# FROM OUTLINE TO RESULT

At Globalita, we seamlessly transform 3D models into real-world projects with precision and efficiency.

**Conceptualization:** Collaborating closely with clients to understand needs and goals, we create detailed 3D models.

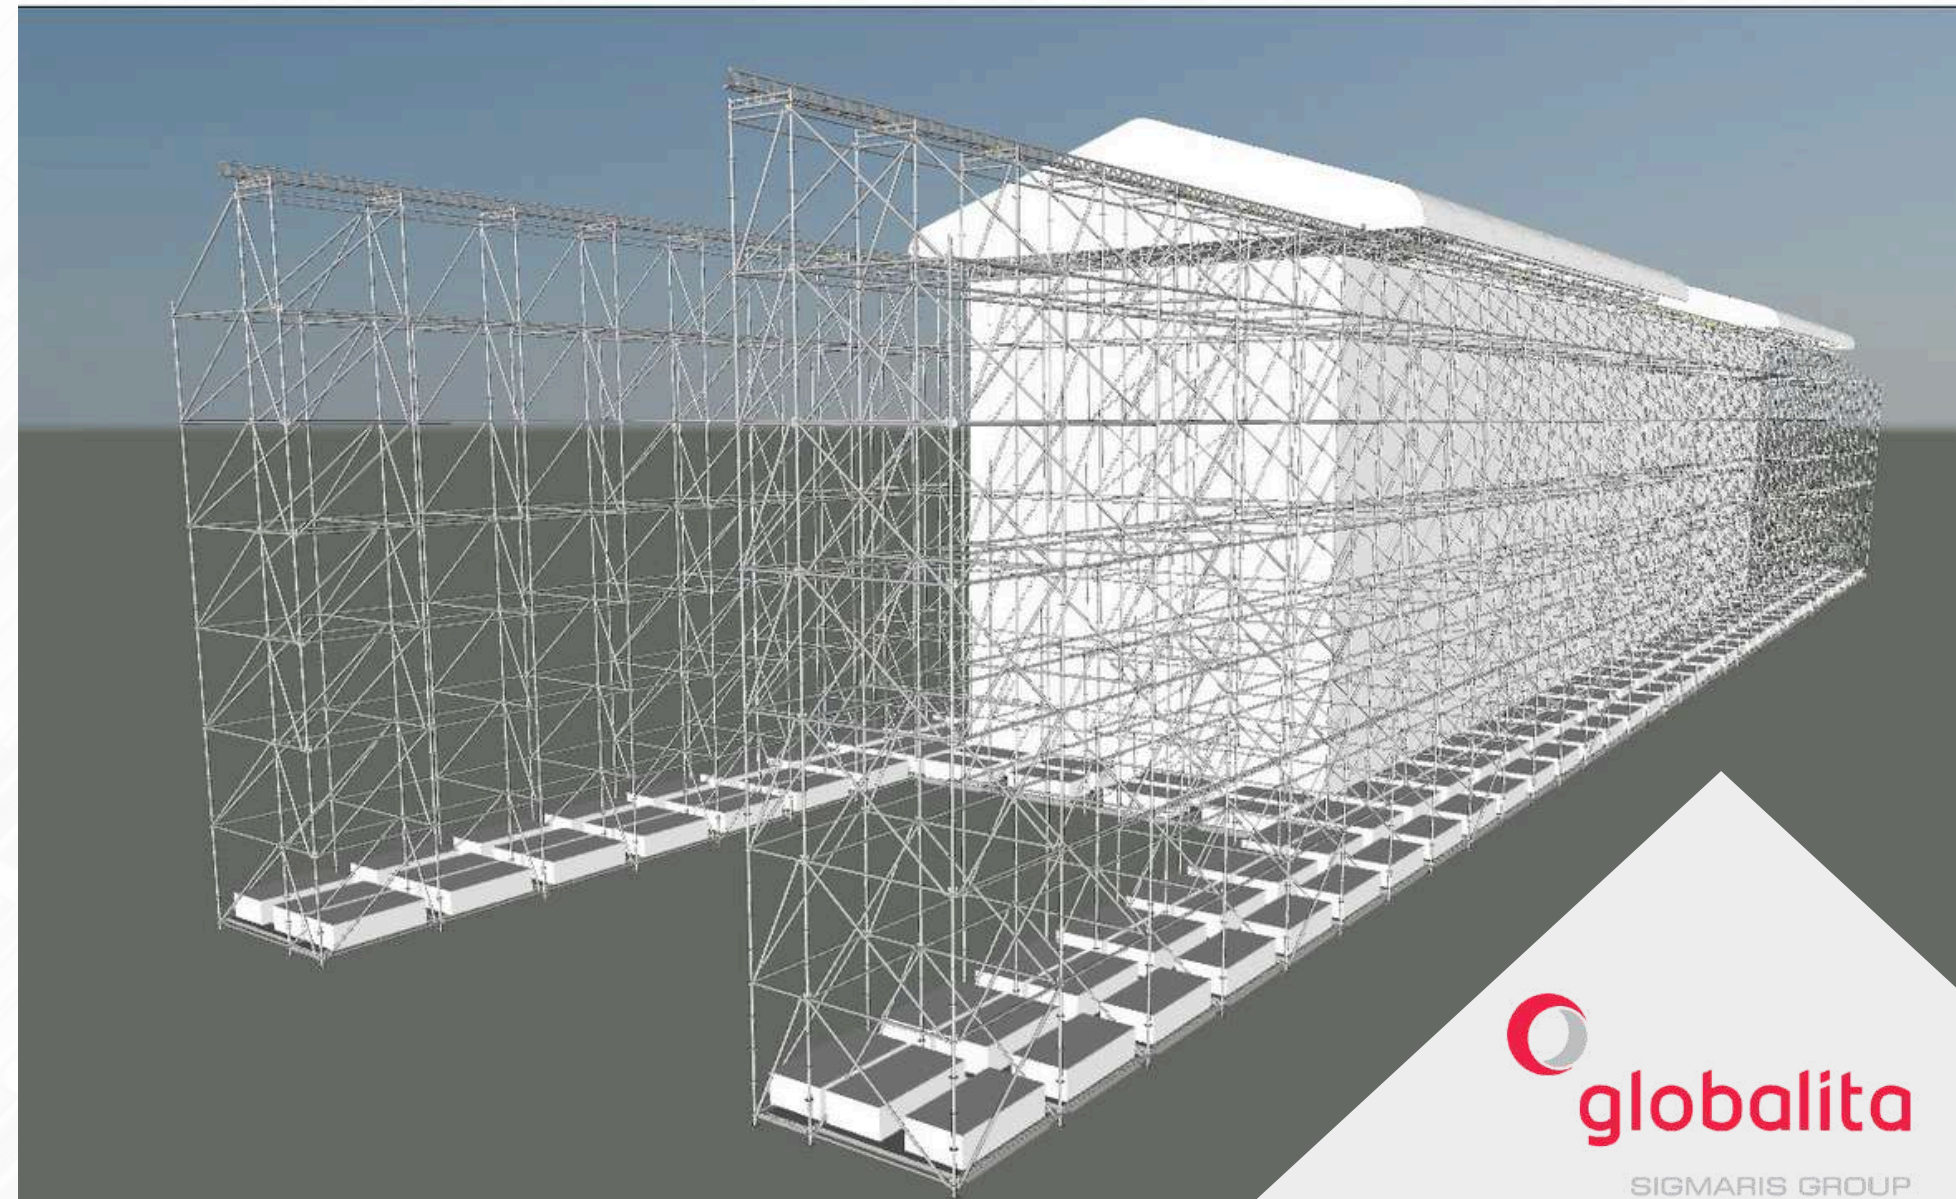

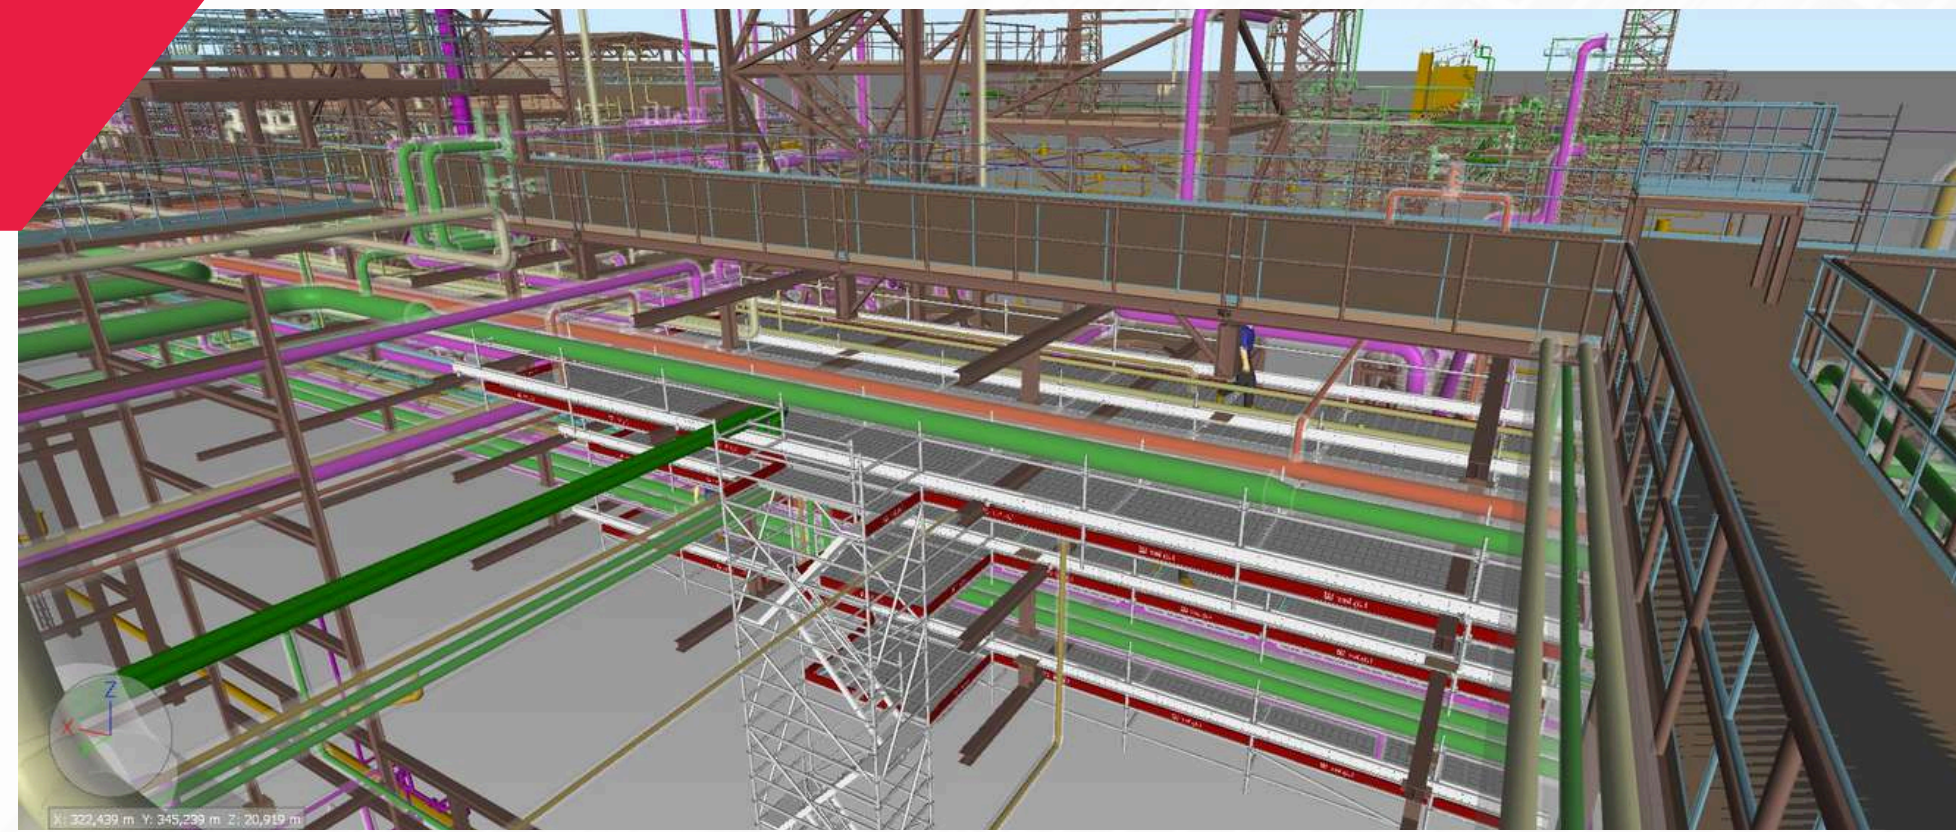

**Engineering:** Our experienced team plans meticulously, ensuring structural integrity, safety, and efficiency.

**Execution:** Skilled craftsmen bring plans to life with attention to detail and quality craftsmanship.

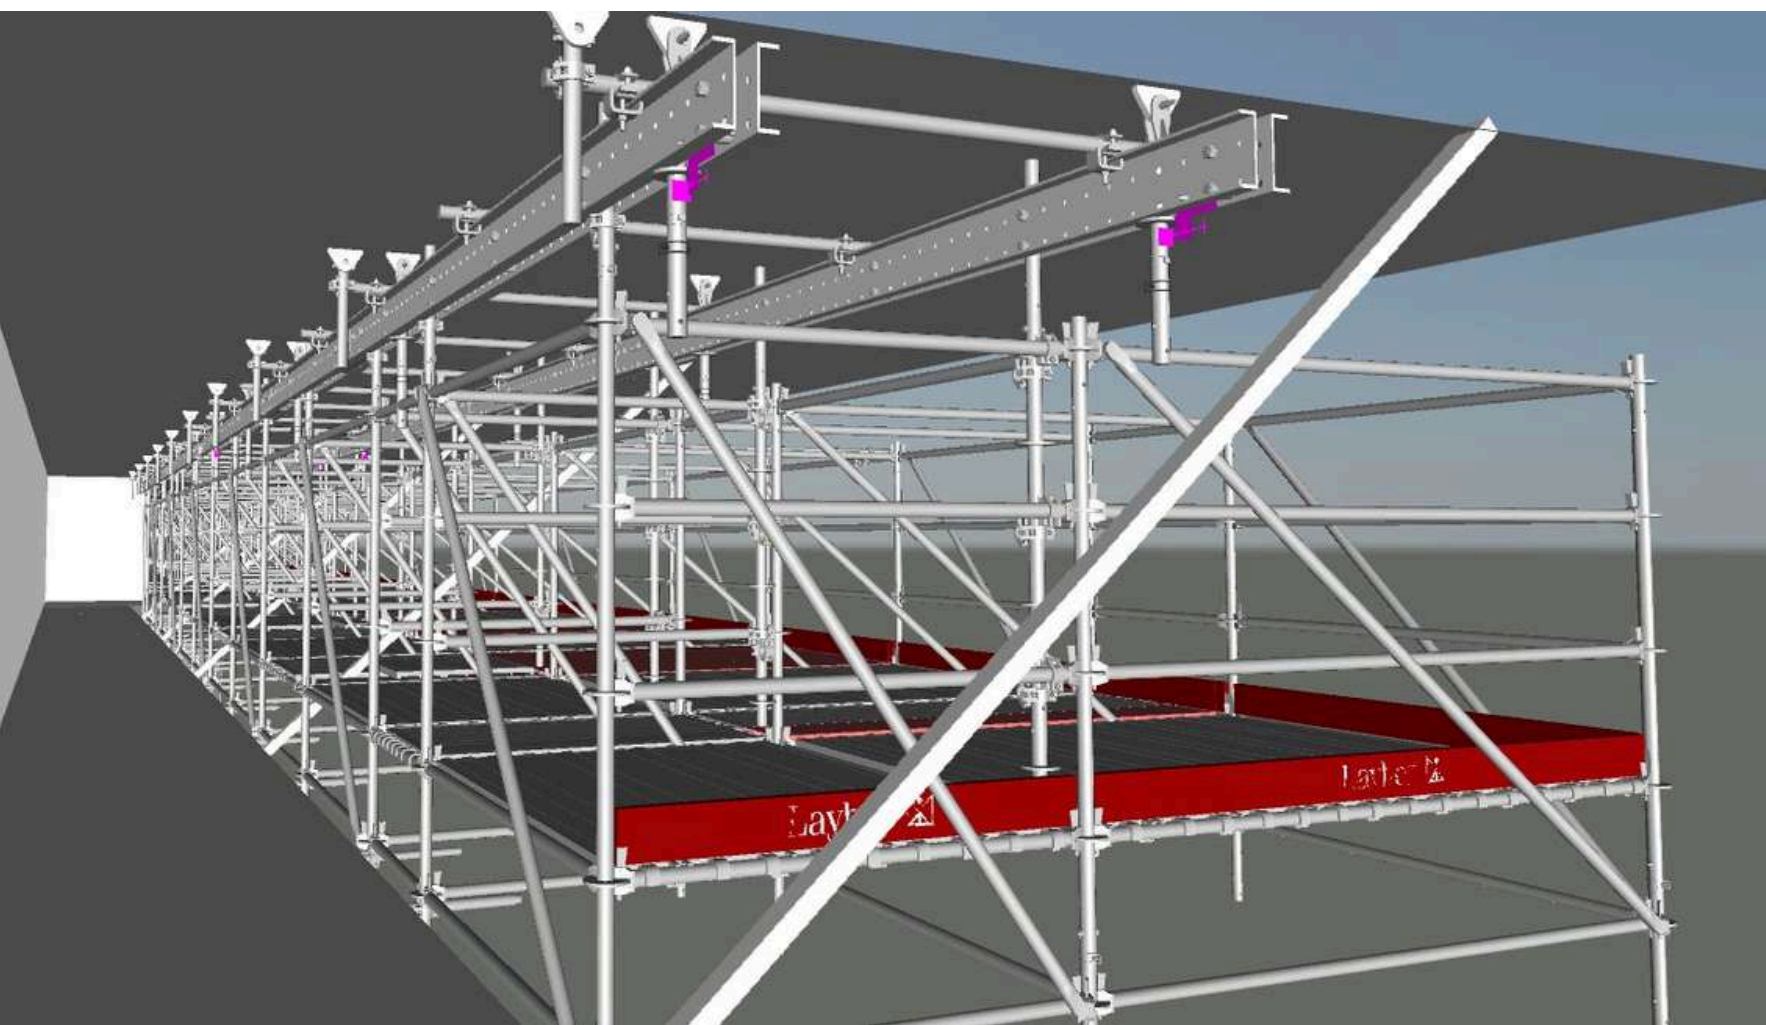

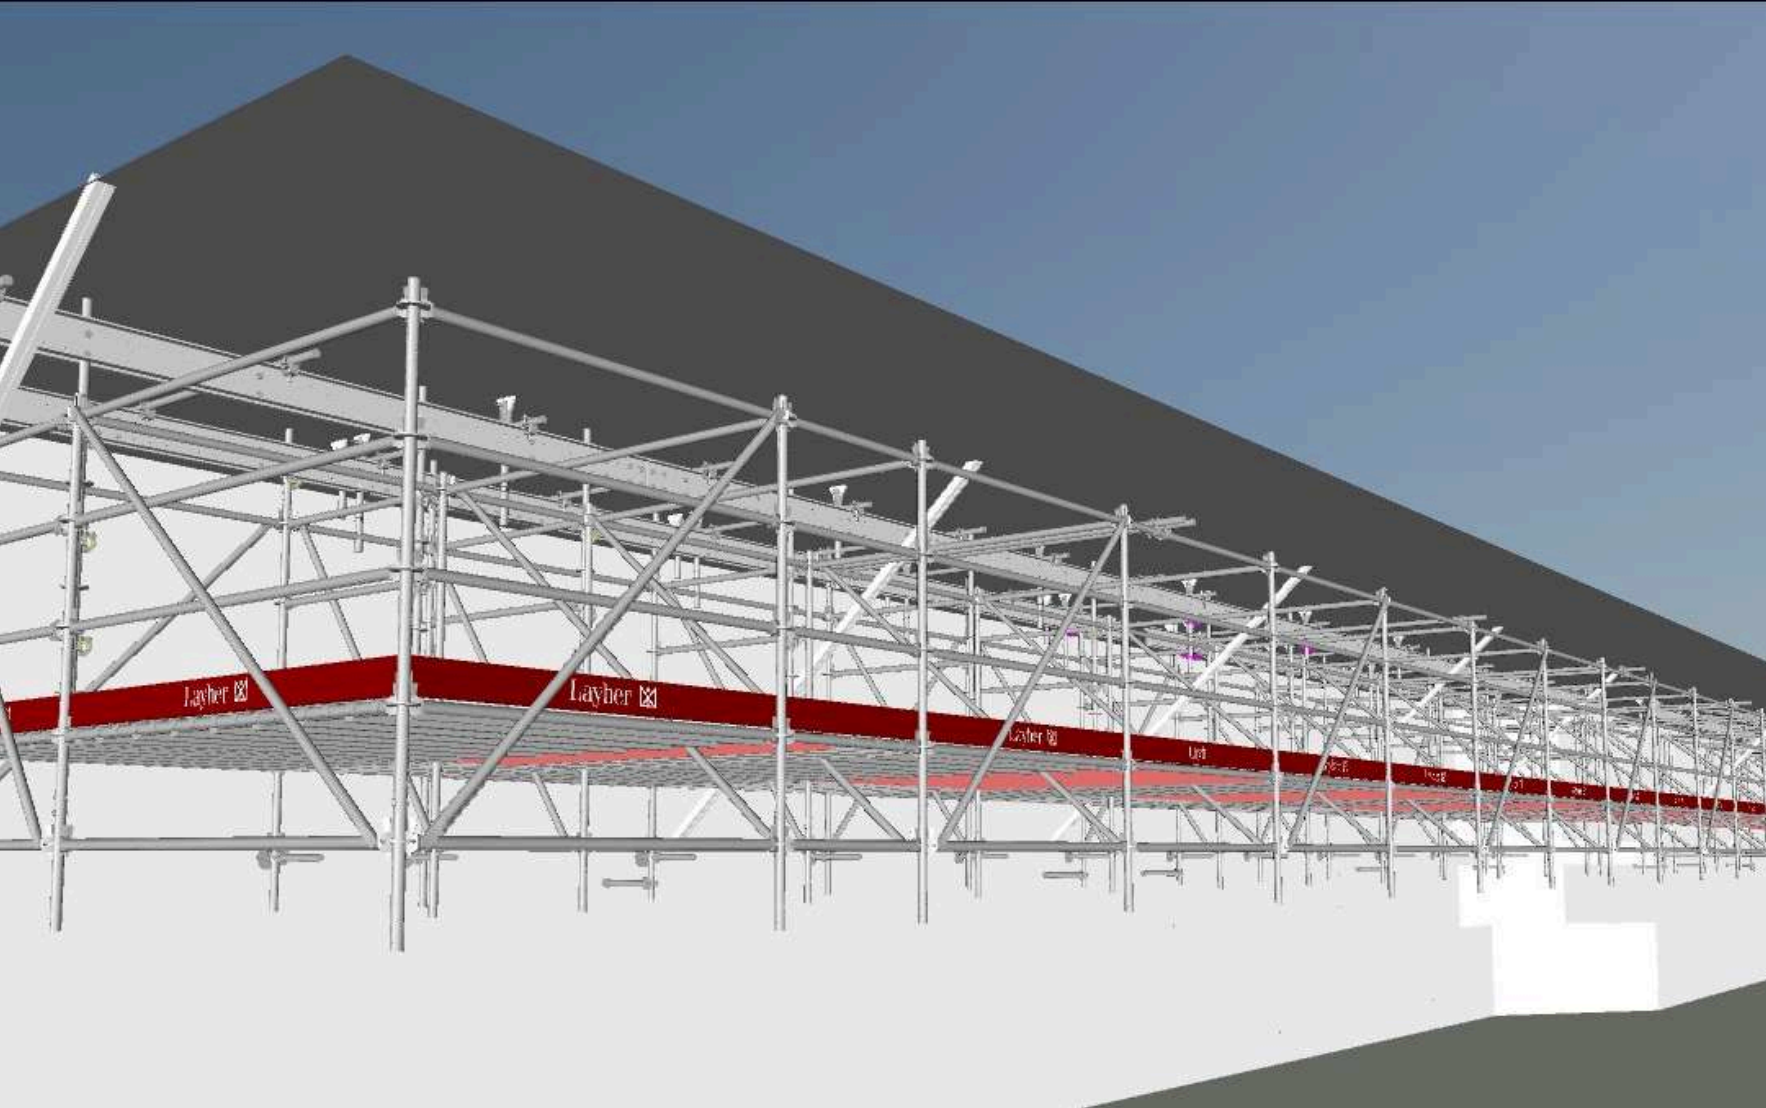

