Osman Fevzi Efendi

The **Bursa Chamber of Commerce and Industry** (BCCI) was established on 6 June 1889 through the initiative of Osman Fevzi Efendi and the business community of Bursa.

BCCI commenced its initial activities at **Koza Han** and has been carrying out its operations with all its units at its new service building located in the **Bursa Organized Industrial Zone** since 1999.

With nearly **60,000 members**, BCCI is one of Türkiye's largest chambers of commerce and industry, and continues to play a pioneering role in the development of trade and industry through its **deep-rooted history and strong institutional structure**.
