

Wire harnesses manufacturing

We are a group of experts and ICT enthusiasts. For many years we have been actively shaping the Polish optical fibre market by introducing original and innovative solutions.

Bringing together our expertise and experience, we have launched our production of wire harnesses.

Industries served

INDUSTRY

AUTOMATION

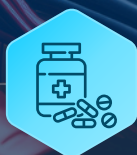

**HOUSEHOLD
APPLIANCES**

AVIATION

LIGHTING

MEDICINE

AGRICULTURE

**AIR
CONDITIONING**

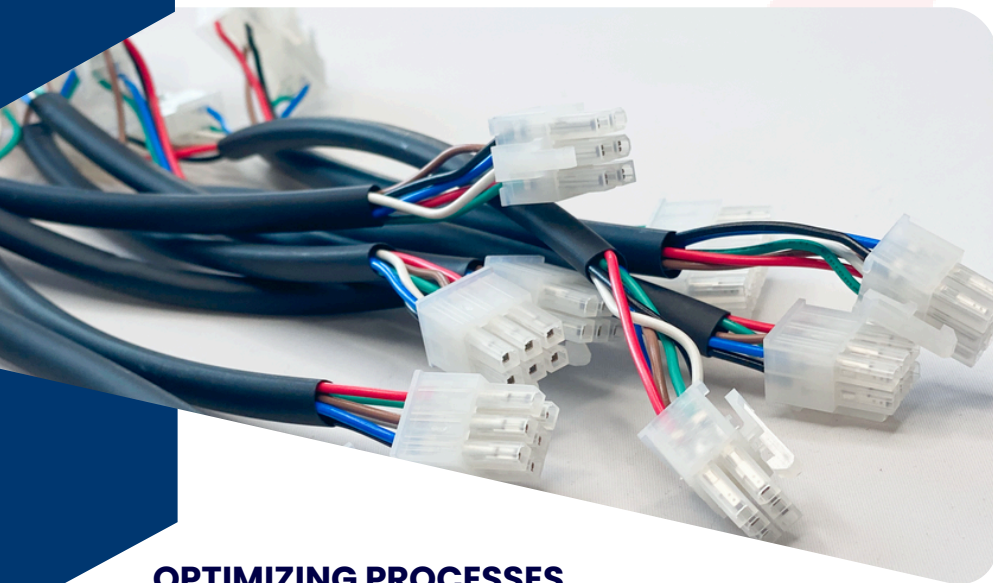

In-house production line

We have machinery that enables us to manufacture custom wiring harnesses professionally.
