

23rd March, 2026

Dear Esteemed Partner,

RE: PARTNERSHIP & SUPPORT FOR URBAN2REWILD UGANDA - PILOT MINI-FOREST PROJECT

Receive greetings from Treescape Planet Organization, based in Kisaasi, Kampala. Since 2022, we have implemented initiatives in tree planting, carbon balance, eco-tourism, and community livelihoods, creating pathways where nature, people, and purpose intersect.

Rapid urban growth is reducing green spaces, increasing temperatures, and threatening biodiversity. Urban2Rewild addresses these challenges by creating a dense native-species mini-forest using the Miyawaki model. The 5,000 m² site will serve as a demonstration site, education hub, and replicable model for municipalities, institutions, and private landowners.

Project Objectives:

- ❖ Establish a thriving urban mini-forest that restores biodiversity and improves microclimates
- ❖ Rehabilitate degraded land with indigenous trees, creating a self-sustaining ecosystem for birds, pollinators, and small wildlife
- ❖ Reduce urban heat, enhance carbon sequestration, and raise community awareness

Beneficiaries: Residents of Nakawuka Village and surrounding communities, schools, youth groups, environmental practitioners, local governments, volunteers, and other stakeholders.

Expected Outcomes:

- ❖ A fully established mini-forest with measurable improvements in vegetation, biodiversity, and microclimate
- ❖ A documented, replicable urban rewilding model for Kampala, Entebbe, and beyond

The **total project cost is USD 11,000 (Approx. Ugx. 39,600,000)**, covering site preparation, seedlings, planting, labor, community engagement, monitoring, coordination, and contingency.

We seek your financial, technical, or in-kind support to make this pilot a success. Your partnership will restore biodiversity, improve local climates, and provide a scalable urban rewilding model.

Contributions can be made via:

- ❖ Stanbic Bank: 9030021669864
- ❖ Centenary Bank: 3100113240

We would be honored to collaborate with you and look forward to your positive response.

Thank you for your consideration.

Yours faithfully,

Bonnita Tukwatanise
Treescape Planet Organization
