

# A WORLD FULL OF TASTE

---

## ABOUT US

---

For more than 20 years, Elvida Foods has been a leader in the **Greek meat industry**, delivering quality products to both HORECA professionals and retailers. With a state-of-the-art production facility and a commitment to excellence, we ensure that our products meet the highest standards of safety, taste, and consistency.

We proudly export to over 20 countries, bringing the authentic taste of Greece to global markets. Our expertise in both PL and branded solutions makes us the ideal partner for businesses looking to elevate their frozen meat product offerings.
