BACTERIAL CLEANING & MAINTENANCE PRODUCTS

Microlife's cleaning and maintenance range is a series of innovative and environment friendly cleaning products that use microorganisms as active matter.

The microorganisms in the formula penetrate in the tightest spots where detergents cannot reach and degrade the effluents. Because the active matter of Microlife range is living microorganisms the cleaning effect is longer lasting than chemicals. Microlife, continues to clean as long as the active matter is alive.

LCD002

Bio Drain GT

EFFECT

Instantly neutralizes foul odors. Degrades and digests organic wastes. Postpones cleaning period of grease traps. Prevents blockings in connected piping.

APPLICATION AREAS

Professional kitchens and all HORECA industry. Grease traps and starch traps, urinals, drains, waste water pipes and sewer systems. All surfaces where organic deposits accumulate.

PACKING

1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt. x 1 plastic container

LCD010

Bio Drain GT 10X

EFFECT

Concentrated version of Bio Drain GT

APPLICATION AREAS

Professional kitchens and all HORECA industry. Grease traps and starch traps, urinals, drains, waste water pipes and sewer systems. All surfaces where organic deposits accumulate.

PACKING

1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt. x 1 plastic container

DCD003

Grease Trap Treatment

EFFECT

Stops foul odors. Degrades and digests all organic wastes by biologic oxidation. Prevents blockings in grease traps and waste water pipes.

APPLICATION AREAS

Grease traps, pumping stations, drain lines, waste water pipes, small sewer systems.

PACKING

1 kg. x 18 plastic jars
5 kg. x 1 plastic bucket
20 kg. x 1 plastic bucket

LCD004-G

FOG Degradar Concentrate

EFFECT

Degrades and digests organic wastes. Postpones cleaning period of grease traps. Prevents blockings in connected piping.

APPLICATION AREAS

Grease traps, pumping stations, drain lines, waste water pipes, small sewer systems.

PACKING

1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt. x 1 plastic container

LCD012

GP Cleaner Deodorizer

EFFECT

Deodorizes foul odors by its odor neutralizing components. The bacterial portion of the product degrades organic deposits.

APPLICATION AREAS

Can be used as an additive in cleaning water. Grease traps, septic tanks, drain lines and etc.

PACKING

0,5 lt. x 6 spray bottles
1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt. x 1 plastic container

LCD006

Hard Floor Cleaner

EFFECT

General purpose cleaning product for hard surfaces.

APPLICATION AREAS

Cleaning of hard surfaces like floors of lobbies, washrooms, kitchen, waste containers etc.

PACKING

1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt. x 1 plastic container

LCD011

Urinal Cleaner

EFFECT

Decomposes and digests the urine and other organic waste spills on sanitary surfaces. The microorganisms provide sustained cleaning even the tightest spots where other cleaning products can't reach. The odor neutralizers in the product instantly neutralize the foul odors and refresh the air.

APPLICATION AREAS

Washrooms and urinals, sanitary surfaces, bathrooms

PACKING

0,5 lt. x 6 spray bottles
1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt.x 1 plastic container

LCD014

Pet Odor

EFFECT

Neutralizes foul odors from pets. The aerobic bacteria in the product penetrate in all tight surfaces, degrade and digest all organic residues. Double action formula provides odor free life with pets.

APPLICATION AREAS

Can be applied on cat litter, cleaning of the hard surfaces or upholstery where pets leave their smell and etc.

PACKING

0,5 lt. x 6 spray bottles
1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt.x 1 plastic container

LCD009

Stain Eater

EFFECT

Decomposes and digests the organic waste spills on upholstery, carpets and other fabric surfaces. The microorganisms reach and clean even the tightest spots where it is difficult to reach by conventional cleaning products. The odor neutralizing components in the product instantly neutralize the foul odors.

APPLICATION AREAS

Spot removal on all kinds of fabric, upholstery and hard surfaces.

PACKING

0,5 lt. x 6 spray bottles
1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt.x 1 plastic container

LCD008

Bio Septic

EFFECT

Stops foul odors generated by anaerobic microorganisms. Decomposes, liquefies and biologically degrades the organic deposits. Eases the cleaning of toilets.

APPLICATION AREAS

Toilets of coaches, boats and all else kind of mobile toilets, drain lines of washrooms, small sewers and lift stations.

PACKING

1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt.x 1 plastic container

DCD063

Septic Tank Treatment

EFFECT

Stops foul odors. Biodegrades and liquifies organic wastes in septic tanks. Pretreats the wastewater. Prevents blockings and postpones the need for waste collection

APPLICATION AREAS

Septic tanks, waste water tanks, pumping stations.

PACKING

1 kg. x 18 plastic jars
5 kg. x 1 plastic bucket
20 kg. x 1 plastic bucket

LCD003

Bio Bin

EFFECT

Neutralizes garbage odors. Cleans garbage bins. Decomposes and digests organic deposits on the surfaces of the garbage containers. Starts the decomposition of the leak water.

APPLICATION AREAS

Garbage containers, garbage rooms, garbage trucks and etc. Municipal garbage handling and processing facilities. All surfaces carrying organic deposits.

PACKING

0,5 lt. x 6 spray bottles
1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt.x 1 plastic container

LCC012

Oil Cleaner

EFFECT

This water soluble and solvent free product cleans surfaces polluted by petrochemicals and hydrocarbons.

APPLICATION AREAS

Cleaning of surfaces polluted by petrochemical wastes. Bilge tanks, petroleum tanks, vessels, environment, soil, stones and etc.

PACKING

0,5 lt. x 6 spray bottles
1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt.x 1 plastic container

LCD021

Biologic Oil Digester

EFFECT

Cleans surfaces and equipment polluted by petrochemicals and hydrocarbons. Decomposes and digests the effluents.

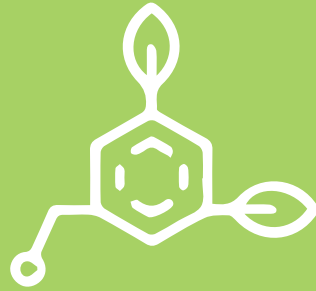

APPLICATION AREAS

Cleaning of surfaces polluted by petrochemical wastes. Bilge tanks, petroleum tanks, vessels, environment, soil, stones and etc.

PACKING

0,5 lt. x 6 spray bottles
1 lt. x 18 plastic bottles
5 lt. x 4 containers
20 lt. x 1 plastic container
30 lt.x 1 plastic container
