# WHO WE ARE?

At Scuti, we focus on turning innovative ideas into practical solutions. With expertise in Fintech, Blockchain Technology, Mobile/Web applications, and enterprise-level solutions, we specialize in transforming concepts into functional applications. Our mission is to deliver practical and effective technological solutions that work in real-world applications.

# OUR STORY

Founded with the mission to empower businesses through digital transformation and bring cutting-edge technologies to your reality, Scuti is dedicated to being an extension of your company, not just another outsourcing firm. We seamlessly integrate our top-tier programmers and technologists into your existing teams, ensuring that our collaboration feels like a natural part of your organization.

## Novi Sad

Our HQ is located in Novi Sad, a close-knit, family-oriented city that embodies everything we represent. As the tech hub of Serbia, Novi Sad provides the perfect environment for innovation and growth. With a worldwide outreach, we ensure we are well-connected to you, wherever you are.
