OUR SERVICES

GOVERNMENT AFFAIRS

Businesses must efficiently utilize their valuable resources, avoiding the lengthy process of presenting issues to authorities and advocating at multiple platforms

In this global age, despite simpler regulations, evolving business and governmental landscapes necessitate agile compliance by enterprises to thrive

In this global age, despite simpler regulations, evolving business and governmental landscapes necessitate agile compliance by enterprises to thrive

DEFENCE AFFAIRS

CONSULTANCY

The company draws its strength from experienced executives with backgrounds in the military, MoD, DRDO, and industry, bringing decades of domain knowledge.

RESEARCH AND PROJECTS

We conduct market research to support our clients and offer customized reports highlighting sector-specific opportunities.

OFFSET SOLUTIONS

The team is well-versed in defence procurement, offset policies, and government procurement processes for police and paramilitary forces.

ADMINISTRATIVE SUPPORT & EVENTS

Our experience uniquely positions us to identify business opportunities and guide clients in strategizing for success.

OUTSOURCING & MAINTENANCE PROJECTS

The company's hands-on experience enables us to grasp user, industry, and government viewpoints.

BUSINESS MANAGEMENT

While each company faces unique challenges, a common issue is replicating systems and processes without losing efficiency or effectiveness.

Optimax offers seasoned professionals who have successfully led turnarounds at top positions in large organizations.

Our Start Up Consulting covers all vital steps from strategy to execution for launching a venture or new business line.

Your talent, passion, and experience led you to your goals, and now you feel the need to speak freely with someone.

BUSINESS SECURITY

THREAT ASSESSMENT

Your talent, passion, and experience led you to your goals, and now you feel the need to speak freely with someone.

SECURITY AUDIT & MITIGATION

We perform comprehensive security audits to gauge an organization's vulnerabilities and adherence to specific governmental or industry standards

