

# eThesis

## COMPLETE THESIS MANAGEMENT

[ethesisplatform.com](https://ethesisplatform.com)

# PROBLEM\*

Weak student-professor connection

Unable to manage thesis implementations

Wasted time in evaluations & bureaucracy

Thesis Fraud

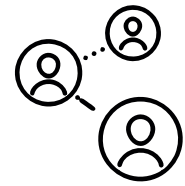

Unexploited research

# EXISTING SOLUTIONS

- Microsoft Teams
- Emails
- Dropbox / Google Drive
- Notion
- University's eClass (GUNET / Blackboard / Moodle)
- Microsoft Excel/Word
- Paperwork

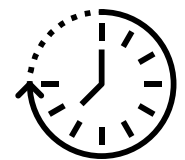

# Main eThesis Characteristics

**Connect** students and professors

**Digitize** and **monitor** the entire process

**Save** valuable **time** to all members involved

Produce and  
publish better  
research

Increase the  
University's  
academic  
integrity

Connect & expand  
with the University's  
existing infrastructure

(Repository, Grading Systems,  
LMS, TurnItIn and more..)

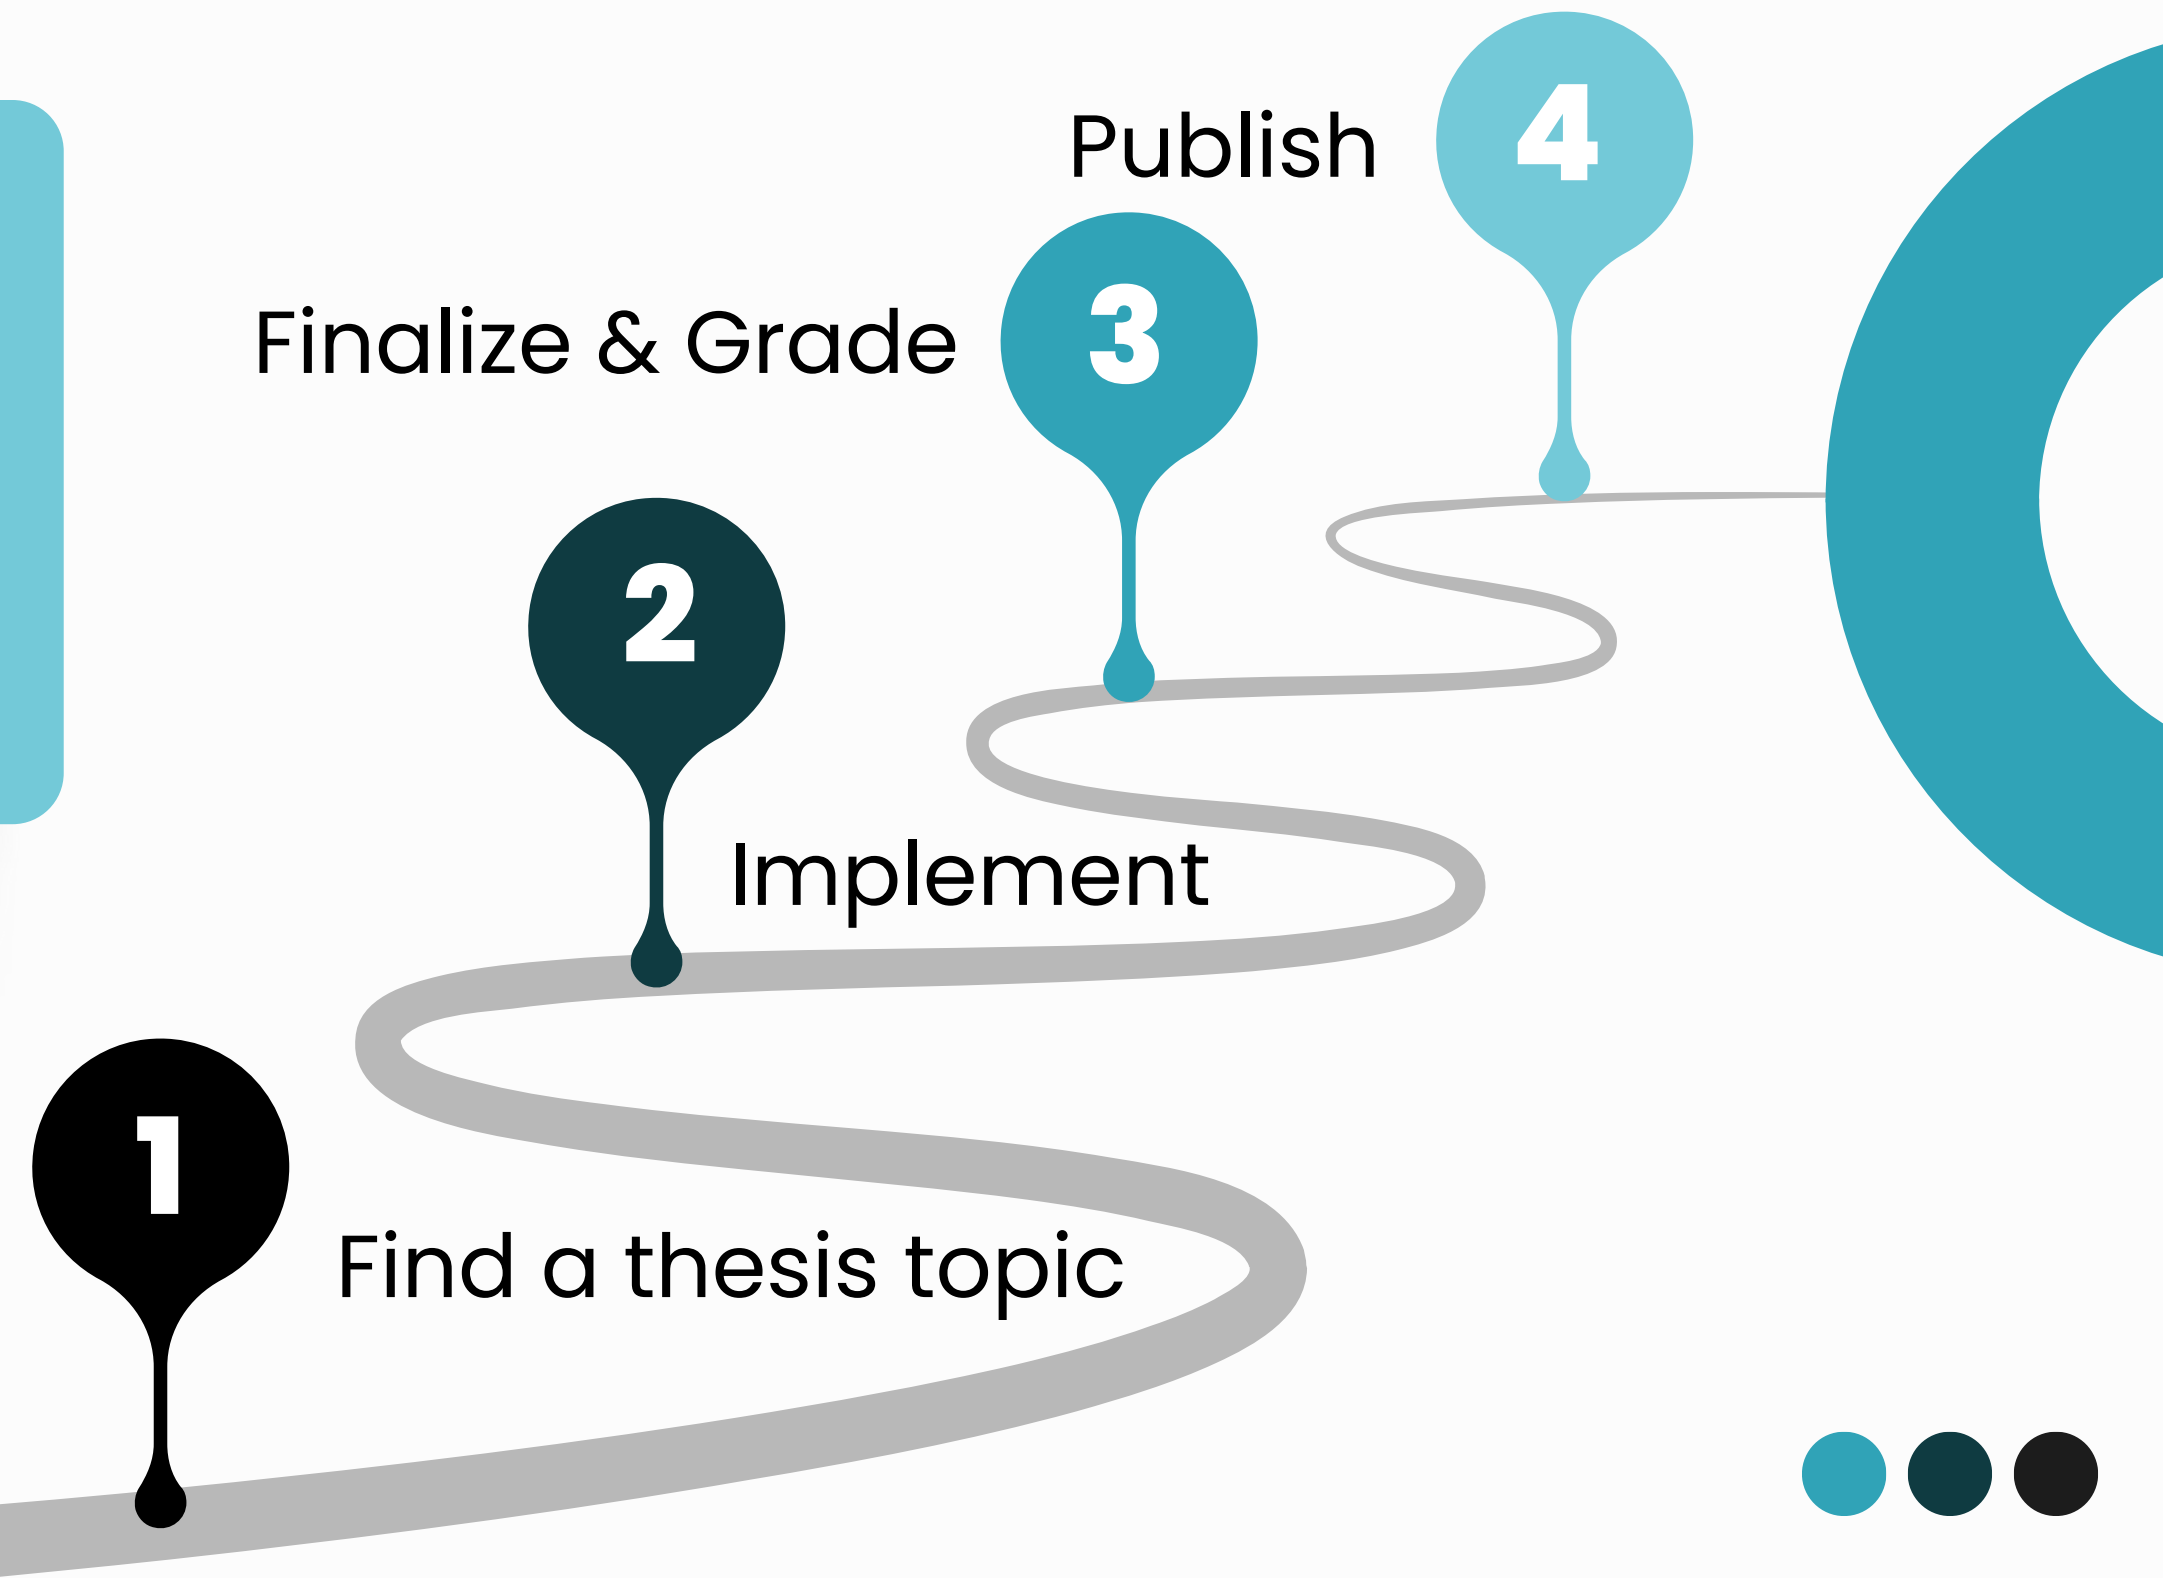

# Main eThesis Characteristics

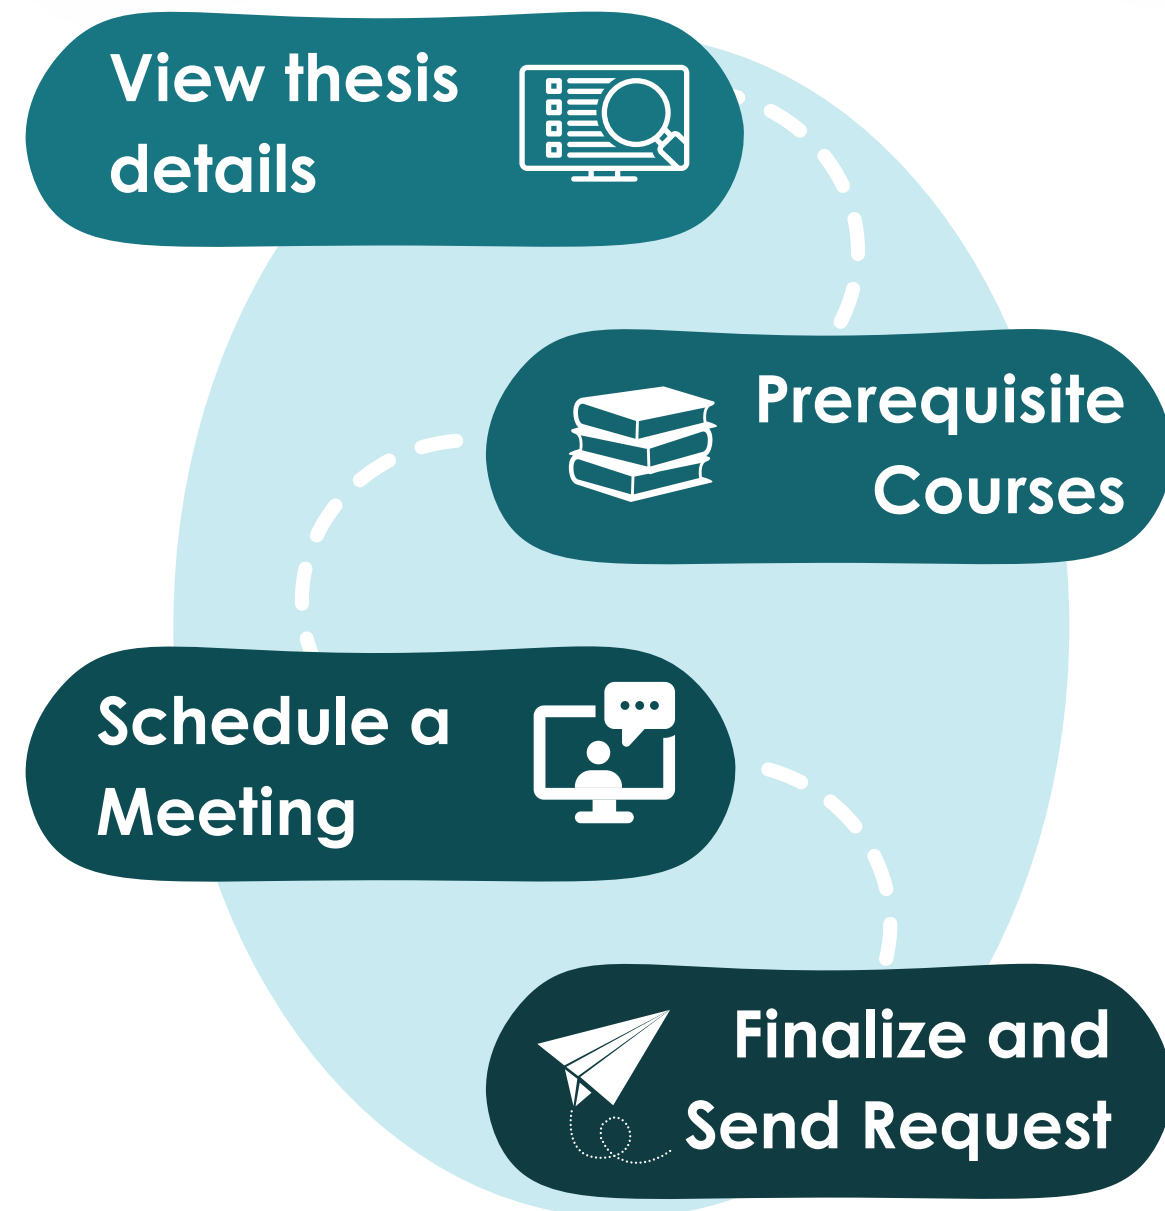

## SIMPLE STEPS

Students follow exact guidelines.

Supervising Professors can easily monitor each step.

