

## ACCELERATE INNOVATION: REGISTER AS A PILOT SITE

The ACE project invites care organisations within the North Sea region to take a role in shaping the future of homecare. Register as a pilot site and immerse yourself in a vibrant community, connecting with solution providers from six European countries (Sweden, the Netherlands, Denmark, Belgium, France, and Germany).

### ***Eligibility:***

You **must be located in one of the North Sea regions** (see [the list of eligible north sea regions](#))

### ***Why join the ACE platform:***

- **Register as a pilot site** and connect with new innovations rated TLR 7 or higher, not yet available in your region.
- **Cutting-edge solutions:** Explore a diverse range of homecare products and services from registered companies, carefully tailored to enhance your caregiving experience and meet your specific needs.
- **Community connection:** Engage with a vibrant community of care providers and companies in the North Sea Region, fostering collaboration and knowledge-sharing.
- Stay informed about the latest advancements in homecare.

### ***How to join the ACE community platform and register as a pilot site:***

- Visit the ACE Platform: <https://www.b2match.com/e/interreg-ace-project>
- Register for free by following **the step-by-step registration manual** [here](#).

---

ACE

- Complete your profile to showcase your organisation's uniqueness and connect with homecare stakeholders in the North Sea Region, and register as a pilot site as indicated in the manual.
- Discover solutions that align with your specific needs.
