Phoenix Learning Partners Ltd

UK SME for industry engagement, market validation, skills, exploitation and innovation uptake

We help technical R&I consortia connect innovation with industrial users, markets and the capabilities required for deployment.

WHAT PLP CAN CONTRIBUTE

- Stakeholder, ecosystem and value-chain mapping
- Industry and end-user engagement
- Market, user and needs validation
- Pilot/adopter recruitment and mobilisation
- Skills and capability-needs analysis
- Exploitation, adoption and market-uptake support
- Cross-border partnership and sustainability pathways

RELEVANT 2027 TOPICS

MAT-PROD-06	Circular innovative advanced materials: design to markets
MAT-PROD-03	Factory processes and automation for de- and re-manufacturing
MAT-PROD-22	Advanced materials and processes reducing critical/strategic raw-material dependencies
MAT-PROD-02	Advanced manufacturing for key products

WHAT WE ARE LOOKING FOR

Coordinators and consortia with strong technical R&I capability seeking a UK SME partner to strengthen industry engagement, market validation, adopter mobilisation, skills/capability analysis, exploitation or market uptake.
