COMPANY PROFILE

SINCE 1983

Vivek Electroplast Pvt. Ltd.

Mfg. & Exporter of Home Appliances & Engineering Polymers

Established in 1983, For generations, Lesco home appliances have been making everyday life a bit easier. We do some of the work for you. We make sure that the housework is finished faster. We give us more time and improve our quality of life.

VISION

To enhance health and wellness through plant-based whole foods.

MISSION

We create relationships for life by designing, developing and producing the world's best performing and most reliable blending & grinding solutions.

CORPORATE POLICIES

Lesco Group operates according to best-in-class business practices that align with our corporate values and high quality standards. At every level of the company, our employees are committed to doing what's right, always placing people ahead of profits for this generation and the generations to come.
