

Our Methalox Product Portfolio

L500

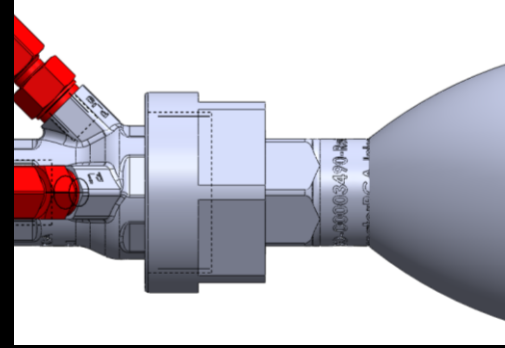

- Space Tug main engine
- Optimized for **multi-phase cooling**
- $ISP \gg 340s$
- 500N nominal thrust

G500

- RCS thruster
- Optimized for gaseous propellants
- **Pulse-mode capable**
- Dual-mode operation
- $ISP \gg 340s$
- $MIB < 9Ns$
- 250-700N thrust

G25

- **Attitude control thruster**
- 25N nominal thrust
- Optimized for small MIB

IG40

- Quasi-hypergolic igniter
- 40kW TDP
