VINEYARDS AND WINEMAKING

Don Jacobo Vendimia Seleccionada represents the harmony between tradition and modernity. This Tempranillo, aged for 6 months in 225-liter American oak barrels, is crafted from grapes carefully selected for their freshness, aiming to express the most balanced character of the variety. The subtle, well-managed ageing process allows the wine to develop depth and roundness, while always preserving its original fruity soul.

TASTING NOTES

Medium-depth ruby red with bright reflections. On the nose, fresh red berry aromas mingle with delicate spicy notes and a light balsamic background. On the palate, it is round, flavourful, and well-balanced, with a smooth texture and fine tannins that provide structure without harshness. The fruit lingers through the finish, leaving an elegant and clean impression.

PAIRING

An ideal companion for all kinds of meat dishes, as well as stews and saucy preparations.
