The image shows a registration completion screen for a user named Taro. It is divided into three main sections. The top section, titled 'Hello Taro!', congratulates the user on successfully registering for the EU-Japan Green Transition and instructs them to follow the next steps to finish setting up their networking profile. The middle section, titled 'Next Steps', contains a sub-section 'Confirm your Email Address' which states that an email with a confirmation link has been sent and offers a 'Send again' button. The bottom section, titled 'Add organisation page', explains that users can represent their organization by creating a dedicated page or by asking an admin for an invitation. A red rectangular box highlights the 'Create organisation' button at the bottom of this section.

Hello Taro!

Congratulations on successfully registering for the EU-Japan Green Transition. Follow the steps below to finish setting up your networking profile and explore its possibilities.

The screenshot displays the event platform's navigation bar with links for About, Speakers, Participants, Organisations, Marketplace, and Agenda (highlighted with a red box). Below the navigation bar, the 'EVENT AGENDA' tab is selected and highlighted with a red box. The main content area shows the event schedule for Thursday 23 January 2025. A specific session, 'European startups' e-pitching - Meetup event between Japanese corporates and European Startups', is highlighted with a red box. This session includes a 'Join now' button and a 'Added' status indicator (a green checkmark in a red box). Below this, the schedule for Tuesday 28 January 2025 is shown, featuring 'Online Meetings - Day 1' with a red box around an 'Add' button. On the left side, the 'MY SCHEDULE' tab is highlighted with a red box. It shows a meeting request from 'John Example' from 'SAMPLE Company' for Wednesday 29 January 2025. The meeting is marked as 'Upcoming in 1 week', 'Request sent', and 'All Accepted'. A red box highlights the 'Join' button for this meeting.

The screenshot shows the website's navigation bar with 'About', 'Participants', 'Marketplace', 'Agenda', and 'Organisations' (highlighted with a red box). A dropdown menu for 'Organisations' shows 'EU Green Transition Pavilion' and 'All Organisations'. Below the navigation bar, there are two main profile cards: 'Test Company' and 'Test Participant'. The 'Test Company' card has a green square icon with 'T' and a description: 'Company (SME/startup) 中小企業・スタートアップ Brussels, Belgium'. It also lists 'Grid technologies / 電力グリッド' and 'General Manufacturing / 製造業'. The 'Test Participant' card has a green circle icon with 'TP' and a description: 'Position Brussels, Belgium Test Company >'. To the right of these cards is a sidebar with a '絞り込み機能' (Filter Function) section. This section includes checkboxes for 'Bookmarked', 'ORGANISATION TYPES' (Company, Authority/Government), 'COUNTRIES' (Germany, Greece, Italy, Netherlands, Belgium), and 'Green Technologies / グリーン関連技術' (Energy Efficiency, Grid technologies, Carbon Capture and storage, Green materials, Circularity). At the bottom, there is a 'MarketPlace' section with a product image and description: 'Eco-Friendly Absorbent for Machine Oil Leaks'. The product is described as having 'x10 better absorption performance, fast and easy operations, huge capacity, mechanical stability, water-repellent'. It is categorized under 'Electric Power/Gas / Oil / 電力・ガス・石油'.
