

# Rep. Brazil Comércio e Import. Ltda

**Rep. Brazil Comércio e Import. Ltda** is a dynamic international trading company specialized in the distribution of high-quality food products, including animal protein and sugar, to the Chinese market.

With a strong focus on strategic sourcing, cost-effective solutions, and market intelligence, we assist our clients in identifying the most reliable suppliers worldwide. Our commitment to excellence ensures access to premium products at competitive prices.

# Our Origin and Structure

**Affiliated with the L&O INTERNATIONAL Group.**

**Headquartered in Foshan, Guangdong, China.**

Our strategic location enables access to global markets and efficient supply chains.

**Over 15 Years in International Trade**

More than a decade of operations has given us deep expertise and a strong global network in international commerce.

**Core Specialization**

- Import and distribution of food products in China;
- Strong sourcing partnerships in Brazil, USA, Mexico, United Arab Emirates, and Hong Kong;
- Special focus on animal protein and sugar;
- Customized strategies for clients looking to enter the Chinese market;

# Commitment to Excellence

## Integrity

We operate with complete transparency and ethics in all business dealings.

## Quality

We ensure products that meet the most rigorous international standards.

## Freshness

We operate with excellence in the distribution of animal and plant-based proteins, ensuring quality, freshness, and complete food safety.

# Areas of Operation and Focus

## Global Import

We import products into China from key markets such as the United Arab Emirates, USA, Mexico, Brazil, and Hong Kong.

## Food Distribution

Our core focus is the efficient distribution of animal and plant-based food products, including: beef, poultry, pork, refined sugar, brown sugar, among others.

## Product Diversification

In addition to food, we distribute a variety of other products, adapting to market demands.

# Areas of Operation and Focus

## 1 **Guangdong**

An important economic and port center, it facilitates the entry and distribution of products.

## 2 **Shantou**

Strategic commercial center with strong demand for diverse imported goods.

## 3 **Shanghai**

One of the largest financial and logistics centers, crucial for accessing major consumer markets.

## 4 **Shenzhen**

Hub of technology and innovation, with a young population and strong purchasing power.