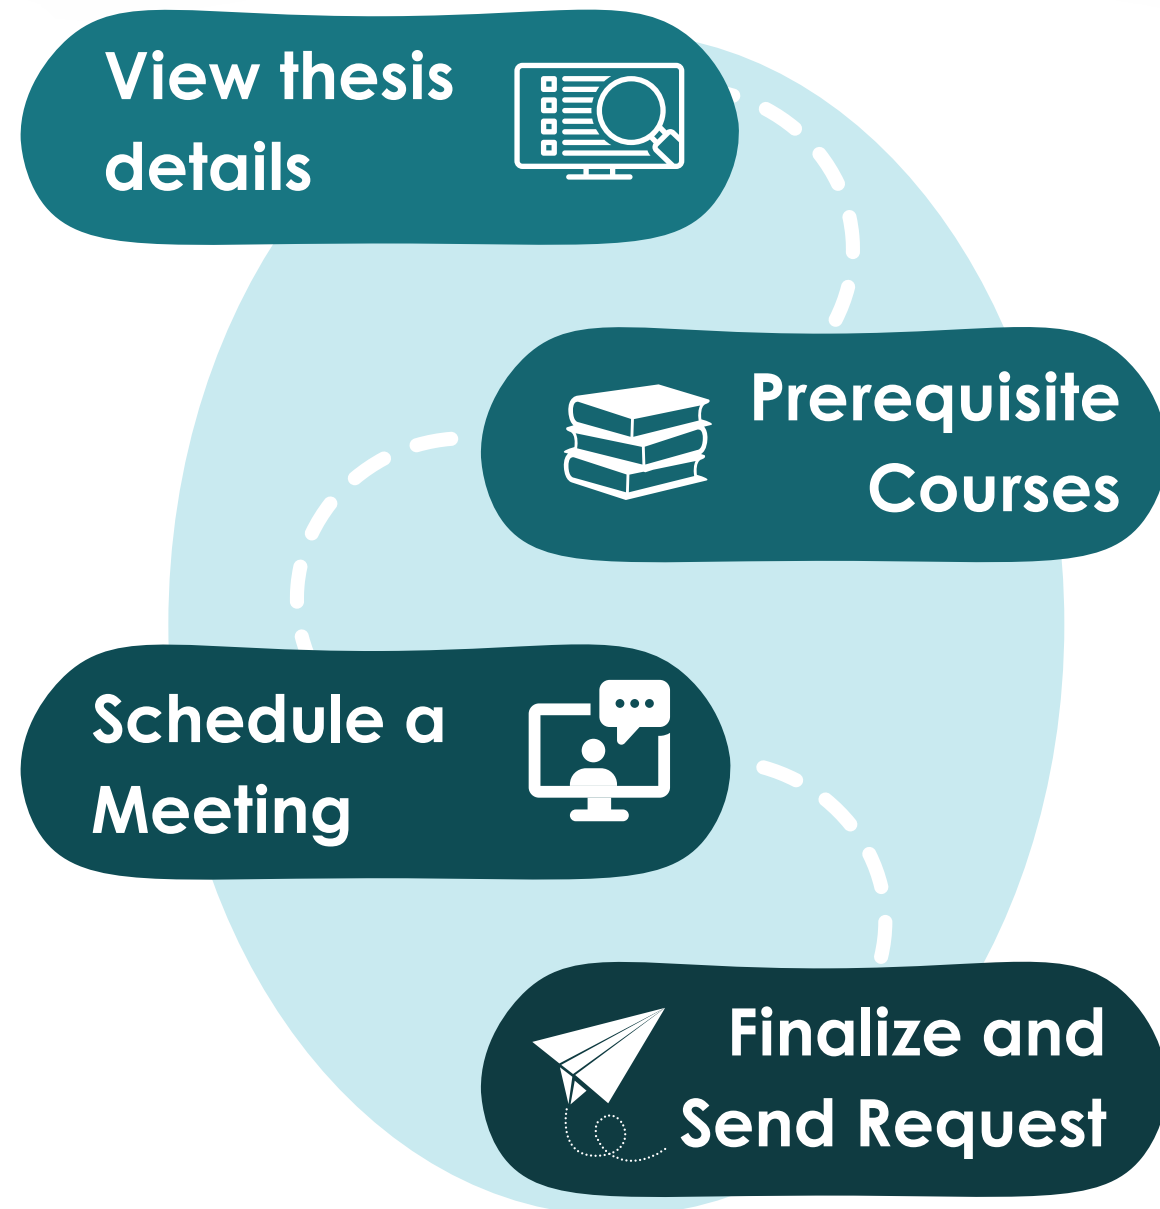

# Selecting a thesis topic

## Selecting a thesis topic

## Proposing a thesis topic

# IMPLEMENTATION

# My Thesis

A collaboration place for all thesis members

