WHERE BUSINESS MEETS PLEASURE

At the junction of the city and pristine nature, you will find the comfort of elegant hotel rooms, an indoor pool with a beautiful landscape view, indoor or outdoor parking, the coziness of the Robin restaurant, the A2 bistro, and refreshments in the bar. Every carefully planned detail is a part of our new mosaic. “All-in-one” is our new synonym. This is our new Four Points by Sheraton Ljubljana, located in nature's warm embrace.

Sustainability is one of the guiding principles of our hotel represented by our Robin, a trademark of the hotel. The immediate vicinity of the unspoiled forest only reinforces its coexistence with nature. We are located at the crossroads of all major traffic roads. All major European cities, natural and cultural sights are close at hand. The hustle and bustle of the city center can be reached within a few minutes' drive. The large free car park in front of the hotel only reinforces our concern for your comfort.
