THE AGA KHAN UNIVERSITY

Collaboration with Partner Institutions for Research
Initiatives in LMICs

About the Aga Khan University (AKU)

Who We Are:

AKU, a not-for-profit institution in the Aga Khan Development Network (AKDN), improves quality of life through leading education, research & healthcare across Asia & Africa

Our Vision:

AKU will be an autonomous, international institution of distinction, primarily serving the developing world and Muslim societies in innovative and enduring ways.

AKU Research Pillars

Identifying & Cultivating Emerging Research Themes

Improving on Research Strengths, Coordination & Governance

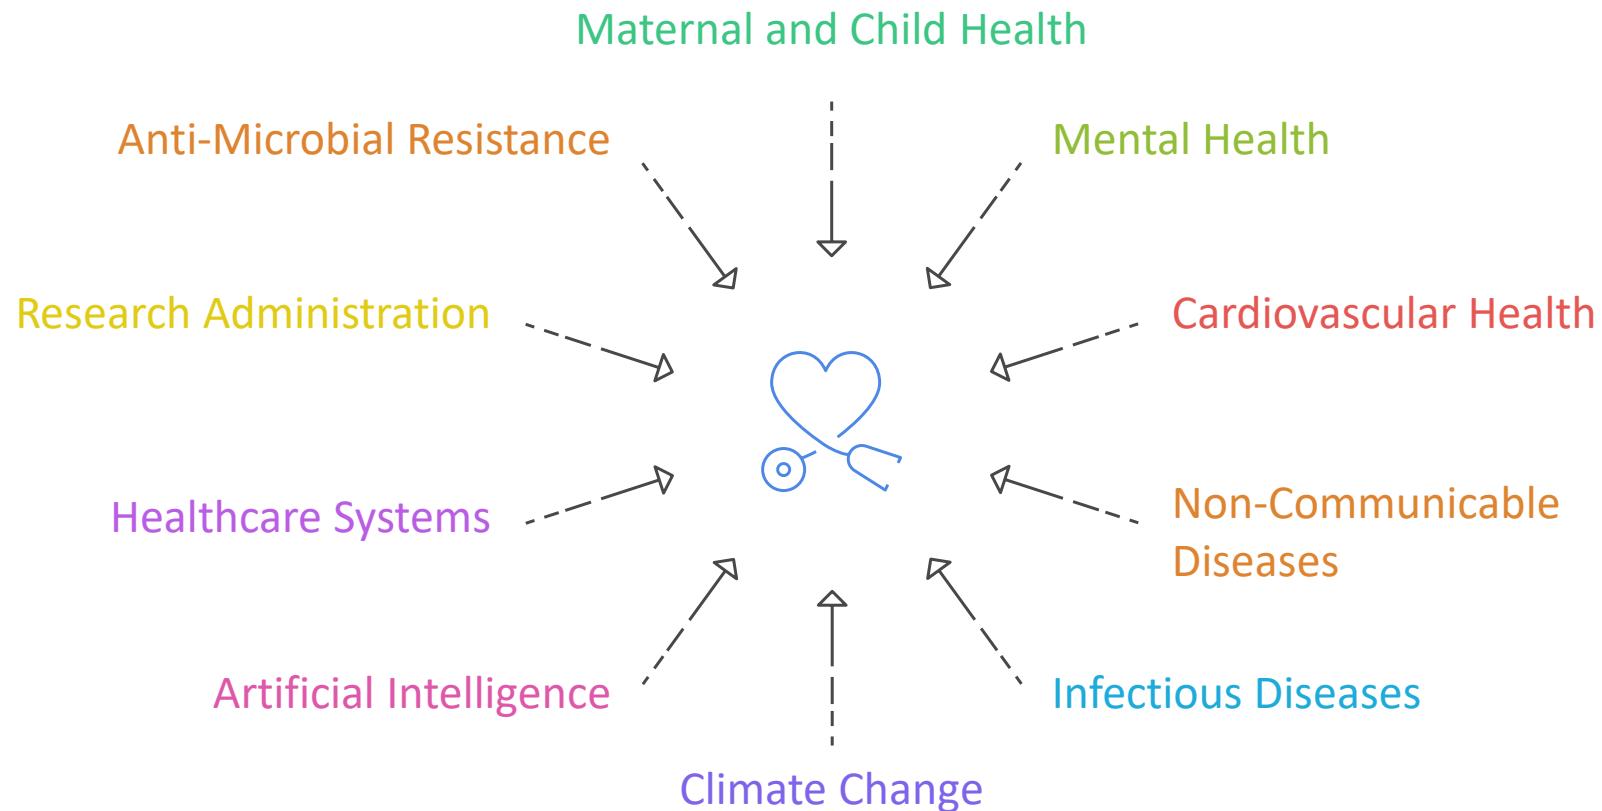

Establishing a supportive environment for next generation of researchers at AKU

Enhancing AKU's impact on the Knowledge society by identifying contextually relevant research metrics and improving knowledge dissemination