**Quality Assurance:** Rigorous testing ensures compliance with safety standards and exceeds client expectations.

**Completion:** Projects are delivered on time and within budget, with ongoing support and maintenance provided.

From concept to completion, Globalita delivers excellence in scaffolding services, making visions reality.

# SCAFFOLDING

## Scaffolding Solutions Tailored to Your Needs

At our company, we specialize in providing comprehensive services for the installation and removal of various scaffolding systems. Our top priority is always safety and quality, ensuring that each project meets rigorous standards.

We take pride in delivering dependable and cost-effective solutions, creating a safe working environment for all our clients. With a focus on the industrial sector, our expertise shines in environments such as paper mills, oil refineries, nuclear power plants, the food industry, shipyards, and civil construction projects.

Count on us for efficient scaffolding services that prioritize safety, reliability, and customer satisfaction.

# INSULATION

**UAB Globalita** specializes in providing tailored insulation solutions to meet diverse customer needs, ranging from pipelines and equipment to ventilation systems and tanks. Our insulation services are essential for regulating temperature and reducing noise generated by machinery. With a primary focus on fire insulation within the shipbuilding industry, we excel in installing insulation on any surface as per our customer's requirements.

We work with a variety of high-quality insulation materials, including Paroc, RockWool, Isover, Superwool, Armaflex, K-Flex, Foamglas, Pyrogel, and more. Our expertise extends beyond mere installation; we ensure that each material is carefully selected and applied to optimize performance and longevity.

# INSULATION

Welcome to **Globalita** – Your Partner in Superior **Insulation Solutions**.

What Sets Us Apart?

**1. Tailored Solutions:**

- We understand that every project is unique. That's why we offer customized insulation solutions tailored to your specific needs, whether it's pipelines, equipment, ventilation systems, or tanks.

**2. Premium Materials:**

- Partnering with industry-leading brands like Paroc, RockWool, and Isover, we ensure the highest quality insulation materials for optimal performance and longevity.

**3. Specialization in Fire Insulation:**

- In the shipbuilding industry, fire insulation is crucial. Globalita specializes in fire insulation, providing expertise and solutions that meet the highest safety standards.

