

Kveloce

YOUR IDEAS ARE OUR PROJECTS

Our Company

Kveloce is an international consultancy specialised in research and innovation funding.

Since 2001, Kveloce has focused on building, developing and bringing to life projects and ideas in many different domains, assisting public and private research organisations, universities and institutions.

Our mission is to provide the highest possible standard of knowledge and expertise to research and innovation projects ensuring their best chances of success and to contribute to the scientific progress that improves our society.

Our vision is to become the reference point for the scientific and research community, specialising in the most prestigious and excellent European funding programmes.