Research Themes in Healthcare

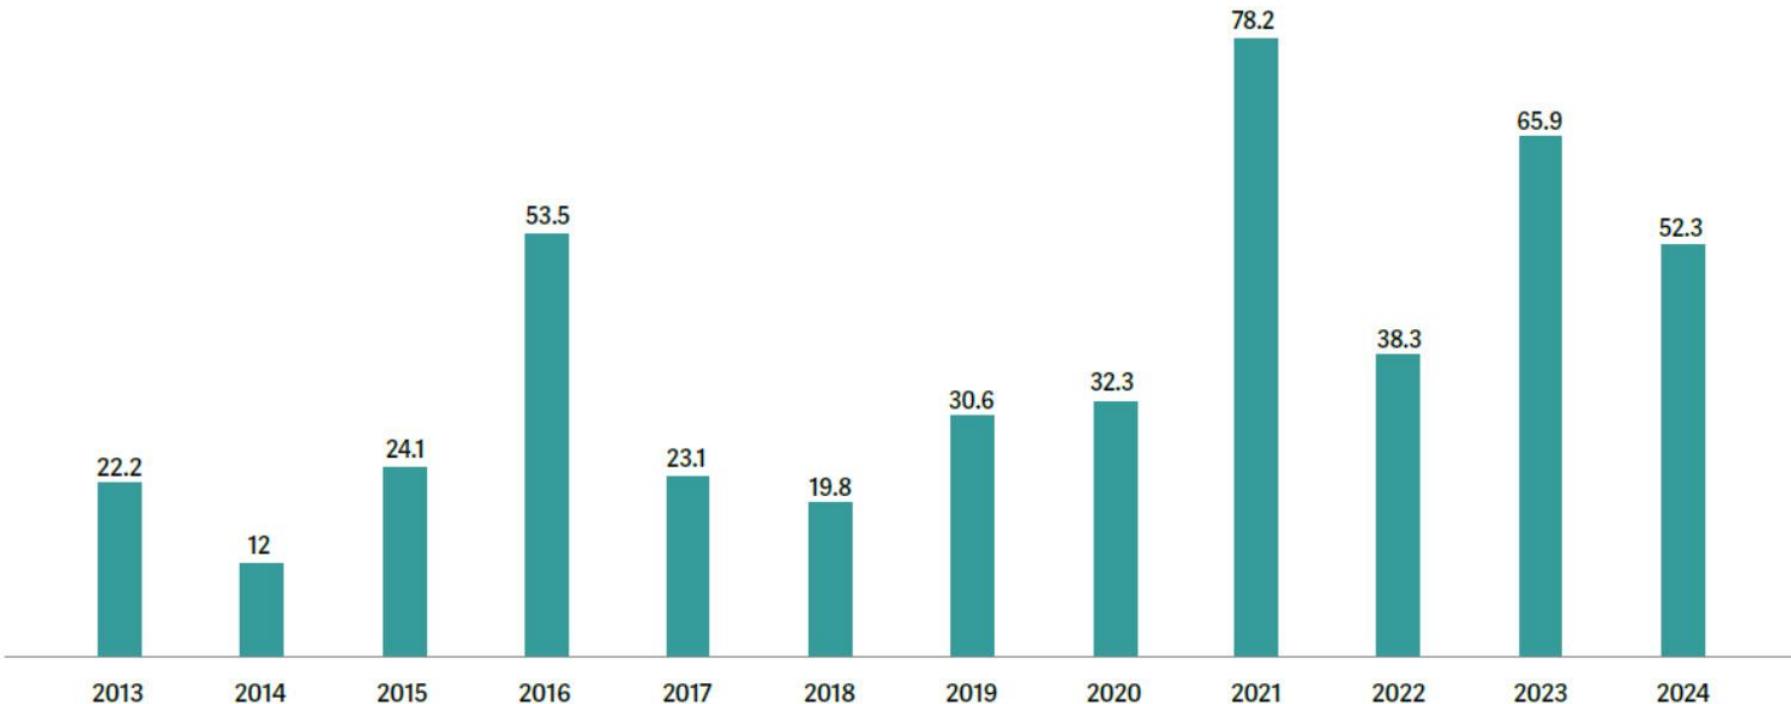

Extramural Grants Submitted and Received | 2013-2024

