Dominique Calcò Labbruzzo, the Founder of Switzerland's first Holistic Law Firm, is an award-winning legal expert recognized as the 2024 Women in Law Awards Winner for Switzerland. Fluent in English, German, and Italian, Dominique specializes in Swiss contract and business law, inheritance, real estate, and company succession. She offers a revolutionary legal approach that combines traditional law with leadership mentoring and emotional intelligence. Her services extend beyond resolving legal issues to address the emotional, psychological, and relational factors that impact decision-making and well-being.

WHAT IS HOLISTIC LAW?

Holistic Law combines legal counsel with personal growth, mindfulness, and emotional intelligence (EQ). Dominique's approach acknowledges that legal challenges often stem from personal stress and unresolved issues. By addressing these, clients achieve legal solutions, personal growth, reduced stress, and long-term harmony in both personal and professional life.

ENHANCE YOUR PRACTICE WITH HOLISTIC EXPERTISE

Dominique's holistic legal approach enhances traditional services by addressing the emotional and psychological aspects of legal challenges. By integrating leadership mentoring, mindfulness, and emotional intelligence, she helps clients achieve deeper, more sustainable solutions.

As a collaborative partner, Dominique's innovative methods empower your practice to offer more comprehensive services, strengthen client relationships, prevent future conflicts, and deliver greater long-term value. Expand your services with a holistic perspective that aligns personal well-being with legal outcomes.
