

Creating the

Perfect Heat

STEAMSAUNA SINGAPORE PTE LTD

Company Profile 2025

Why
SteamSauna Singapore

We believe in the transformative power of heat therapy.

For centuries, cultures worldwide have harnessed its benefits for vitality and well-being.

Now, backed by scientific research, we know that heat therapy can significantly improve cardiovascular health, mental clarity, and overall resilience.

That is why we are dedicated to making this ancient practice accessible and convenient for modern life.

By prioritizing self-care, mental wellness, and relaxation, our heat therapy expertise empowers individuals to unlock their body's natural ability to heal, rejuvenate, and thrive.

Our goal is to cultivate a society of vibrant individuals enjoying enhanced quality of life through the transformative power of heat therapy.

WELLNESS... THROUGH HEAT THERAPY

CITYLIFE @ TAMPINES (STEAM)

SteamSauna Singapore

How we do

We believe that true well-being is a holistic journey, encompassing mind, body, and spirit.

Our approach transcends the mere installation of heat therapy equipment; **we craft immersive wellness experiences.**

We assist you to embark on a transformative path that begins with pre-therapy preparation till post-therapy relaxation.

These elements, meticulously curated to harmonize with the heat therapy experience, create a sanctuary where you can fully immerse yourself in the journey towards optimal well-being

SteamSauna Singapore

What we do

We specialize in designing, constructing, maintaining, and refurbishing steam, sauna, contrast, and other health-enhancing facilities.

Our focus extends beyond the physical structure to encompass a comprehensive wellness journey.

From the initial concept to the final relaxation, we meticulously curate every element to harmonize mind, body, and spirit.