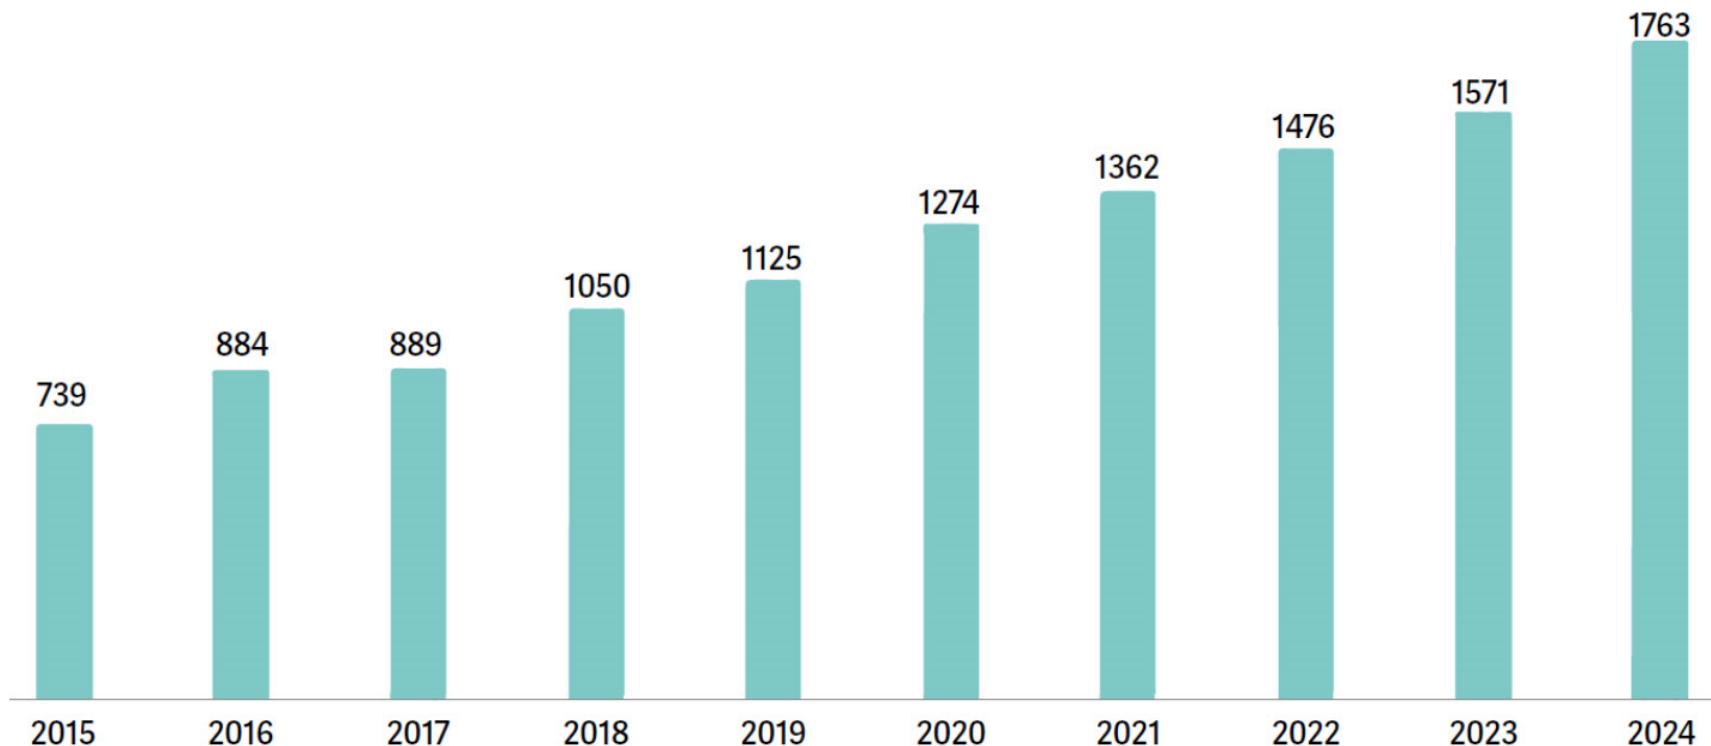

From 2013-2024, AKU received funding for 1,484 extramural grants.