S.M.A.S.H. Quantitative Research - Ποσοτικές Έρευνες

Delete Methodology

1 Completed

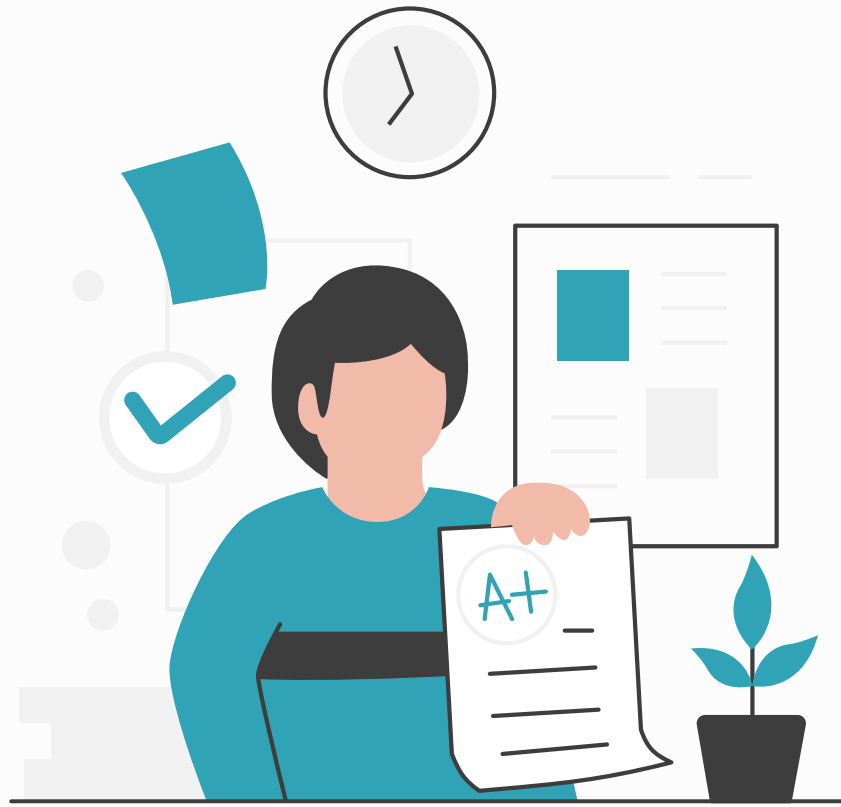

Milestone: Search (Scopus, scientific and/or grey literature)