SECURITY CONSULTANCY

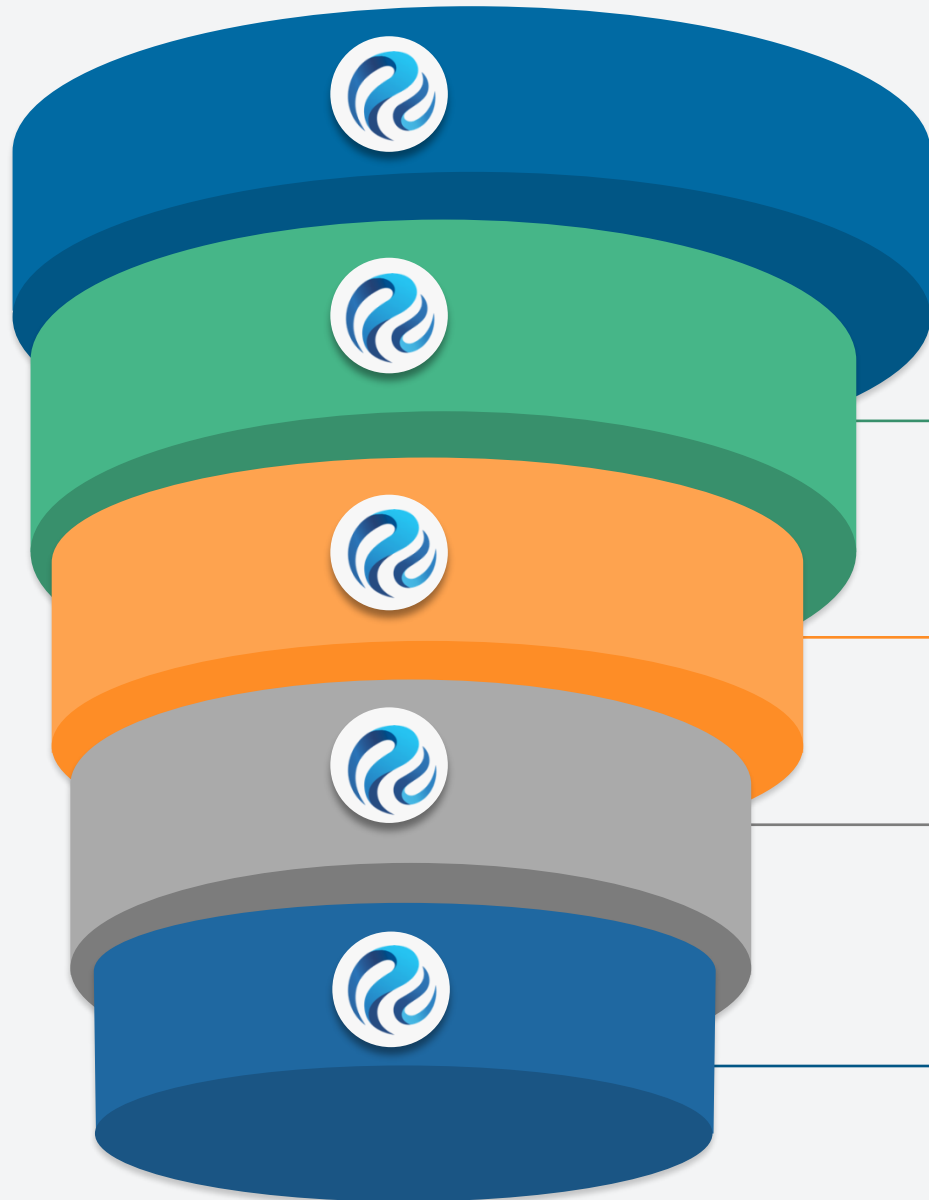

Our approach fuses strategy, technology, and management, offering an integrated security solution encompassing physical, technical, and procedural measures

CUTTING EDGE TECH SOLUTIONS

Our technical offerings encompass advanced video surveillance, access control, intrusion detection, and communication systems

LEGAL AFFAIRS

ADR & ODR

Alternative Disputes Resolution (ADR) mechanism is gaining grounds and coming to the rescue of the disputing parties.

CONTRACTS

Our skilled legal team excels in contract drafting and ensures every essential safeguard is in place to protect our business partners

LEGAL DUE DILIGENCE

Our legal professionals will conduct a thorough legal scrutiny of various documents, plans and business blueprints

PREVENTION OF SEXUAL HARASSMENT

Sexual harassment at the workplace traumatizes female employees and damages the organization's reputation.

LEGAL ADVISORY

Our team of legal professionals provide legal advisory and render advise on the most appropriate legal course of action

F&A, TAX AND REGULATORY

ACCOUNTING & TREASURY SERVICES

We provide timely, reliable data and reports to empower management's decision-making and fulfill statutory & taxation requirements

PAYROLL SERVICES

Drawing from our expertise, we recognize the unique needs of organizations and employees, delivering tailored services.

TAXATION SERVICES

We simplify taxation complexities, facilitating informed decision-making for management.

CORPORATE LAW SERVICES

Our focus is to be business oriented in approach and provide complete solutions for all corporate matters.

FOREX LAW SERVICES

We offer sound advice & timely documentation, and filing services, ensuring management can focus seamlessly on core business.

BUSINESS SET-UP & COMMENCEMENT

Optimax thrives in this unique space, engaging from the birth of an idea to the launch of the business.

SUSTAINABILITY AND CSR CONSULTING

We help manage your CSR programs by conducting feasibility studies, due-diligence, audits, and on-boarding implementation partners

We work with implementation partners to help improve outcomes and operational efficiencies

We assist companies in shaping robust CSR strategies. By identifying optimal programs and partners, and aligning with key stakeholders, we magnify social impact, bridging corporate, government, and community efforts

We guide companies in crafting impactful CSR strategies. By pinpointing ideal programs, partners, and stakeholders, we amplify social change, uniting corporate, government, and community forces

We design and execute employee volunteering and payroll giving, aligning them seamlessly with a company's CSR vision to foster deeper understanding and commitment