Grants Received (US\$ in Millions) | 2013-2024

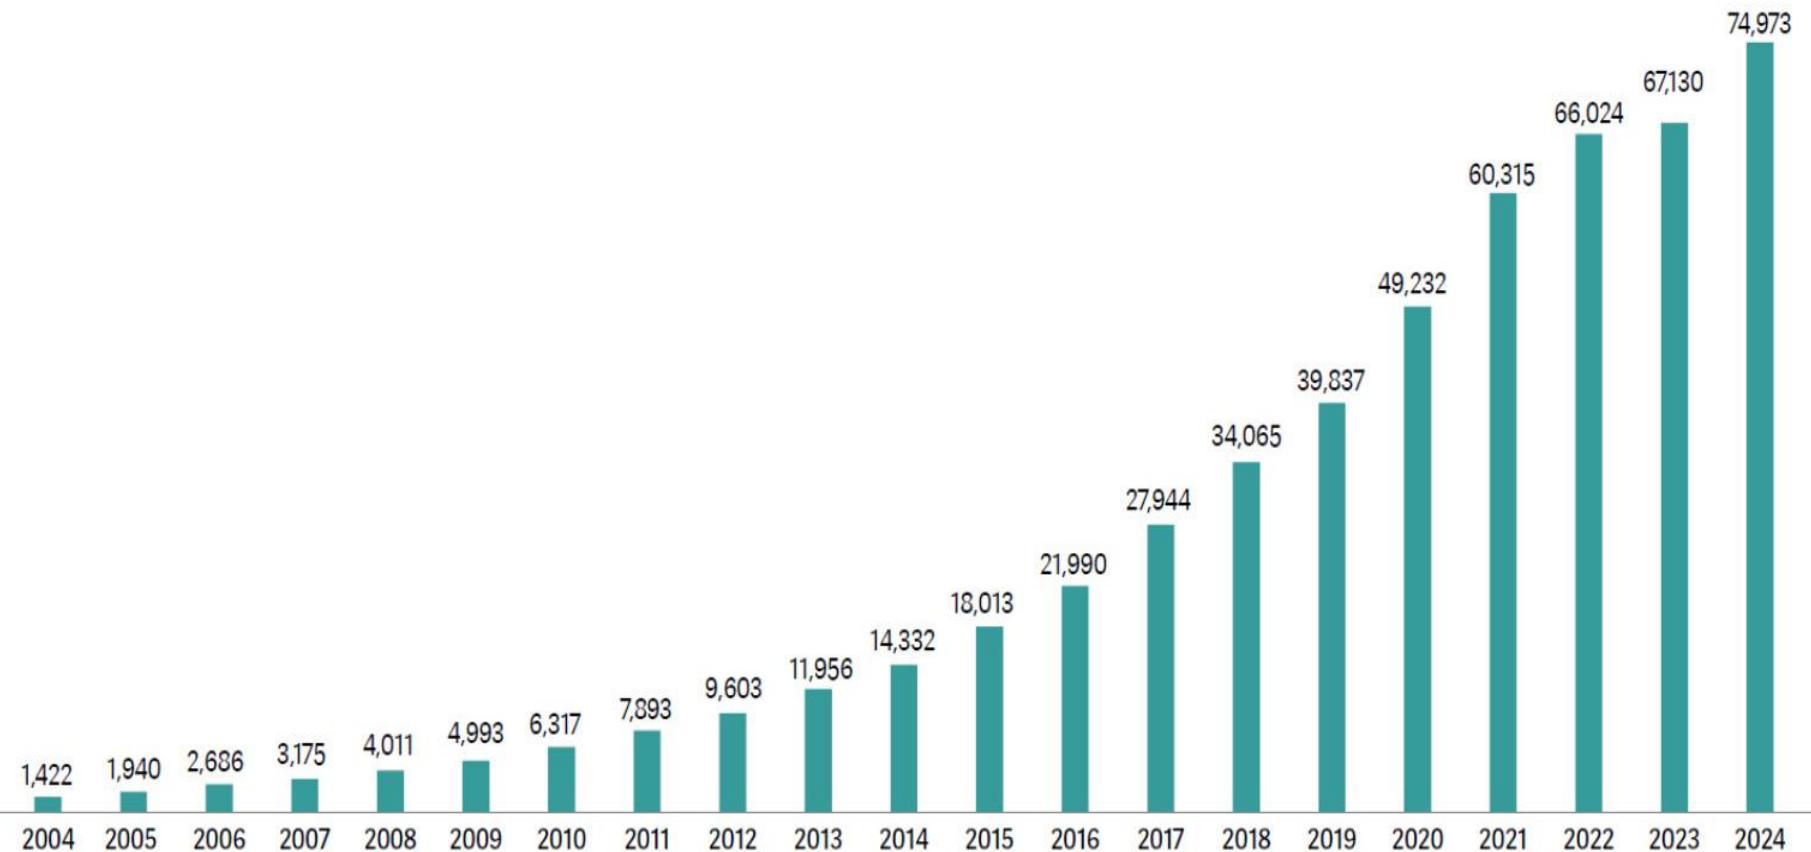

AKU received extramural grants worth \$452.3 million from 2013-2024.

