INNEXA ALLIANCE

Introduction

I, the undersigned _____, as _____ (specify the role within your organisation; legal representative, director etc.) declare my intent to join the **INNEXA ALLIANCE and to take part in the INNEXA ALLIANCE first Event 2025 wich will take place in Madrid on the 4th and 5th of November 2025**. I fully understand and accept the commitments, responsibilities and conditions outlined below.

1. Network Objectives

INNEXA is an International Alliance created by EXEO LAB for Industry, Research and Innovation across Europe and beyond based on the Quadruple Helix Model. **INNEXA aims to be the bridge which fosters new international business alliances between member organisations**, promoting their long-term growth through solid partnerships and transnational cooperation.

As a network member, I commit to promoting mutual cooperation, sharing opportunities and ensuring the dissemination of funding opportunities and best practices among INNEXA Members.

2. Participation in Networking Event

I commit to attending the **INNEXA ALLIANCE Event in Madrid on 4th and 5th of November 2025**.

I understand that travel and accommodation expenses will not be covered by the INNEXA promoters.

In addition, I commit to the payment of the participation fee of **€200**, which includes both **the annual INNEXA membership and the participation of one representative in the Madrid 2025 Event**. And **an additional fee +€100 shall apply for the registration of each extra representative from the same organization** to cover participation costs (breakfast, lunch, coffee, and drinks, equipment and other services for two working days).

I commit to pay the participation fee at the moment of the registration aware that the registration process is open **until the 1st of October 2025** and I understand that only after the payment will my access to the platform be given. The payment will be delivered to the Promoter Partner's bank account:

Lastly, I acknowledge that I will have the chance to upload the payment receipt (proof of payment) into the B2Match platform during the registration process.

The invoices will be sent via e-mail by info.innexa@gmail.com once all the necessary information and details will be added during the registration process by members.

3. Contribution and Commitment to the Network

I commit to present **at least one concept note with a project idea** by fulfilling the main section on the B2Match platform called "Marketplace". I am aware that I can submit all the required information about it and upload a whole detailed document addressing all the requirements that will be following mentioned.

The project ideas will:

- be submitted to B2Match platform in the area of "Opportunity" **by the 10/10/2025**.
- be presented during the INNEXA ALLIANCE Event;
- include the following minimum information:
 - Reference to any EU or international funding program (call for proposals, action, etc.) expiring by the end of 2026;

- Project title;
- Main objectives of the project;
- Expected results;
- Preliminary structure of work packages and list of expected outputs;
- Description of ideal partner profiles to be involved, according to INNEXA's framework;
- Willingness to lead the project as consortium coordinator.

I commit to take the lead on the development, partnership creation and submission of the above-mentioned project ideas, by prioritizing the involvement of the INNEXA ALLIANCE members, if possible.

4. Code of Conduct and Responsibilities

I agree to comply with the network's code of conduct, maintaining a professional and accountable attitude during all collaborations within INNEXA.

I commit to fulfilling deadlines and obligations with INNEXA Members, actively contributing to the network's success and the collective projects.

I am aware and follow the spirit of cocreation and cooperation of INNEXA ALLIANCE, this is why I am not intended to sell any project design services to members inside the alliance.

I understand that my role within the network requires continuous engagement, transparency, trust and the mutual exchange of information.

I am aware that I retain ownership of my intellectual property and I will not misuse or disclose others' ideas or materials without their consent.

Final Provisions

By signing this declaration, I confirm my commitment to INNEXA ALLIANCE's principles and objectives.
