# ABOUT BG2V

**BG2V** is an independent French business law firm created in 2010.

BG2V is **composed of more than 60 lawyers, including 16 partners, all of whom come from major Parisian business law firms**, and offers its clients a comprehensive range of business law services.

**Recognised for their skills and commitment**, the partners and their teams are active in the following areas: real estate, M&A and private equity, tax law, companies in difficulty, intellectual property/new technologies, litigation, commercial law, criminal law and employment law.

A combined practice of **advice** and **litigation** gives BG2V's lawyers a transversal vision of their respective practices, which is decisive in offering an effective response to their clients.

**BG2V** is a member of **IR Global**, an **international multidisciplinary professional services network**, which advises companies and individuals in 150 jurisdictions. **BG2V** is the French representative of **IR Global's real estate, mergers and acquisitions and litigation sections**.

# OUR VALUES

01

Result-oriented culture

Legal practitioners with a strong economic culture. The search for effective operational solutions guides our approach.

02

Trust

A cardinal value of our firm, it unites our team and is essential to the development and expression of everyone's skills; the essential cement of the relationship that binds us to our customers.

03

Commitment

Our commitment is expressed through total availability and a strong fighting spirit which guarantees our clients the best defence of their interests, both in advice and in litigation.

04

Flexibility

We are attentive to situations and flexible in our approach. Reactive and creative, we offer our clients tailor-made services, in line with their environment and challenges.
