

ORGANIC BILBERRY JUICE 100%

Ripe bilberries are hand-picked in the wild forests of Northern Europe, all leaves and stems are carefully removed. That's why our pure juice tastes like freshly picked bilberries – and is naturally sweet.

Thanks to the *cold pressing*, the most valuable benefits of the wild berries are preserved.

- More than 800 berries in a bottle
- European Wild Harvest
- High Level of Antioxidants

ABSOLUTELY
WILD
