

SOLUTIONS AND EFFECTS IN THE SPIRIT #WECARE

Eurolink is a modern employment agency (cert. no.: 23558) operating in the human-to-human approach, consisting of excellent recruitment experts from **Poland, Nepal, India, Vietnam, Ukraine, Belarus.**

#WeCare

For our clients, we face all the recruitment **challenges** of the modern labor market. We approach the business of employees and candidates applying to us with equal care and attention to detail. Thanks to our approach and the solutions we propose, our clients' management of capital, which are people and their engagement, **becomes trouble-free**.

We support business

- Permanent recruitments.
- Employment of foreigners under temporary work conditions.
- Legalization of work and stay of foreigners.
- Temporary recruitments, i.e., employee leasing.
- Cost optimization by reducing payments to PFRON by up to 100%.
- HR and payroll services.
- Data reporting and in-depth analysis.

The most important rule is 24-7-14

In our agency, we minimize the time-to-hire to the necessary minimum.
In just 14 days, we can provide the client with up to 20 workers per week.

Numbers a speak louder than words

8680

people have found work with us in the last 2 years.

1507

people are currently on our payroll

31

clients use our temporary workers

They are among those, **who have trusted us**
