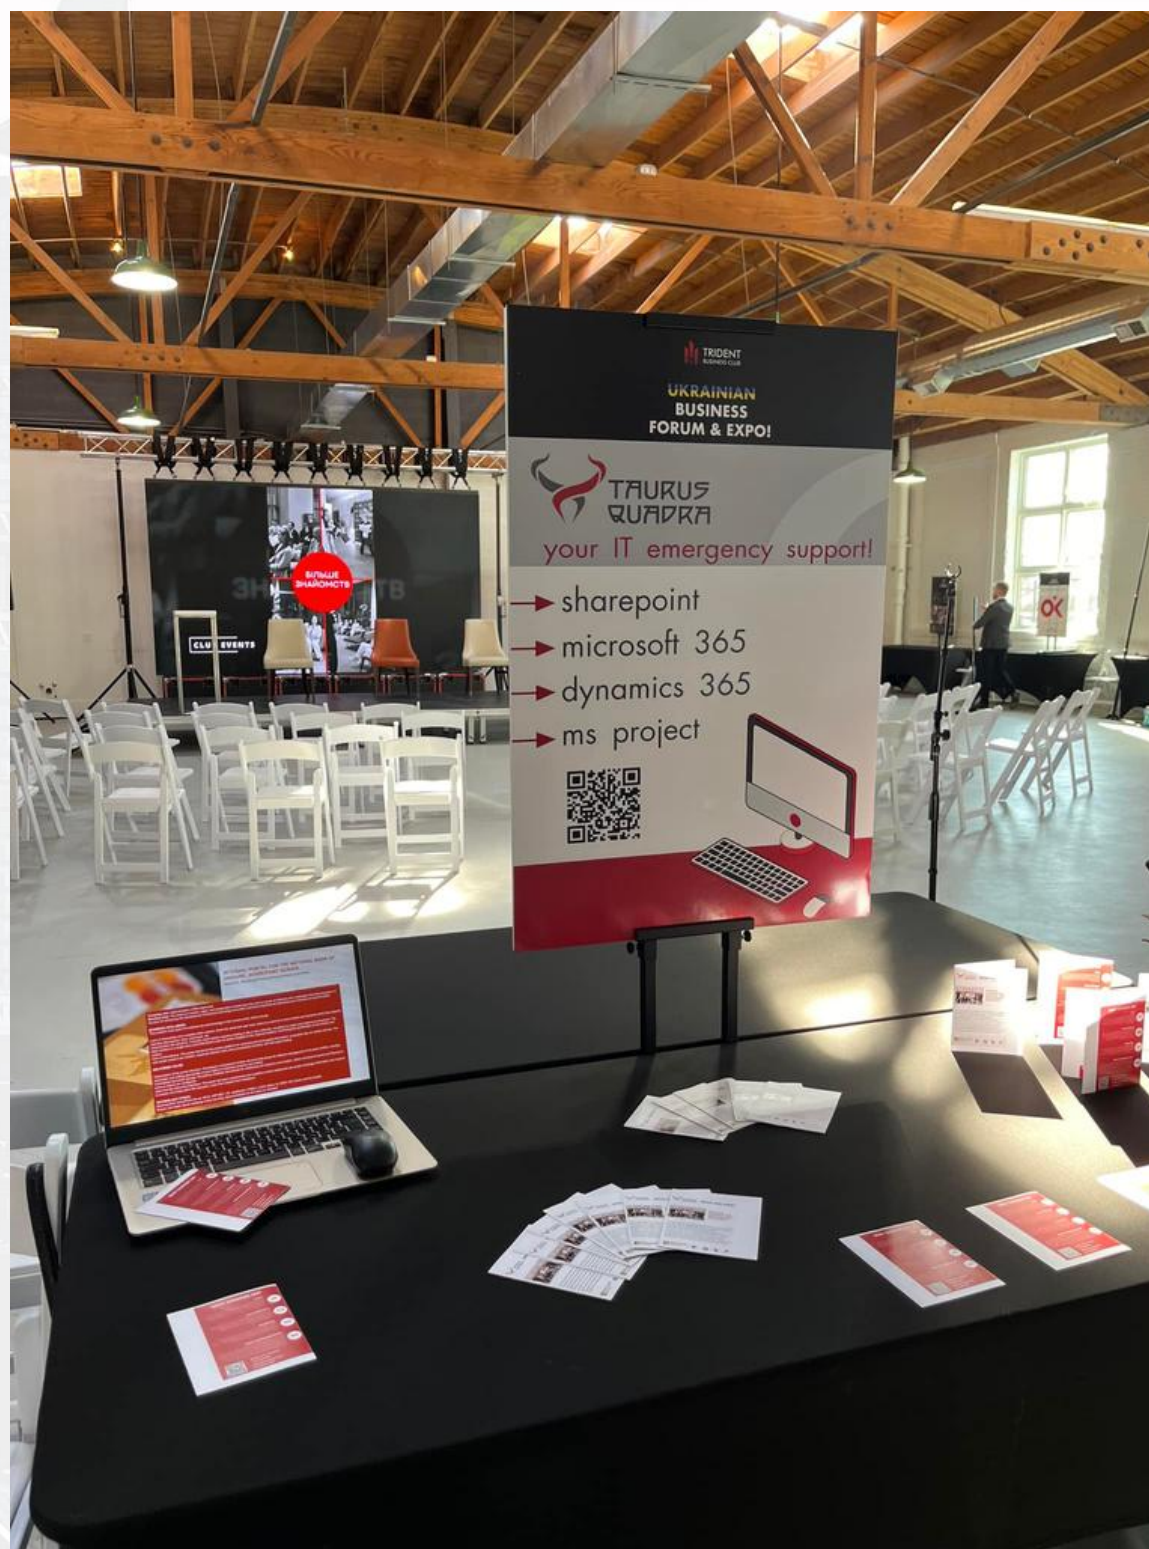

**Goal: Reliable, personalized IT solutions focused on efficiency.**

# OUR PORTFOLIO

- Achievements and Recognition
- Awards or honors received by the business.
- Testimonials from satisfied clients or partners.
- Mentions in the media or highlighted press releases.

# FUTURE VISION & GOALS

**Expanding Microsoft Solutions:** Focused on SharePoint, Dynamics 365, Azure, and Microsoft 365, we continue to offer innovative, tailored services.

**Growth & Innovation:** Our goal is to strengthen partnerships and expand our client base, enhancing Microsoft investments for business performance.

**Vision:** To become a leading provider of Microsoft-managed services, empowering businesses to optimize technology and achieve operational excellence.
