Cookies *with* Sense

organic cookies

Thanks to the carefully selected ingredients, our **Cookies *with* Sense** will have a **positive effect on body and mind.**

All recipes are inspired by the Benedictine nun **Hildegard von Bingen**. Her writing about nature and traditional medicine mention the positive health effects of baking ingredients and spices. We try to renew this holistic approach with our **Cookies *with* Sense**. One can **feel and taste it with every bite.**

Good Feelings organic cookies

To bring a little fun and joy into your life. These cookies are excellent for every occasion. The perfect combination of spices like **cinnamon**, **nutmeg** and **cloves** will provide you with good feelings and will let the sun shine even on rainy days.

Happy Hours organic cookies

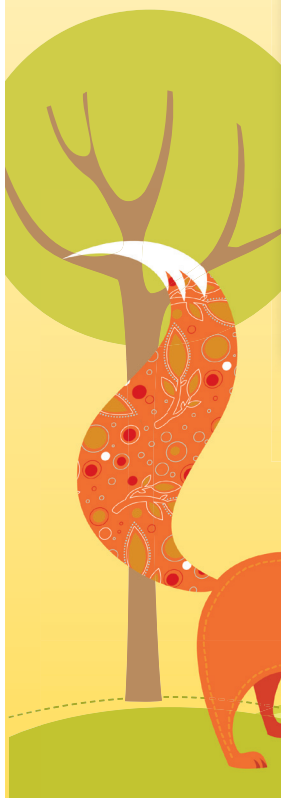

For relaxing, uplifting occasions, our **Happy Hours** cookies with their **Delightful Chestnut** taste will provide you with uplifting relaxing moments for any and all occasions. The Chestnuts are not just uplifting for your spirit, they also raise the serotonin level in your brain.

Clever Fox organic cookies

Having lots to learn, important tests and difficult tasks to solve, our **Clever Fox cookies** help you to master these situations with ease. Nuts bring life to those grey cells and delicious flavour to your taste buds. Besides **vitamins** and **trace elements** they are rich in **lecithin** which gives your **brain a boost**. If our **Cookies with Sense** do not win a Nobel Prize, they will win over your taste buds anyway.
