

# Carinthia innovates.

Lakeside Park Klagenfurt  
Carinthia, Austria  
20 May 2026

## Conversation sparks Cooperation, Cooperation drives Co-Creation

The conference welcomes national and international companies and entrepreneurs interested in Carinthia's dynamic economic and research landscape. It aims to showcase Carinthia's strategic approaches to business and innovation, while providing valuable networking opportunities. The event offers a unique platform for exchanging ideas, promoting innovation, and strengthening collaboration between research and business.
