GERVASIO

AGRICULTURAL TRAILERS & TRANSPORT SOLUTIONS

120+ YEARS OF EXPERIENCE

Made in Italy - Since 1906

Looking for international dealers, importers and long-term distribution partners

A.L.D. Gervasio is an Italian manufacturer of agricultural trailers and heavy-duty transport equipment. We design and manufacture robust solutions for professional farmers, agricultural contractors and machinery dealers.

AGRICULTURAL TRAILERS

Tipping trailers and heavy-duty transport solutions for professional agricultural use.

SLURRY TANKERS

High-capacity slurry tankers and liquid manure transport solutions.

MANURE SPREADERS

Professional manure spreaders designed for demanding field operations.

BALE PLATFORMS

Platforms and transport trailers for bales, agricultural materials and equipment.

EIMA INTERNATIONAL 2026

Bologna, Italy - 10-14 November 2026 - Hall 12, Stand A/1

PARTNERSHIP OPPORTUNITY

What we are looking for

- Importers and distributors of agricultural machinery and equipment.
- Established multi-brand agricultural machinery dealers with local sales networks.
- Commercial partners able to support product promotion, customer development and after-sales service.
- Partners interested in representing the GERVASIO brand in new international markets.

Why work with GERVASIO

- More than 120 years of manufacturing experience.
- Italian engineering and production focused on durability and professional agricultural use.
- Product range suitable for farmers, contractors and machinery dealers.
- Flexible approach to commercial development and long-term distribution partnerships.
- Direct dialogue with the manufacturer for market development and product adaptation.

Also seeking technology partners

A.L.D. is also interested in partnerships in industrial automation, robotic welding, AI, machine vision, digital manufacturing, MES/ERP integration and Smart Factory solutions for the future GERVASIO 5.0 production model.
