ROOTED IN LEGACY

Where plant-derived innovation meets modern science.

WH Farms Co.

Restorative Botanical Body Oil

Product Information

Price: CONTACT DISTRIBUTOR
Size: 1 and 4 fl oz. bottle
Fragrance: Sweet Almond
MOQ: CONTACT DISTRIBUTOR

Why You'll Love It

Crafted from premium hemp grown on our USDA-licensed North Carolina farm, our Restorative Botanical Body Oil offers exceptional purity and potency.

Infused in a sweet almond oil base with a gentle botanically derived scent, this massage oil is perfect for soothing tension, hydrating skin, and supporting a calm, relaxed state.

Industrial hemp: compliant with federal limits, and each batch is third-party lab tested (COA available upon request).

Manufactured in GMP- and ISO-certified facilities — ensuring pharmaceutical-grade consistency, traceability, and quality you can rely on.

Key Ingredients + Benefits

Proprietary Botanical Blend:
Delivers a broad range of botanical essence for enhanced entourage effect and soothing support

Sweet Almond Oil:
Lightweight, fast-absorbing botanical oil that moisturizes and nourishes skin

Botanical Fragrance:
Adds a soft, pleasant scent without synthetic additives

WH Farms Co.
