

Organic wine vinegar with green walnut macerate

Walnut vinegar has a unique flavor, the result of a clever blend of a wine vinegar carefully selected by us to harmonize with our green walnuts. Our vinegar gives off a subtle and delicate fragrance.

By cooking, its taste qualities make it an excellent choice for seasoning salads, roasted vegetables, for marinating meats and fish, or even for deglazing cooking juices, adding a rich and complex taste dimension to your dishes.

Product ready for consumption.
Store at room temperature. Avoid thermal shock.
