Per queste ragioni, **vivendo nella capitale d'Europa**, ho deciso di aiutare un settore in crescita ma che vive importanti debolezze soprattutto per l'accesso ai fondi europei.

Pour ces raisons, **grâce à ma permanence dans la capitale d'Europe**, j'ai décidé d'aider un secteur qui grandit mais qui vit des énormes faiblesses, surtout pour l'accès aux Fonds Européens.

For these reasons, **thanks to my permanence in the capital of Europe**, I decided to help the sector that is growing up but that lives big weakness, above all for the access to finance at European Level.
