

ORGANIC VINAIGRETTE with walnut oil, vinegar (honey and plants) and sage leaf

Add a touch of authenticity and deliciousness to your dishes with our organic vinaigrette.

Made from carefully selected ingredients, it combines the richness of walnut oil with the sweet and tangy aromas of honey vinegar and plants, thus offering a perfect balance between sweetness and freshness. The sage leaf infused in the recipe brings a unique depth of taste and delicately enhances each bite.

Perfect for enhancing your salads, grilled vegetables or marinades, this vinaigrette is a real ally for healthy and tasty cooking. Without water, without additives or preservatives, it respects the values of organic for a natural and authentic taste experience.
