About Kien Yu

KIEN YU TEA based in Taipei Taiwan, established in 1955, is currently the largest EU certified organic tea producer and exporter. We play a leading role in organic farming.

Our customer includes tea traders from world-wide, particularly Hamburg, New York, London, Amsterdam, Tokyo and Singapore. Among KIEN YU TEA product lines are, fine tea powder, various whole leaf tea, broken, RTD grades and teabag grade TBG. We also develop for customers unique tea, e.g. GABA, Cinnamon Tea or Rose Pouchong.

KIEN YU supports sustainability and ESG efforts. We formed among our EU certified organic leaf farmers a Sustainability Agriculture Co-op to promote organic farming and increase carbon reduction contracted gardens. We do not use chemical fertilizers nor weed killer nor pesticides. We encourage tree planting and healthy soil for biodiversity.

We are committed to introduce best Taiwan tea - a true hidden gem, healthy, clean/safe, all natural organic Taiwan tea to the world.