AKU Publications in Peer-Reviewed Journals | 2015-2024

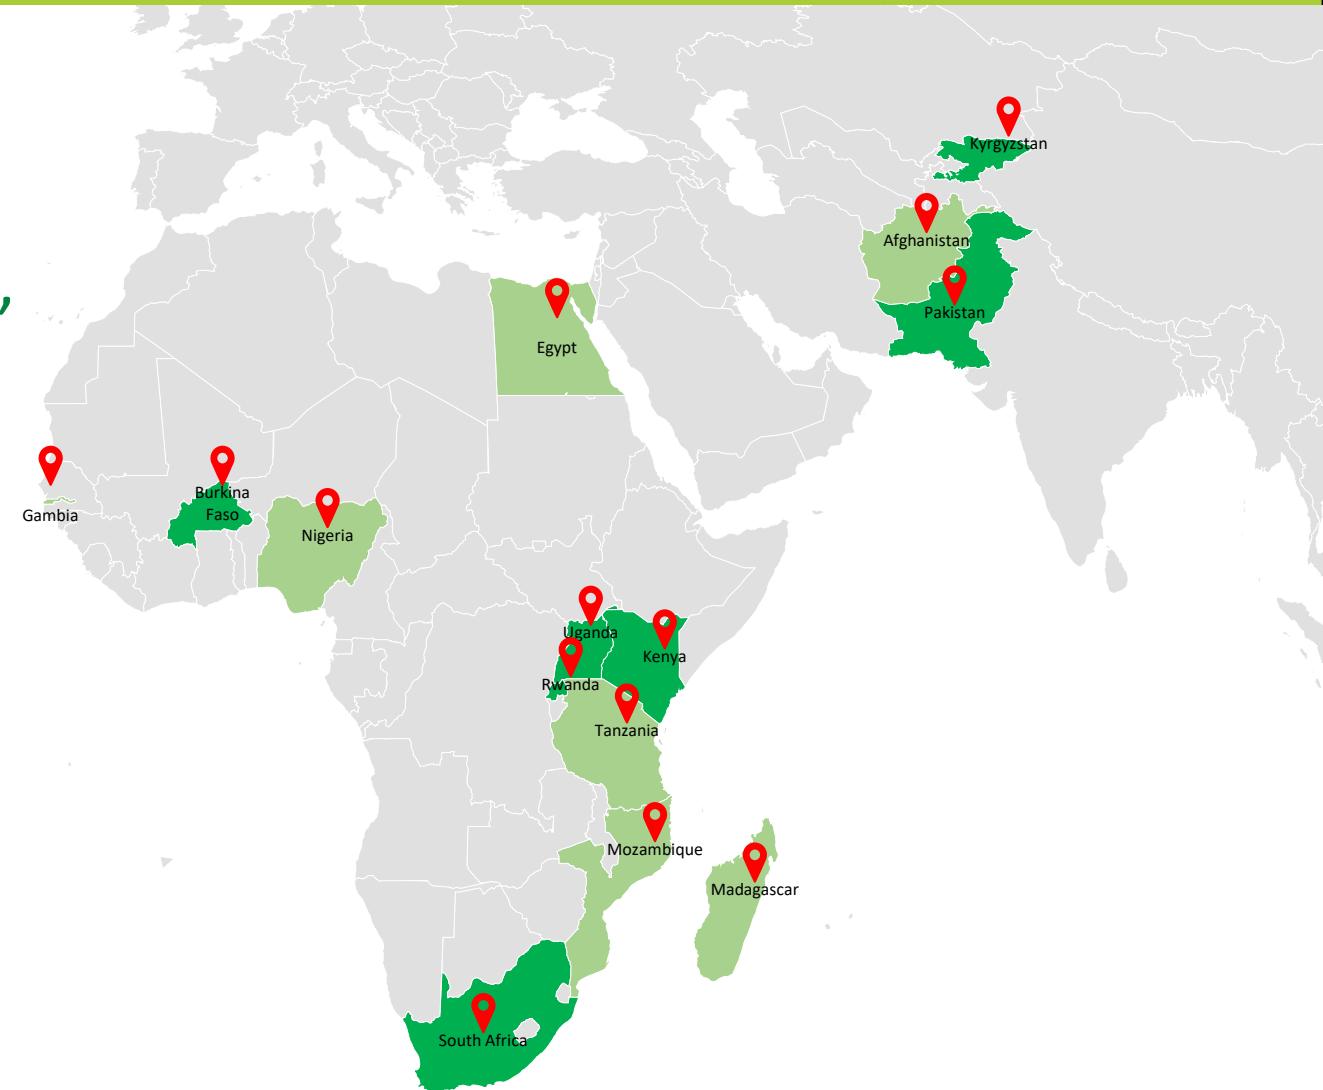

AKU faculty and staff published 12,133 articles in peer-reviewed journals from 2015-2024.

Annual Citations of AKU Publications 2004-2024

Societal Impact/Public Discourse:

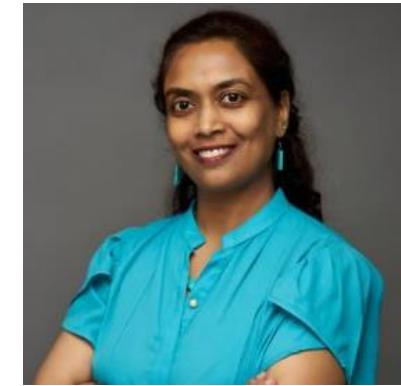

Summary of Research Impact (Inception till 2024)

Aga Khan University research has been **mentioned over 208,500 times online** in a variety of places.

- Our research has been mentioned in over **14,500 news stories in 113 countries**, including:
 - 201 stories in The Conversation
 - 49 stories in BBC News
 - 45 stories in New York Times
 - 42 stories in CNN News
- AKU faculty members have published at least **148 books** since inception
- Aga Khan University research has influenced **5,347 policy documents in 25 countries**, including:
 - 3,603 documents from WHO
 - 511 documents from World Bank
 - 275 documents from Food and Agriculture Organisation
 - 82 documents from National Academies of Sciences, Engineering and Medicine
 - 72 documents from NICE
 - 70 documents from UNICEF

Milestones and Accomplishments in Research Administration

Platinum certification under the Good Financial Grant Practice (GFGP) for AKU RO in East Africa (Awarded)

Gold certification under the Good Financial Grant Practice (GFGP) for AKU RO in Pakistan (Awarded)

NAVROZ NAZAR ALI
Manager, Grants and Contracts, Finance Division

Society of Research Administrators International (SRAI)'s *Future of the Field* honoree 2025

ADNAN ALTAF
Senior Manager, Research Office

Society of Research Administrators International (SRAI)'s *Future of the Field* honoree 2025

MELAINE D'CRUZE
Director, Research Office

Emerging Excellence in Research Administration Award from the National Council of University Research Administrators (NCURA)
SRAI JRA Author Fellowship Programme 2025

European Research Funding

Jan-Dec 2025

Project Title	Funder
AI in Journalism: Exploring AI Circles in Journalism (J-AIC)	German Research Foundation
Tungiasis in East-Africa - an interdisciplinary approach to understand the interactions between parasite and host - Project Phase II"	German Research Foundation