2 Completed

Milestone: Design and Develop (SurveyMonkey, Google Forms, Qualtrics)

ethesisplatform.com

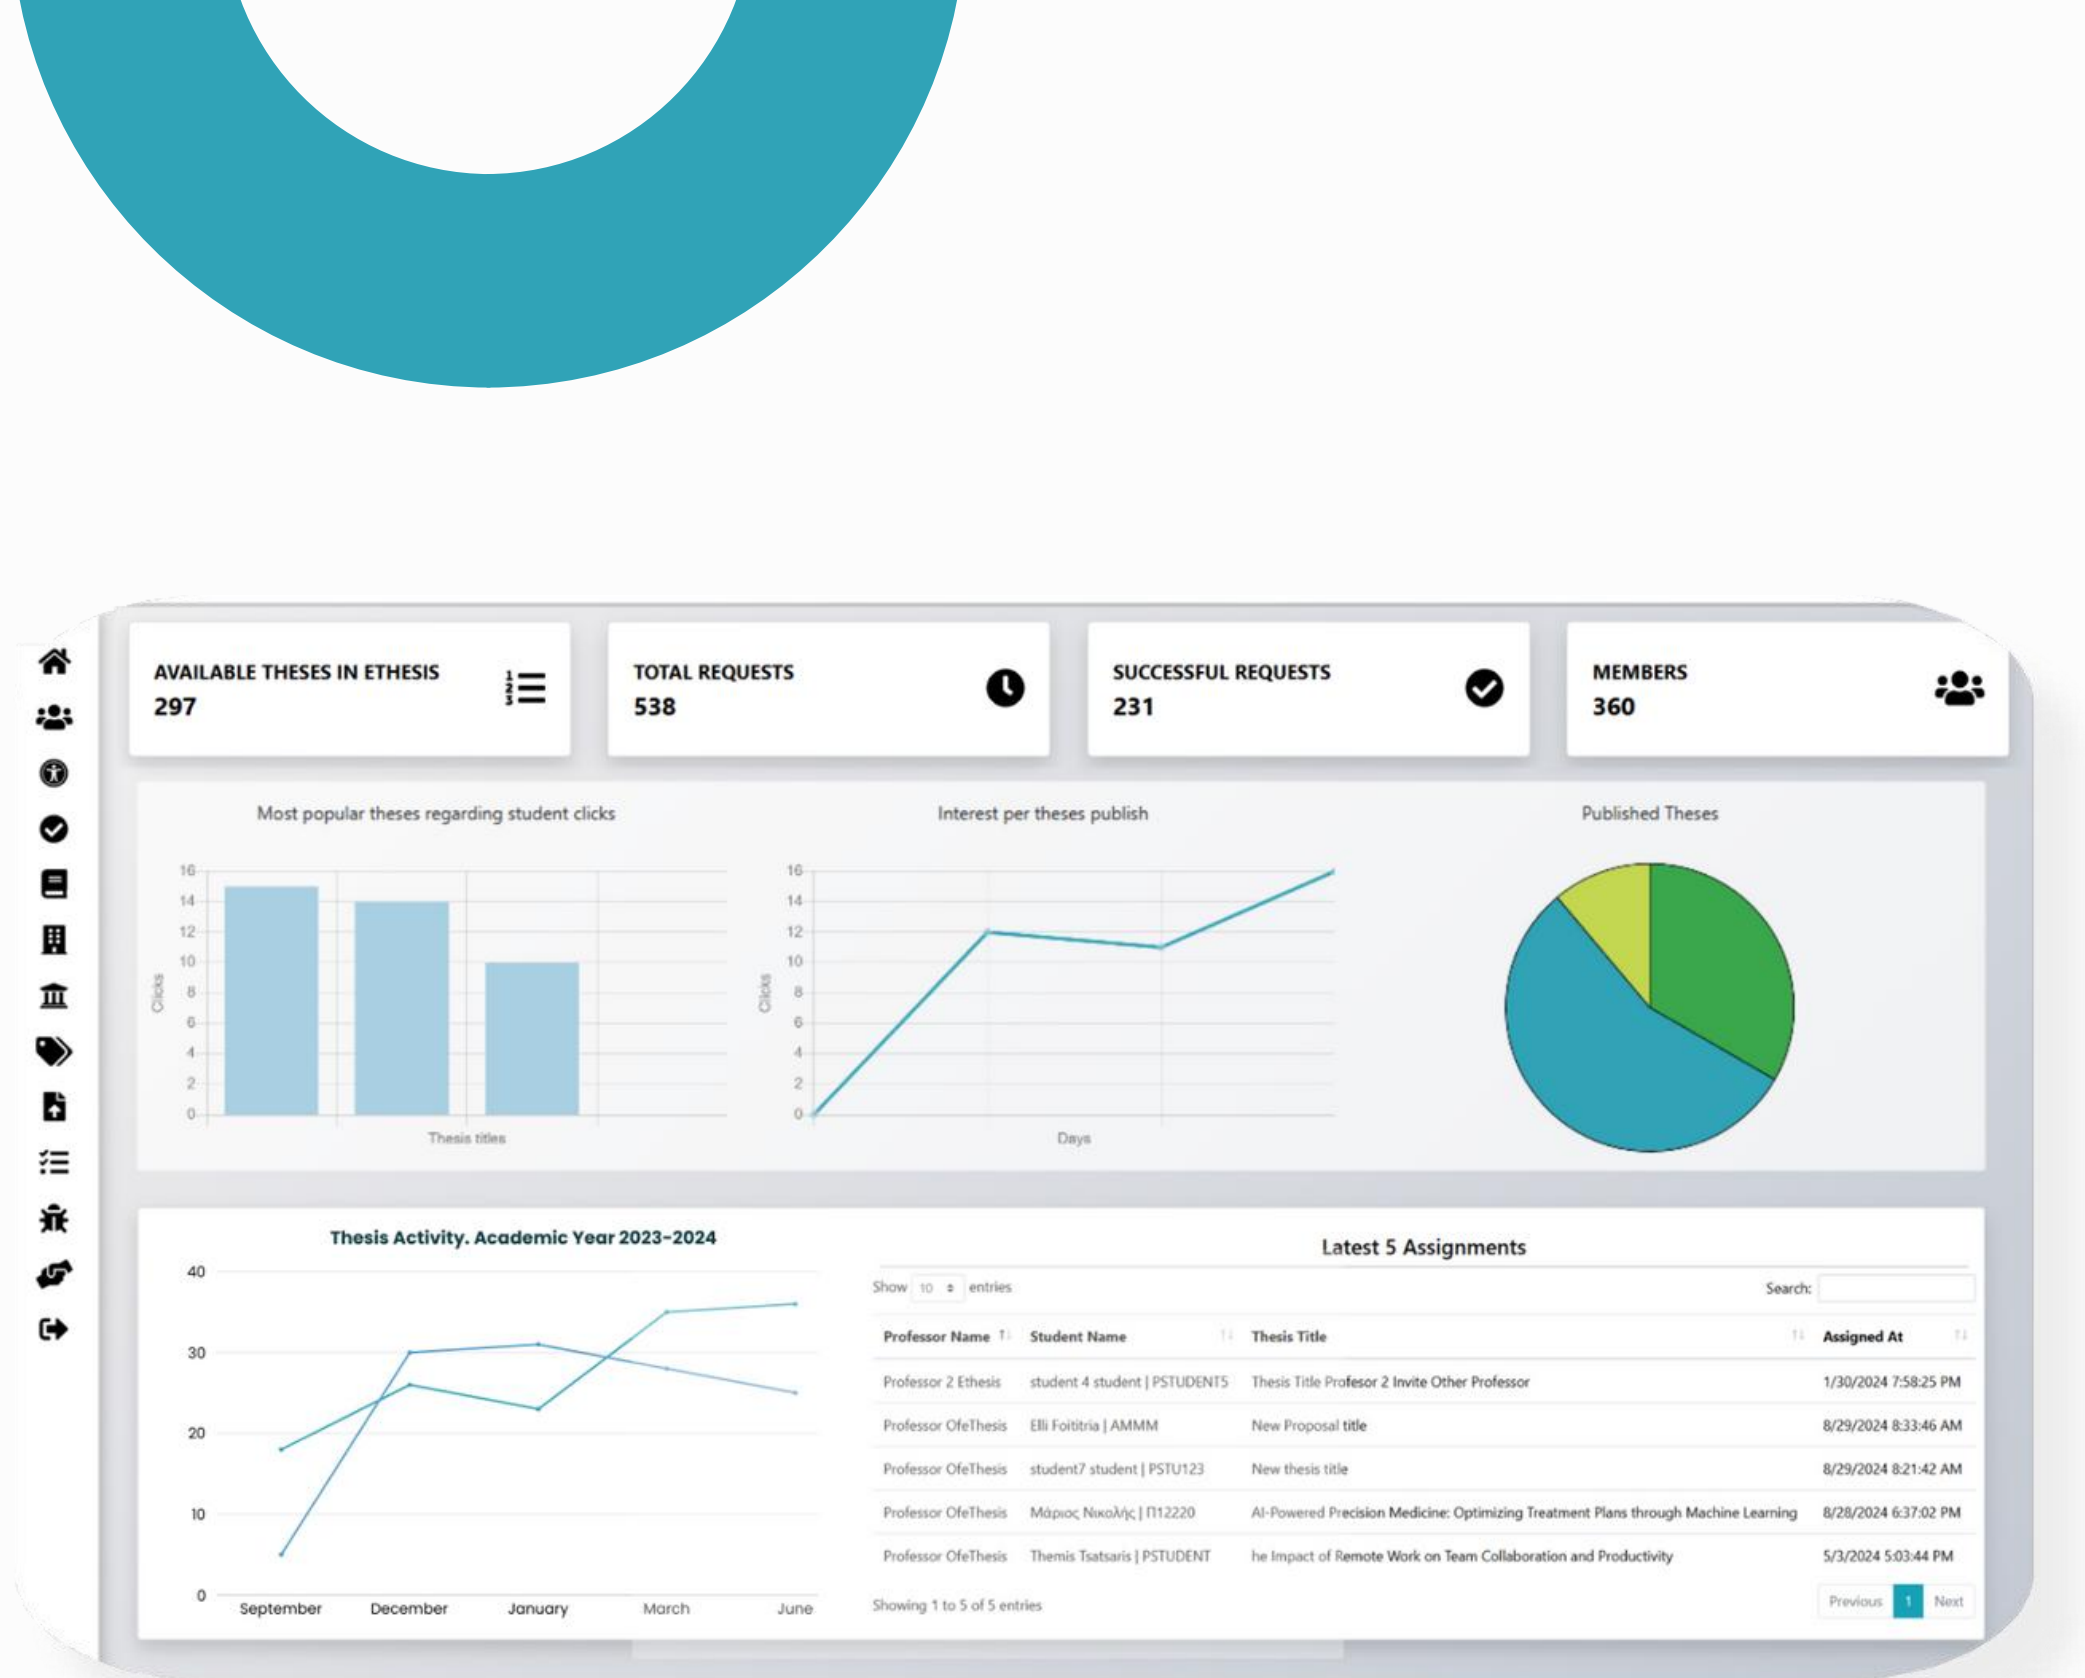

## Grading & Publishing

- One Professor Grading
- Multiple Professors Grading

**Publish Directly to the University's Repository**

# Custom Dashboards

- Generate Analytics
- Create Evaluation Metrics
- Monitor the entire process

# Connect with other Researchers & Publish globally

Integration with numerous publishing platforms and open thesis repositories such as:

