A brief introduction

‘Theo’s Garden’ is a newly formed company that has been certified by the European Union as a producer and packager of organic products. Our products are produced according to specific stringent parameters which are defined by European legislations and deal with producing, processing, and trading them. EU-approved organizations are responsible for checking and certifying our products, ensuring that they are up to par with these particular parameters.

Our company’s vision is a future filled with natural products, free of additives and preservatives, 100% derived from nature in as natural a way as possible. The main target we have is to help our consumers find their way back to their roots, back to nature!

Passionate about nature, and all that nature produces naturally!

We produce and package organic products such as:

- Dried herbs
- High quality extra virgin olive oil and green olive oil, from early immature olive crops, and
- High quality black and green olives in a variety of processed forms and packaging.

Teo Ice tea Organic Herb Infusion

Teo tea is an ice tea infused with organic herbs and can be more than simply refreshing. It is healthy, revitalizing and, most of all, beneficial for our well-being. Having this in mind, our company 'Theo's Garden Ltd' started the process of researching the domestic market to ascertain whether there was ground for developing and producing such a product. And it was with great satisfaction that we realized we had been the first to come up with such a commercial idea.

Teo Ice Tea is completely produced in Cyprus with organic herbs picked from our natural habitat and only includes 100% naturally-derived sweeteners, with no sugar additives. It is a deliciously cooling, beneficial drink which leaves you with a pleasant aftertaste.

The product has a 15-month shelf life and can be consumed within that year. After unsealing it, one needs to preserve it in the fridge for 4 days before discarding. It is best to drink it iced in order to bring out the best of its taste.

The processing plant where the tea is produced is ISO certified, which covers the production and packaging procedures in every aspect. Every production session is registered on the packaging with the general code DOY (day of the year) -LOT001, where 001 is the first day of the year.

The bottles are packed in paper packs with each package containing 12 individual bottles. Each bottle weighs 460 gr and up to 150 paper packs can be stacked on a standard-size industrial pallet.

The tea comes in three tastes, and we recommend that you try all three, which are as follows:

PRODUCT TECHNICAL SPECIFICATION

GENERAL INFORMATION	
Product Name	Teo Sideritis – Mountain Tea with Lemon 275ml

PRODUCT TECHNICAL SPECIFICATION

GENERAL INFORMATION	
Product Name	Teo Organic Geranium and Mint with turmeric 275ml
Product Legal Name	Soft Drink Organic Geranium and Mint with turmeric 275ml
Label Bar Co	5298001510146
Country of Manufacture	Cyprus
Date of Issue	01/9/2021
Revision Number	2
Prepared By	Charis Christoforou

PRODUCT DESCRIPTION	
Product Name	Teo Lavandula and Sage with Mango 275ml
Product Legal Name	Soft drink with Lavandula and Sage with Mango extract
Net Weight: 275ml	Gross Weight: 460gr
Units/Case: 12	Cases/ Pallet: 150 – Euro pallet
Shelf Life from Production Date AND specify how to read it DD.MM.YY or MM.DD.YY	15 months from production date Best Before End: Day, Month and Year eg. EXP 01/09/21
Product Core Temperature	5°C – 30°C
Delivery Temperature	5°C – 30°C
Storage Temperature	Ambient
Storage Conditions After Opening	Keep refrigerated
Shelf Life After Opening	Once opened, keep refrigerated and consume within 3 days
