HONEY SOUFFLÉ®

PRÉSENTATION

THE NEW HEALTHY, GOURMET AND INNOVATIVE SPREAD

OUR FAMILY COMPANY

Panacea is a **family-owned startup**. A company that embraces its local heritage to innovate and provide a solution to some of tomorrow's most pressing food challenges. Located **in the very heart of an organic and sustainable region, between Bordeaux and Cognac**, Panacea's vision is to forge a national synergy to promote our creations and savoir-faire on an international scale.

Our **heritage and experience** in beekeeping, combined with a strong passion for innovation, has brought us to create **Honey Soufflé®** with superfoods.

WHAT IS HONEY SOUFFLÉ ?

Honey Soufflé® is a honey with a smooth, light, airy texture obtained through a low-temperature **stirring technology**.

Just **like a spread**, it's not liquid, it doesn't run, and it doesn't crystallize.

We've enhanced it with organic **superfoods** that give it even more **benefits, unique flavors and original colors**.

HEALTHY

Enriched with organic superfoods to enhance this spread with even more health benefits, original tastes, and 100% natural colors. Wellbeing at its core!

INNOVATIVE

Light, airy texture, naturally attractive colors and superfoods are the key for this alternative to sweet spreads