- ResearchGate
- ORCID
- Mendeley
- Zenodo
- ProQuest Dissertations & Theses Global
- Open Access Theses and Dissertations

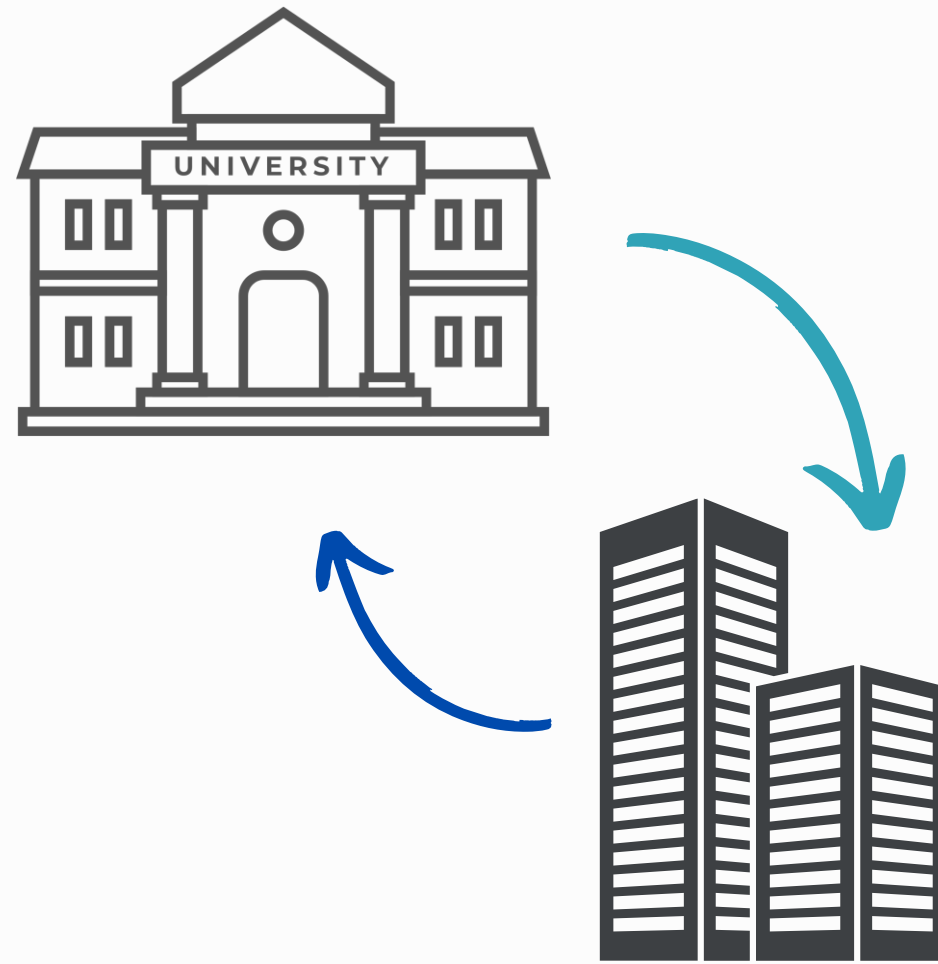

and many more to come...

# Spinoff and Startup Support

---

- **Help aspiring founders turn their idea into reality**
- **Connect spinoffs and startups with incubators and accelerators**

# Bridging Academia and Industry through Research Collaboration

**Universities and research centers can showcase projects, promote innovation, or seek funding.**

**Meanwhile, businesses can post research needs or innovation challenges**

# Connecting Academic Talent with Real-World Opportunities

**The Hiring Bridge is a smart extension of eThesis, designed to link students and researchers with employers in a structured, meaningful way.**

**Participants can enroll in a talent list, connected to their thesis topics, research fields, and skills.**
