

Logistics in Belgium

Arrival in Brussels (22nd of April)

Day 1 (23rd of April): Louvain-la-Neuve & Liège

- Transport by bus
 - Visit **Aerospacelab**
 - Visit **Liège Space Center**
 - Visit **Amos & Einstein Telescope Demo**
 - **Networking session**
- Arrival in Redu

Day 2 (24th of April): Redu – Transinne

- Visit **ESA ESEC Station**
- Visit **Galaxia Business Park & Space Hub**
- **B2B's**
- Visit new **Cybersecurity Center**
- Back to Brussels

22.apr

Hotel Thon in Brussels

17:30 Welcome of delegation - Briefing Program
18:00 Welcome drink
19:00 Dinner

Address - Room

Rue de la Loi/ Wetstraat 75, BRUSSELS

MI Space & Security - Program 23-24/04		
23.apr	DAY 1 - LLN - LIEGE	Address - Room
07:45	Departure bus	Brussels city center - Thon Hotel, rue de la Loi (pick up rue d'Arlon)
08:00	Transfer Brussels - AerospaceLab	
08:55	Arrival at AerospaceLab - welcome - coffee - badges	Rue Andre Dumont, 14b, 1435 MONT-SAINT-GUIBERT
09:10	AerospaceLab	
	Presentation AerospaceLab	
	Benoit DEPER, CEO, AerospaceLab	
	Visit of AerospaceLab (Cybersecurity - Defence application), Q&A	Av. du Pre Aily - P.I. du Sart Tilman - Bat 29, 1, 4031 ANGLEUR
10:20	Departure buss from AerospaceLab to Liege	
10:30	Transfer AerospaceLab - Liege Space Center (CSL) - STAR Institute	
11:35	Arrival at CSL - welcome -	
11:45	Presentation of the CSL and its infrastructures / Introduction of afternoon program	
	Serge HABRAKEN, President of the Board of Directors & Director of Academics and Scientifics affairs, CSL - Liège Space Center	
12:00	Lunch	
12:45	Seminar - Scientific cooperation - Research programs	
12:45	Insights in the Nordic R&I	
	Finland Jaan PRAKS, Associate Professor, Aalto University	
	Norway Torbjørn ELTOFT, Professor, leader of Centre for Integrated Remote Sensing and Forecasting for Arctic Operations (CIRFA), UiT, Arctic University of Norway	
	Sweden Tobias EDMAN, Director Data Platforms and Systems, Space strategist, RI.SE (Research Institutes of Sweden)	
13:15	Visit of the space qualification facilities, including space instruments	
	Serge HABRAKEN, President of the Board of Directors & Director of Academics and Scientifics affairs, CSL - Liège Space Center	
14:00	Opportunities for collaboration with Nordics (Data Processing EO mainly SAR) and Q&A	
	Serge HABRAKEN, President of the Board of Directors & Director of Academics and Scientifics affairs, CSL - Liège Space Center	
14:15	Presentation of JRI4Space and Space4Relaunch	
	Dr. Bilal OUTIRBA, Research Associate - Project Liaison Officer, Space4ReLaunch & JR4Space, Université Libre de Bruxelles (ULB)	
14:35	Break	
14:45	Presentation of the UNIVERSEH : European alliance & existing and future collaborations	
	Anne-Sophie LIBERT, Professor (Master in Space Sustainability), Université of Namur, Faculty of Sciences, UNIVERSEH	
	Max COLLINET, Professor (Master in Space Sustainability), Université of Namur, Faculty of Sciences, UNIVERSEH	
15:10	Presentation of AMOS	
	Visit of Prototype ET	
15:35	Visit of prototype Einstein - Group 1	
16:00	Visit of prototype Einstein - Group 2	
16:30	Presentation of Einstein Telescope Projects - Q/A	
	Michel STASSART, International Project Leader "Einstein Telescope", GRE Liège	
17:00	Networking session for Delegation	
18:00	Transfer to bus	
18:10	Transfer to the hotel "La Barrière de Transinne"	
20:00	Dinner with delegation at the hotel "La Barrière de Transinne"	Rue de la Barrière, 4 6890 TRANSINNE

24.apr	DAY 2 - REDU	Address - Room
07:00	Breakfast with delegation @ Hotel La Barrière de Transinne	Rue de la Barrière, 4 6890 TRANSINNE
07:45	Transfer to bus	
07:50	Bus to Redu Space Services (Station ESA)	
08:00	Check-in / badge distribution / parking /welcome coffee	
08:45	Visit of Redu Space Services (Station ESA) Welcome, ESA & ESEC activities presentation Jean-Luc TRULLEMANS, Head of European Space Security and Education Centre (ESEC), ESA ESEC ESEC Cybersecurity activities Sergio PAGNOZZI, CSOC Operations Manager , ESA ESEC Site visit - Group photo	Place de l'ESA, 6890 REDU Mars Meeting Room - T02 building
10:05	Transfer to bus	
10:15	Transfer to Nexova	Galaxia Park
10:20	Arrival at Nexova - registration	Rue des etoiles 140, 6890 LIBIN, Belgium
10:40	Galaxia Site: Nexova Cyber - Cybersecurity Centre of Excellence - Introduction of local & nordic ecosystems Skywin Presentation of Ecosystem and 4Defense Jean-Pierre CHISOGNE, Deputy Managing Director : Space, Skywin Agnès GRANDJEAN, Deputy Director : Internationalization, Skywin Introduction space hub & cybersecurity in Transinne Pierre-Yves DEFOSSE, Business Developper Officer , Idelux Introduction Nexova Cyber Bruno VERMEIRE, General Director - Head of Security, Nexova Cyber Insights in the nordic space - security ecosystems - Pitching Finland Jaan PRAKS, Associate Professor, Aalto University Lithuania Saulius ARELIS, Manager, Space Cluster Lithuania Norway Trygve SPARR, Research Director, Norwegian Defence Research Establishment (FFI)	
11:45	Lunch	
12:30	Visit of Nexova facilities: Cyberrange (Satellite attack scenario) - SOC - Lab - Group 1	5/group
13:00	Visit of Nexova facilities: Cyberrange (Satellite attack scenario) - SOC - Lab - Group 2	5/group
13:30	Visit of Nexova facilities: Cyberrange (Satellite attack scenario) - SOC - Lab - Group 3 Peter VAN CAMP, Senior Account Manager, Nexova Cyber Matteo MERIALDO, Director, Cybersecurity Engineering & Products, Nexova Cyber	5/group
12:30	B2Bs - 20 min meetings	
13:50	Break	
14:00	B2Bs - 20 min meetings	
15:20	Visits Idelux Visit of the Cyber Range @ Idelux Johan HELIN, IT / Security Engineer, Nexova Cyber Visit the quantum cryptography laboratory - @ Idelux Jonathan PISANE, Innovation & Product Policy Manager, Thales	Allée de la Comète 80, 6890 LIBIN
16:10	Transfer to bus	Allée de la Comète 80, 6890 LIBIN
16:17	Bus to Namur Train Station for the participants leaving by plane	Namur Station
17:17	Namur Station (17:32, Train to Brussels / Brussels Airport)