**4. Seamless Installation:**

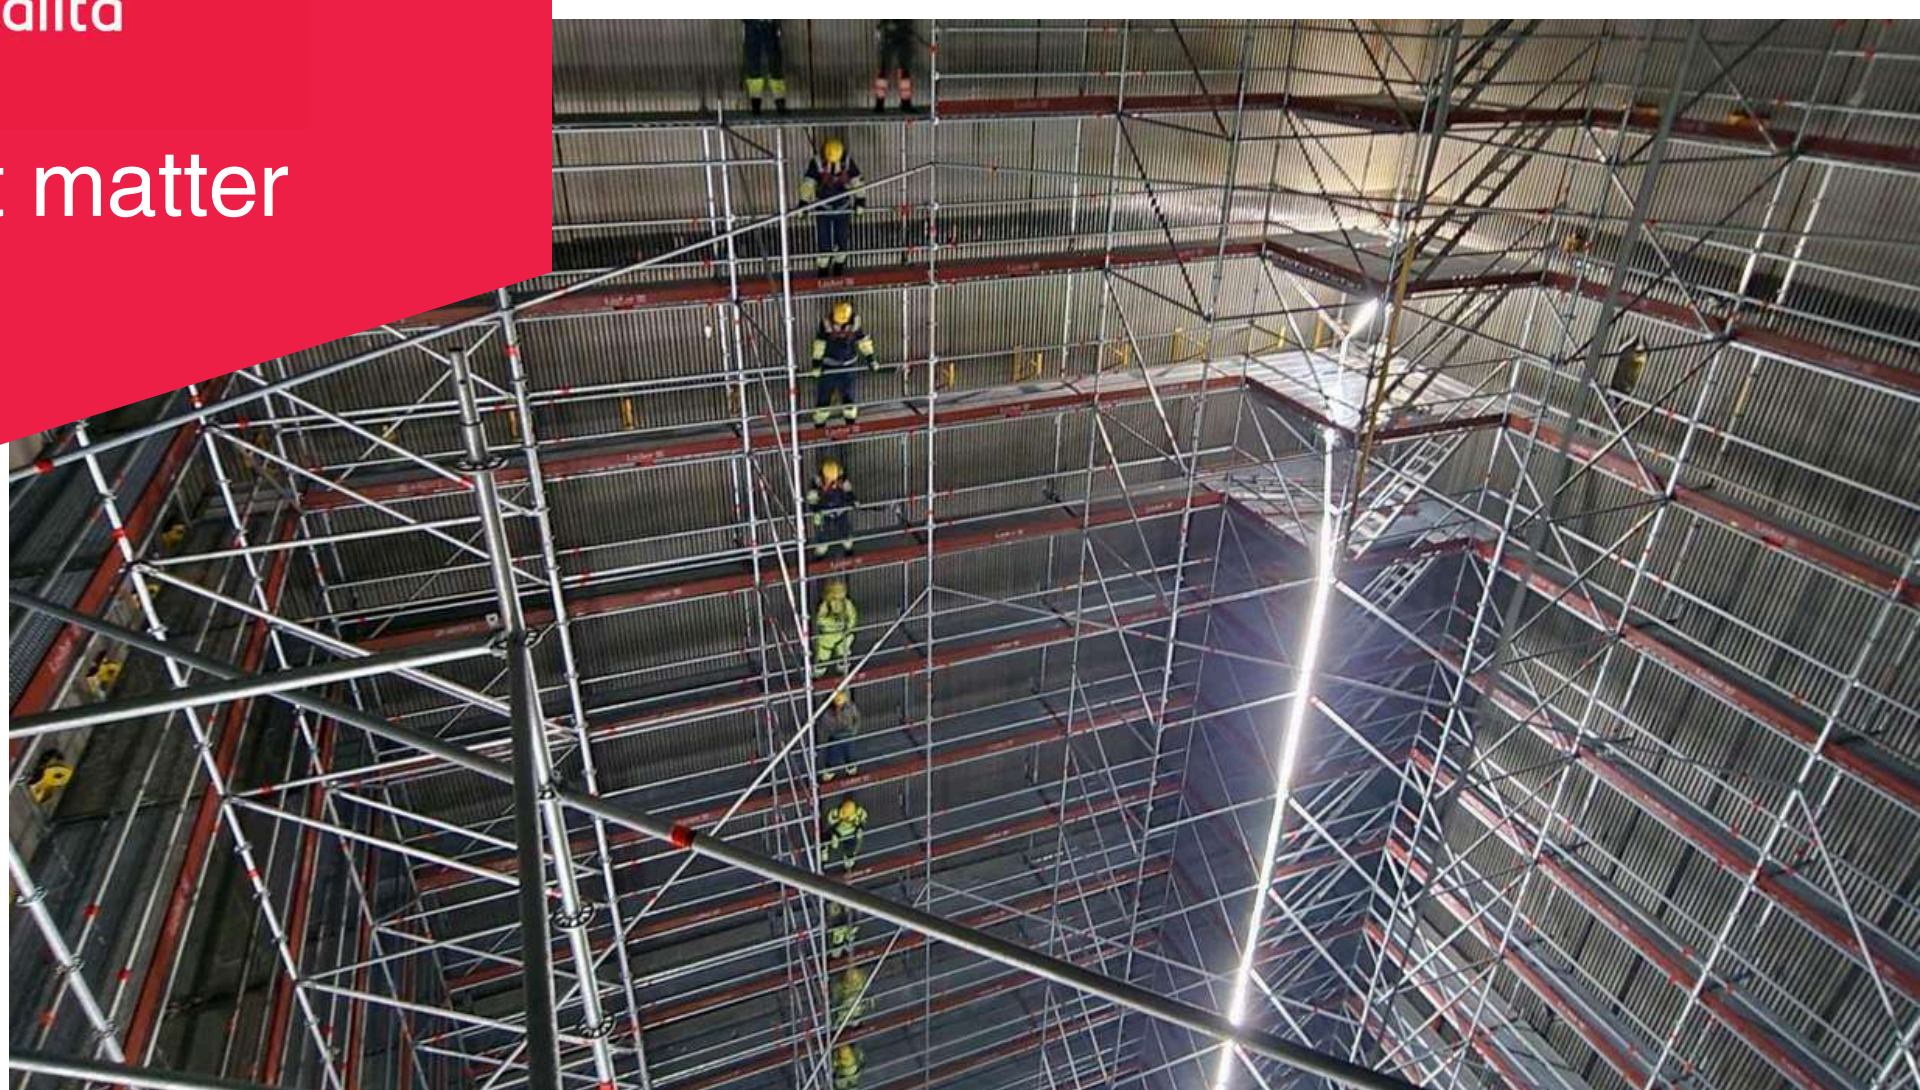

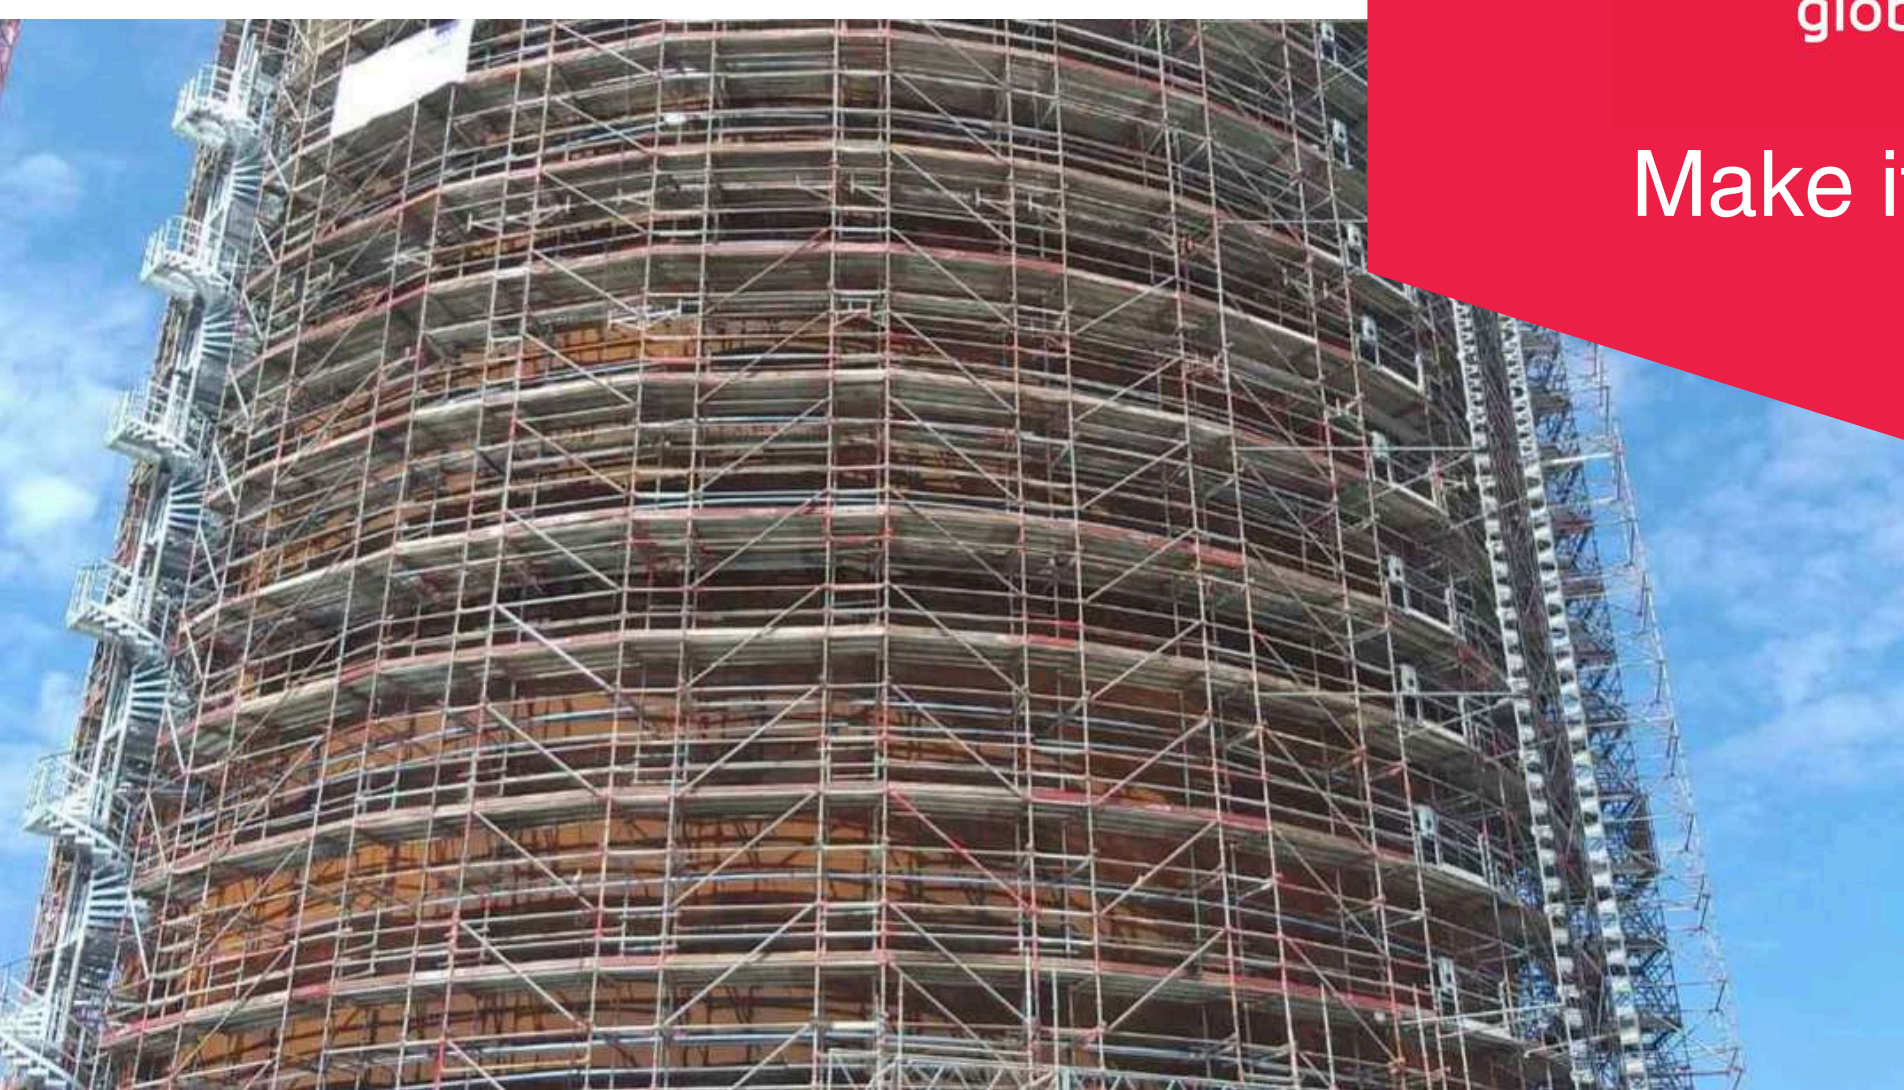

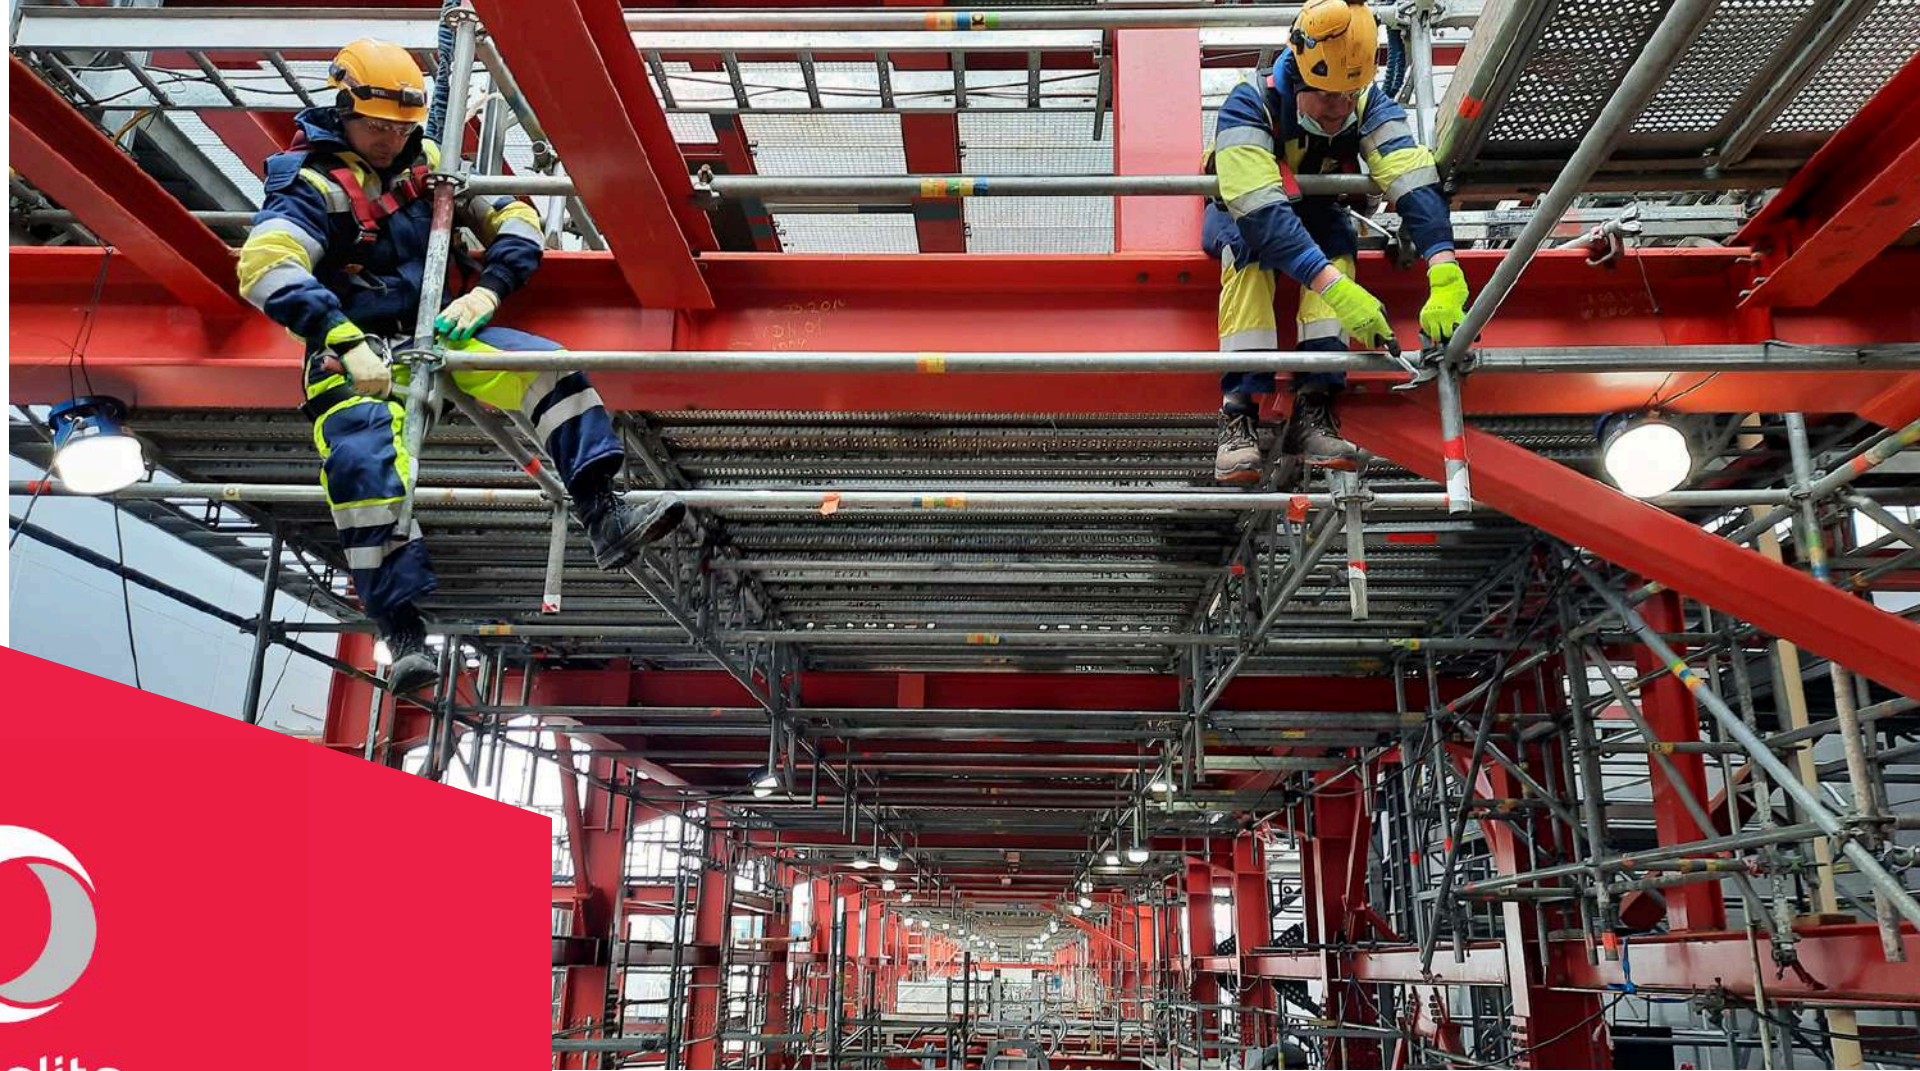

- Our skilled professionals ensure flawless installations, delivering efficiency, durability, and cost-effectiveness, regardless of the project's scale or complexity.

**5. Commitment to Excellence:**

- We prioritize customer satisfaction and strive for perfection in every aspect of our service, aiming not just to meet expectations but to exceed them.
