

ABOUT US

Kalnciema Quarter, based in Riga, Latvia, pioneers placemaking, urban revitalization, and interdisciplinary cultural projects, drawing on over 15 years of expertise. Our focus encompasses cultural heritage transformation, local food, social entrepreneurship, art, and wellbeing. We are the developers and managers of two iconic multifunctional markets in Riga: Kalnciema Quarter Food and Crafts Market & Āgenskalns Market.

OUR EXPERTISE

- Placemaking and Urban Revitalization
- Expertise in Local food and Markets
- Promotion of Healthy Living and Wellbeing in Communities
- Interdisciplinary Culture and Community Projects
- Sustainable Development Strategies
- Cross-Sector Collaboration
- Participatory Design and Co-creation
- Fundraising and Communications

WHY US?

Choose us for our:

- Innovative Approach
- Passion for Food, Community Engagement and Cultural Heritage Preservation
- Proven Track Record
- Commitment to Sustainability
- Adaptability and Flexibility
- Extensive Network of Stakeholders and "Living Lab" Platform

OUR PROJECTS

- **FOODCITYBOOST** (2024-2028), Horizon Project: Boost sustainable urban agricultural development with an integrated assessment of urban farming impacts and policies.
- **IN-HABIT** (2020-2025), Horizon 2020 Project: Enhance inclusive health and wellbeing in peripheral small and medium-sized cities, with Āgenskalns Market as an active food hub.
- **SUSPLACE Project** (2015-2019), Supported by Horizon 2020 (Marie Curie Actions): Focus on sustainable place shaping.
- **SUPURBFOOD** (2012-2015), Horizon Project: Improve sustainability of agriculture and food delivery in city-regions, collaborating with Kalnciema Quarter Food Market to develop innovative approaches.

AREAS OF INTEREST

We are eager to serve as a practice partner in Horizon Europe Work Programme of Cluster 2, 5 & 6, NEB, and Creative Europe.
