

**MiNDS**  
COACHING & CONSULTING

Leadership Company

Leadership company MINDS Coaching & Consulting helps organisational leadership and teams create a sustainable company culture where people thrive. And profits grow.

## / Who we are?

### WE PARTNER WITH LEADERS TO FOSTER EVOLUTION

We assist executive-level leaders with their self-actualization, self-awareness, leadership effectiveness, and work-life balance in order to empower them to catalyze transformation and meaningful changes within their teams and organisations.

**“** *We are quite assertive to stand out as an authentic voice providing leadership solutions, transformational learning and career enhancement. Our focus is always on excellence, tangible benefits and results.*

Iryna Vilgash,  
Founder of MINDS C&C / Qualified ILM Level 7 Executive Coach

## / What we do?

### WE ENABLE A HIGH-PERFORMANCE ORGANISATIONAL CULTURE

We are professional partners for organisational leadership and teams boosting their organisational performance and fostering employee engagement to drive positive outcomes within their organisations, specially, in the face of complexity and uncertainty.

WE HELP LEADERS WITH EFFICIENT SOLUTIONS IN GLOBAL EDUCATION

Minds C&C provide guidance on:

- International MBA courses
- International Masters
- Internationally-certified business training programmes whatever a field
- Stand-alone courses relevant for today's leaders.

We have partners in the postgraduate education from the USA, Canada, the UK, Ireland, Germany, Spain, the Netherlands, Malaysia, and other countries ready to help you grow.

## / What makes our services different?

- MINDS Coaching and Consulting, based in Kyiv, Ukraine, well-positioned for global collaboration.
- Iryna Vilgash has coached senior managers and entrepreneurs to establish their businesses across the globe from Canada to Silicon Valley.
- We have experience at working with the C-suite, diplomats and civil servants, NGOs and corporate bankers.
- We have been best equipped to participate in global tenders and contribute to recovery and reconstruction of Ukraine in the landscape of the international rebuilding sector.

MINDS C&C Helps Leaders to Make their NEXT Big Breakthrough Happen
